State mandates 16 may be reimbursable or nonreimbursable as provided in this 17 18 Act. However, where the General Assembly enacts legislation to comply with a federal mandate, the State shall be exempt 19 20 from the requirement of reimbursing for the cost of the 21 mandated program.

22 (c) "Local government organization and structure mandate" means a State mandate concerning such matters as (1) 23 the form of local government and the adoption and revision of 24 statutes on the organization of local government; (2) the 25 26 establishment of multi-county districts, councils of 27 governments, or other forms and structures for interlocal cooperation and coordination; (3) the holding of local 28 29 elections; (4) the designation of public officers, and their duties, powers and responsibilities; and (5) the prescription 30 31 of administrative practices and procedures for local
