- 1 AN ACT in relation to public aid.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The Illinois Public Aid Code is amended by
- 5 adding Section 12-4.25d as follows:
- 6 (305 ILCS 5/12-4.25d new)
- 7 <u>Sec. 12-4.25d. Medical assistance vendors; unionization</u>
- 8 activities.

26

- 9 <u>(a) In this Section:</u>
- 10 <u>"Vendor" means a vendor of goods or services</u>
- 11 <u>provided to recipients of medical assistance under</u>
- 12 <u>Article V, except that "vendor" does not mean a facility</u>
- 13 <u>licensed under the Nursing Home Care Act as a skilled or</u>
- 14 <u>intermediate care facility, including an intermediate</u>
- care facility for the developmentally disabled.
- 16 <u>"Vendor reimbursements" means moneys paid to a</u>
- 17 <u>vendor for goods or services provided to recipients of</u>
- 18 <u>medical assistance under Article V.</u>
- 19 (b) A vendor may not use vendor reimbursements to pay for
- 20 <u>activities directly related to influencing employees of the</u>
- 21 <u>vendor regarding their decision to organize or not to</u>
- 22 <u>organize and to form a union or to join an existing union,</u>
- 23 <u>because these activities are not directly related to the</u>
- 24 <u>purchase of goods or services for recipients.</u> Vendor
- 25 <u>reimbursements may not be used for these activities by</u>

officers or employees of the vendor, or by an independent

- 27 <u>contractor</u>, <u>consultant</u>, <u>or attorney with whom the vendor has</u>
- 28 <u>entered into a contract. Vendor reimbursements may not be</u>
- 29 <u>used to litigate the issue of the application of the National</u>
- 30 <u>Labor Relations Act to, nor the jurisdiction of the National</u>
- 31 <u>Labor Relations Board over, a vendor. Nothing in this</u>

- 1 Section shall be construed as limiting an employer's rights
- under Section 8(c) of the National Labor Relations Act. 2
- Nothing in this Section shall be construed as limiting the 3
- 4 use of State funds by a vendor in the employment of, or for
- contracting for, assistance in good faith collective 5
- bargaining or in handling employee grievances, including 6
- arbitration, under an employee-employer contract. 7
- 8 (c) If a vendor engages in activities directly related to
- 9 influencing employees of the vendor regarding their decision
- 10 to organize or not to organize and to form a union or to join
- 11 an existing union, the vendor must document the cost of those
- 12 activities and show that no vendor reimbursements were used
- 13 to pay for those activities in whole or in part. If the
- vendor engages in those activities during a time when the 14
- vendor's employees are ordinarily performing their normal 15
- duties, the vendor must maintain records showing (i) the 16
- date, time, and length of each meeting with employees held in 17
- connection with those activities and (ii) the identity of all 18
- participants in those meetings. 19

27

29

- (d) If (i) a vendor engages in activities directly 20
- related to influencing employees of the vendor regarding 2.1
- 22 their decision to organize or not to organize and to form a
- union or to join an existing union, (ii) those activities 23
- 24 involved employees of the vendor whose normal duties involve
- providing goods or services to recipients of medical 25
- assistance, and (iii) those activities were conducted during 26
- a period of time during which the employee would ordinarily
- perform the employee's normal duties, then there is an 28

irrebuttable presumption that vendor reimbursements were used

- to pay for a proportionate share of those activities. If it 30
- 31 is determined that a vendor improperly used vendor
- reimbursements to pay for activities as described in this 32
- subsection, then the vendor is subject to a civil penalty in 33
- an amount equal to the proportion of the total cost of those 34

| 1 | activities | that | represents | the | proportion | of | the | vendor | `'s |
|---|------------|------|------------|-----|------------|----|-----|--------|-----|
|   |            |      |            |     |            |    |     |        |     |

- 2 total revenues that were vendor reimbursements in the State
- 3 <u>fiscal year in which the vendor engaged in those activities.</u>
- 4 (e) If it is determined that a vendor improperly used
- 5 <u>vendor reimbursements to pay for activities other than as</u>
- 6 <u>described in subsection (d), then:</u>
- 7 (1) the vendor must repay to the State the amount of
- 8 moneys spent on activities in violation of this Section;
- 9 <u>and</u>
- 10 (2) the vendor is subject to a civil penalty in an
- 11 amount equal to twice the amount of moneys spent on
- 12 <u>activities in violation of this Section.</u>
- 13 (f) The Department of Public Aid may impose a demand for
- 14 repayment or a civil penalty under this Section after notice
- and an opportunity for the vendor to be heard on the matter.
- 16 The Attorney General may bring a civil action on behalf of
- 17 the Department of Public Aid to enforce the collection of any
- 18 repayment or civil penalty imposed under this Section. If
- 19 the Attorney General declines to bring such an action, any
- 20 person may bring such an action on behalf of the Department
- of Public Aid.
- 22 (g) If an agent of a vendor knowingly violates this
- 23 Section, the agent is jointly and severally liable with the
- 24 <u>vendor for the violation and subject to imposition of demand</u>
- for repayment or a civil penalty under this Section.
