- 1 AN ACT concerning education.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The School Code is amended by adding Article
- 5 1G as follows:
- 6 (105 ILCS 5/Art. 1G heading new)
- 7 ARTICLE 1G. MATHEMATICS AND SCIENCE
- 8 <u>BLOCK GRANT PROGRAM</u>
- 9 (105 ILCS 5/1G-1 new)
- 10 <u>Sec. 1G-1. Purpose. The purpose of this Article is to</u>
- 11 permit greater flexibility and efficiency in the
- 12 <u>distribution and use of certain State funds available to</u>
- 13 <u>local education agencies in order to ensure that students</u>
- 14 <u>meet or exceed the Illinois Learning Standards in mathematics</u>
- 15 <u>and science</u>. The State Board of Education shall administer a
- 16 <u>Mathematics and Science Block Grant Program and award Program</u>
- 17 <u>funds to eligible recipients upon application. As used in</u>
- 18 <u>this Section</u>, "school district" shall include those schools
- designated as "laboratory schools".
- 20 (105 ILCS 5/1G-5 new)
- 21 <u>Sec. 1G-5. Authorized Uses. Mathematics and Science</u>
- 22 Block Grant Program funds shall be used in the following
- 23 <u>manner consistent with application requirements established</u>
- 24 by the State Board of Education as provided in Section 1G-15
- 25 <u>of this Article:</u>
- 26 <u>(1) To expand learning opportunities in grades</u>
- 27 <u>kindergarten through 8, to ensure that every student</u>
- 28 <u>meets the Illinois Learning Standards for mathematics, as</u>
- 29 <u>defined</u> by the <u>learning</u> benchmarks and relevant

1	performance standards for middle and junior high schools,
2	by the end of eighth grade, including standards related
3	to number sense, estimation and measurement, algebra and
4	analytical methods, geometry, data analysis, and
5	probability;

- (2) To expand learning opportunities in grades kindergarten through 8, to ensure that every student meets the Illinois Learning Standards for mathematics, as defined by the learning benchmarks and relevant performance standards for middle and junior high schools, by the end of eighth grade, including standards related to inquiry and design; concepts and principles of science; and science, technology, and society;
- 14 (3) To train and retrain teachers of grades

  15 kindergarten through 12 to be more proficient in the

  16 teaching of mathematics and science by providing

  17 professional development opportunities;
  - (4) To improve curriculum, instruction, and assessment relevant to the Illinois Learning Standards for grades kindergarten through 12; and
- 21 (5) To supply classrooms with materials and
  22 equipment related to the teaching and learning of
  23 mathematics and science.
- 24 (105 ILCS 5/1G-10 new)

Sec. 1G-10. Allocation. Mathematics and Science Block
Grant Program funds shall be distributed to school districts
based upon available appropriations and rules established by
the State Board of Education. Distribution of moneys to
school districts shall be made in semi-annual installment
payments, one payment to be made on or before October 30, and
one payment to be made prior to April 30 of each year.

- Sec. 1G-15. Application. Mathematics and Science Block
- 2 Grant Program funds shall be made available to each eligible
- 3 school district upon completion of an application process
- 4 that is consistent with rules established by the State Board
- 5 of Education. The application shall include the planned use
- 6 of the funds.
- 7 (105 ILCS 5/1G-20 new)
- 8 Sec. 1G-20. Rules. The State Board of Education shall
- 9 <u>adopt rules as may be necessary to implement the provisions</u>
- of this Article.
- 11 Section 99. Effective date. This Act takes effect July
- 12 1, 2003.
