- 1 AN ACT in relation to health.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The Community Services Act is amended by
- 5 adding Sections 4.4 and 4.5 as follows:
- 6 (405 ILCS 30/4.4 new)
- Sec. 4.4. Funding reinvestment.
- 8 (a) The purposes of this Section are as follows:
- 9 (1) The General Assembly recognizes that the United
- 10 <u>States Supreme Court in Olmstead v. L.C. ex Rel. Zimring,</u>
- 11 119 S. Ct. 2176 (1999), affirmed that the unjustifiable
- 12 <u>institutionalization of a person with a disability who</u>
- 13 <u>could live in the community with proper support, and</u>
- 14 wishes to do so, is unlawful discrimination in violation
- of the Americans with Disabilities Act (ADA). The State
- of Illinois, along with all other states, is required to
- 17 <u>provide appropriate residential and community-based</u>
- 18 <u>support services to persons with disabilities who wish to</u>
- 19 <u>live in a less restrictive setting.</u>
- 20 (2) It is the purpose of this Section to help
- 21 <u>fulfill the State's obligations under the Olmstead</u>
- 22 <u>decision by maximizing the level of funds for both</u>
- 23 <u>developmental disability and mental health services and</u>
- 24 supports in order to maintain and create an array of
- 25 <u>residential and supportive services for people with</u>
- 26 <u>mental health needs and developmental disabilities</u>
- 27 <u>whenever they are transferred into another facility or a</u>
- 28 <u>community-based setting.</u>
- 29 (b) In this Section:
- 30 <u>"Office of Developmental Disabilities" means the Office</u>
- 31 <u>of Developmental Disabilities within the Department of Human</u>

- 1 <u>Services</u>.
- 2 <u>"Office of Mental Health" means the Office of Mental</u>
- 3 <u>Health within the Department of Human Services.</u>
- 4 (c) On and after the effective date of this amendatory
- 5 Act of the 93rd General Assembly, every appropriation of
- 6 State moneys relating to funding for the Office of
- 7 <u>Developmental Disabilities or the Office of Mental Health</u>
- 8 <u>must comply with this Section.</u>
- 9 (d) Whenever any appropriation, or any portion of an
- 10 appropriation, for any fiscal year relating to the funding of
- 11 any State-operated facility operated by the Office of
- 12 <u>Developmental Disabilities or any mental health facility</u>
- operated by the Office of Mental Health is reduced because of
- 14 any of the reasons set forth in the following items (1)
- 15 through (3), to the extent that savings are realized from
- 16 these items, those moneys must be directed toward providing
- other services and supports for persons with developmental
- 18 <u>disabilities or mental health needs:</u>
- 19 <u>(1) The closing of any such State-operated facility</u>
- 20 <u>for the developmentally disabled or mental health</u>
- 21 <u>facility.</u>
- 22 (2) Reduction in the number of available beds in
- 23 any such State-operated facility for the developmentally
- 24 <u>disabled or mental health facility.</u>
- 25 (3) Reduction in the number of staff employed in
- 26 <u>any such State-operated facility for the developmentally</u>
- 27 <u>disabled or mental health facility.</u>
- 28 <u>(e) The purposes of redirecting this funding shall</u>
- 29 <u>include, but not be limited to, providing the following</u>
- 30 <u>services and supports for individuals with developmental</u>
- 31 <u>disabilities and mental health needs:</u>
- 32 (1) Residence in the most integrated setting
- 33 possible, whether independent living in a private
- 34 <u>residence</u>, a <u>Community Integrated Living Arrangement</u>
