Amends the Child Care Act of 1969. Provides that at least once each year, DCFS must provide to each child care facility a copy of the most recent comprehensive list of unsafe children's products maintained by the Department of Public Health under the Children's Product Safety Act; authorizes DCFS to provide a copy of the list as often as 4 times per year. Provides that every child care facility must maintain at its premises a file containing all bulletins or notices issued by the Department of Public Health concerning unsafe children's products and must make the file accessible to the facility's staff members and to parents of the children who attend the facility. Amends the Children's Product Safety Act. Provides that a "children's product" is one designed or intended for the care of or use by a child under age 12 (instead of under age 6). Replaces the definition of "commercial user" with a definition of "commercial dealer", which includes one who manufactures children's products. Imposes requirements on commercial dealers in children's products with respect to product recalls. Provides that a commercial dealer who violates the Act is subject to a civil penalty not to exceed \$1,000 for each day the violation continues (instead of providing that a commercial user who willfully and knowingly violates the Act is guilty of a Class C misdemeanor). Provides that nothing in the Act relieves a commercial dealer from compliance with stricter requirements imposed by a federal agency. Makes other changes. Effective immediately.

20 children's products and identify unsafe children's products.
21 At least once each year, the Department of Children and Family
22 Services must provide to each child care facility a copy of the
23 most recent comprehensive list of unsafe children's products

31 Department of Public Health concerning unsafe children's
32 products. The child care facility must make the file accessible

1 to the facility's staff members and to parents of the children

12 commercial dealer has manufactured a children's product that is
13 unsafe under Section 15, and if that commercial dealer also
14 maintains a web site, then the commercial dealer must include
15 the items described in paragraphs (1) through (3) of this
16 subsection on its web site. The commercial dealer must include
17 the items on the web site no later than the day on which a
18 recall press release is issued by a federal agency (including,
19 but not limited to, the Children's Products Safety Commission
20 or "CPSC") and must maintain the items on the web site for the
21 duration of the recall.

32 (2) The recall page may include only the product recall
33 information and may not include, link to, or otherwise be

12 include a description of the product defect and how to
13 participate in the recall.

14 (c) A commercial dealer who has any retail establishments
15 in Illinois must post current federal agency recall notices on
16 unsafe children's products (as defined in Section 15) that were
17 for sale at any time at each Illinois-based retail
18 establishment. The notices must be placed in prominent
19 locations in each store. The recall notices must be posted no

24 Illinois-based retail establishment on file and must make the
25 copy available to the public upon request for the duration of
26 the recall.

27 (d) Within 5 days after a recalled children's product is
28 placed on the Department of Public Health's comprehensive list
29 maintained under Section 15, a commercial dealer who is not a
30 party to the issuance of the recall must post the recalled
31 children's product on the retail establishment's web site as
32 provided in subsection (a) or must post a notice of the
33 recalled product at each retail establishment in Illinois as
34 provided in subsection (c).

1 Sec. 25. Penalty. A commercial dealer ~~user~~ who ~~willfully~~
2 ~~and knowingly~~ violates this Act is subject to a civil penalty
3 in an amount not to exceed \$1,000 for each day that the
4 violation continues. The Department of Public Health may impose
5 a civil penalty under this Section following an administrative
6 hearing at which the commercial dealer has been afforded an
7 opportunity to present oral or written evidence, or both. The
8 Attorney General may bring an action in the circuit court to
9 enforce the collection of a civil penalty imposed under this
10 Section. ~~Section 15 is guilty of a Class C misdemeanor.~~

14 a commercial dealer from compliance with stricter requirements
15 that may be imposed by an agency of the federal government.

16 (430 ILCS 125/20 rep.)

18 repealing Section 20.
