2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Highway Code is amended by
5 changing Section 4-406 as follows:

6 (605 ILCS 5/4-406) (from Ch. 121, par. 4-406)

7 Sec. 4-406. The Department is authorized to enter into
8 contracts with any municipal corporation, terminable in the
9 discretion of the Department, for the municipal corporation to
10 maintain any State highway, or any part thereof, located
11 within such municipal corporation, such maintenance to be
12 under the supervision of the Department and at the expense of
13 the State.

14 The Department is authorized to enter into similar
15 contracts with any county for the county to maintain any State
16 highway, or any part thereof, which was originally constructed
17 by the county, such maintenance to be under the supervision of
18 the Department and at the expense of the State.

19 The Department shall include in its annual appropriations
20 request funding to local municipalities for maintaining any
21 local roads that are negatively impacted by adjoining
22 Department highway construction projects.
