1

AN ACT in relation to children.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

Section 5. The Early Intervention Services System Act is
amended by changing Section 13.32 as follows:

6

(325 ILCS 20/13.32)

Sec. 13.32. Contracting. The lead agency may enter into 7 8 contracts for some or all of its responsibilities under this Act, including but not limited to, credentialing 9 and providers; training under Section 13.30; 10 enrolling maintaining a central billing office; data collection and 11 12 analysis; establishing and maintaining a computerized case 13 management system accessible to local referral offices and providers; creating and maintaining a system for provider 14 15 credentialing and enrollment; creating and maintaining the central directory required under subsection (g) of Section 7 16 of this Act; and program operations. If contracted, the 17 18 contract shall be subject to a public request for proposals 19 described in the Illinois Procurement Code, as 20 notwithstanding any exemptions or alternative processes that may be allowed for such a contract under that Code, and, in 21 22 addition to the posting requirements under that Code, shall 23 be posted on the early intervention website maintained by the lead agency during the entire bid period. With the exception 24 of contracts with or grants to regional intake entities, any 25 26 of these listed responsibilities currently under contract or grant that have not met these requirements shall be subject 27 28 to public bid under this request for proposal process no later than July 1, 2002 or the date of termination of any 29 contract in place. Contracts with or grants to regional 30 intake entities must be made subject to public bid under a 31

- 1 request for proposals process no later than July 1, 2005.
