23 The county board of any county may provide for an
24 additional charge of \$3 for filing every instrument, paper,
25 or notice for record, (1) in order to defray the cost of
26 converting the county recorder's document storage system to
27 computers or micrographics and (2) in order to defray the
28 cost of providing access to records through the global
29 information system known as the Internet.

30 A special fund shall be set up by the treasurer of the
31 county and such funds collected pursuant to Public Act
32 83-1321 shall be used (1) solely for a document storage
33 system to provide the equipment, materials and necessary
34 expenses incurred to help defray the costs of implementing

1 and maintaining such a document records system and (2) for a
2 system to provide electronic access to those records.

3 The county board of any county that provides and
4 maintains a countywide map through a Geographic Information
5 System (GIS) may provide for an additional charge of \$3 for
6 filing every instrument, paper, or notice for record (1) in
7 order to defray the cost of implementing or maintaining the
8 county's Geographic Information System and (2) in order to
9 defray the cost of providing electronic access to the
10 county's Geographic Information System records. Of that
11 amount, \$2 must be deposited into a special fund set up by
12 the treasurer of the county, and any moneys collected
13 pursuant to this amendatory Act of the 91st General Assembly
14 and deposited into that fund must be used solely for the
15 equipment, materials, and necessary expenses incurred in

19 The remaining \$1 must be deposited into the recorder's
20 special funds created under Section 3-5005.4. The recorder
21 may, in his or her discretion, use moneys in the funds
22 created under Section 3-5005.4 to defray the cost of
23 implementing or maintaining the county's Geographic
24 Information System and to defray the cost of providing
25 electronic access to the county's Geographic Information
26 System records.

27 The foregoing fees allowed by this Section are the
28 maximum fees that may be collected from any officer, agency,
29 department or other instrumentality of the State. The county
30 board may, however, by ordinance, increase the fees allowed
31 by this Section and collect such increased fees from all
32 persons and entities other than officers, agencies,
33 departments and other instrumentalities of the State if the
34 increase is justified by an acceptable cost study showing

1 that the fees allowed by this Section are not sufficient to
2 cover the cost of providing the service. Regardless of any
3 other provision in this Section, the maximum fee that may be
4 collected from the Department of Revenue for filing or
5 indexing a lien, certificate of lien release or
6 subordination, or any other type of notice or other
7 documentation affecting or concerning a lien is \$5.
8 Regardless of any other provision in this Section, the
9 maximum fee that may be collected from the Department of
10 Revenue for indexing each additional name in excess of one
11 for any lien, certificate of lien release or subordination,
12 or any other type of notice or other documentation affecting
13 or concerning a lien is \$1.

14 A statement of the costs of providing each service,
15 program and activity shall be prepared by the county board.
16 All supporting documents shall be public record and subject
17 to public examination and audit. All direct and indirect
18 costs, as defined in the United States Office of Management
19 and Budget Circular A-87, may be included in the
20 determination of the costs of each service, program and
21 activity.
