1

AN ACT concerning inspections.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

4 Section 5. The Meat and Poultry Inspection Act is 5 amended by changing Section 8 as follows:

6 (225 ILCS 650/8) (from Ch. 56 1/2, par. 308)

Sec. 8. Medical Certificate. The licensee of a Type I 7 8 establishment <u>must</u> shall require all employees in his establishment to meet the health requirements established by 9 the Illinois Department of Public Health. The Director may at 10 any time require an employee of an establishment to submit to 11 a health examination by a physician. No person suffering from 12 13 any communicable disease, including any communicable skin disease, and no person with infected wounds, and no person 14 15 who is a "carrier" of a communicable disease shall work in 16 any capacity in an establishment. No person shall work or be employed in or about any establishment during the time in 17 18 which a communicable disease exists in the home in which such person resides unless such person has obtained a certificate 19 20 from the state or local health authority to the effect that no danger of public contagion or infection or adulteration of 21 22 product will result from the employment of such person in such establishment. 23
