10 a person under 18 years of age without written consent of
11 a parent or legal guardian of that person commits the
12 offense of piercing the body of a minor. Before the oral
13 cavity of a person under 18 years of age may be pierced,
14 the written consent form signed by the parent or legal
15 guardian must contain a provision in substantially the
16 following form:

17 "I understand that the oral piercing of the tongue,
18 lips, cheeks, or any other area of the oral cavity
19 carries serious risk of infection or damage to the mouth
20 and teeth, or both infection and damage to those areas,
21 that could result but is not limited to nerve damage,
22 numbness, and life threatening blood clots."

23 A person who pierces the oral cavity of a person
24 under 18 years of age without obtaining a signed written
25 consent form from a parent or legal guardian of the

31 means to make a hole in the body or oral cavity in order to

2 other object for the purpose of ornamentation of the body.
3 "Piercing" does not include tongue splitting as defined in
4 Section 12-10.2.

5 (c) Exceptions. This Section may not be construed in
6 any way to prohibit any injection, incision, acupuncture, or
7 similar medical or dental procedure performed by a licensed
8 health care professional or other person authorized to
9 perform that procedure. This Section does not prohibit ear
10 piercing. This Section does not apply to a minor emancipated

12 Mature Minors Act or by marriage.
