the resident's stay, in writing, that the facility may discharge the resident if the resident is no longer able to pay for his or her care in the facility without Medical Assistance:

- (2) the resident (unless he or she is incompetent), the resident's representative, and the person making payment on behalf of the resident for the resident's stay, acknowledge in writing that they have received the written explanation; -
- (3) in circumstances where the Medicare coverage is ending prior to the full 100-day benefit period, the facility provides notice to the resident and to the resident's representative that the resident's Medicare coverage will likely end in 5 days. This notification shall specify that the resident shall not be required to move under this Section until these 5 days are up. (a-10) For the purposes of this Section, a recipient or applicant shall be considered a resident in the facility during any hospital stay totaling 10 days or less following a hospital admission. The Department of Healthcare and Family Services shall recoup funds from a facility when, as a result

- 1 of the facility's refusal to readmit a recipient after 2 hospitalization for 10 days or less, the recipient incurs hospital bills in an amount greater than the amount that would 3 have been paid by that Department (formerly the Illinois 5 Department of Public Aid) for care of the recipient in the 6 facility. The amount of the recoupment shall be the difference 7 between the Department of Healthcare and Family Services' 8 (formerly the Illinois Department of Public Aid's) payment for 9 hospital care and the amount that Department would have paid 10 for care in the facility.
- 11 (b) A facility which violates this Section shall be guilty
 12 of a business offense and fined not less than \$500 nor more
 13 than \$1,000 for the first offense and not less than \$1,000 nor
 14 more than \$5,000 for each subsequent offense.
