4 Sec. 1703. Purpose and intent. The purpose of this Article 5 is to provide a mechanism for insurers to transfer or assume 6 blocks of insurance business in an efficient and 7 cost-effective manner that provides needed legal finality for 8 such transfers in order to provide for improved operational 9 and capital efficiency for insurance companies, while 10 protecting the interests of the policyholders, reinsurers, and 11 claimants of the subject business. These purposes 17 18 are accomplished by providing a basis and procedures for the transfer and statutory novation of policies from a 19 20 transferring insurer to an assuming insurer by way of an 21 insurance business transfer without the affirmative consent of 22 policyholders or reinsureds, but with consideration of their 23 interests. This Article establishes the requirements for 24 notice and disclosure and standards and procedures for the 25 approval of the transfer and novation by a court pursuant to an
