1

AN ACT concerning minors.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by
changing Section 2-18 as follows:

- 6 (705 ILCS 405/2-18) (from Ch. 37, par. 802-18)
- 7

Sec. 2-18. Evidence.

(1) At the adjudicatory hearing, the court shall first 8 consider only the question whether the minor is abused, 9 neglected or dependent. The standard of proof and the rules of 10 evidence in the nature of civil proceedings in this State are 11 applicable to proceedings under this Article. If the petition 12 also seeks the appointment of a guardian of the person with 13 14 power to consent to adoption of the minor under Section 2-29, 15 the court may also consider legally admissible evidence at the 16 adjudicatory hearing that one or more grounds of unfitness 17 exists under subdivision D of Section 1 of the Adoption Act.

18 (2) In any hearing under this Act, the following shall 19 constitute prima facie evidence of abuse or neglect, as the 20 case may be:

(a) proof that a minor has a medical diagnosis of
 battered child syndrome is prima facie evidence of abuse;

(b) proof that a minor has a medical diagnosis of failure to thrive syndrome is prima facie evidence of neglect;

26 27 (c) proof that a minor has a medical diagnosis of fetal alcohol syndrome is prima facie evidence of neglect;

(d) proof that a minor has a medical diagnosis at birth
of withdrawal symptoms from narcotics or barbiturates is
prima facie evidence of neglect;

(e) proof of injuries sustained by a minor or of the
 condition of a minor of such a nature as would ordinarily

not be sustained or exist except by reason of the acts or omissions of the parent, custodian or guardian of such minor shall be prima facie evidence of abuse or neglect, as the case may be;

5 (f) proof that a parent, custodian or guardian of a minor repeatedly used a drug, to the extent that it has or 6 would ordinarily have the effect of producing in the user a 7 8 substantial state of stupor, unconsciousness, hallucination, disorientation 9 intoxication, or 10 incompetence, or a substantial impairment of judgment, or a 11 substantial manifestation of irrationality, shall be prima facie evidence of neglect; 12

(g) proof that a parent, custodian, or guardian of a 13 minor repeatedly used a controlled substance, as defined in 14 subsection (f) of Section 102 of the Illinois Controlled 15 16 Substances Act, in the presence of the minor or a sibling of the minor is prima facie evidence of neglect. "Repeated 17 use", for the purpose of this subsection, means more than 18 one use of a controlled substance as defined in subsection 19 20 (f) of Section 102 of the Illinois Controlled Substances 21 Act;

(h) proof that a newborn infant's blood, urine, or 22 23 meconium contains any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois 24 Controlled Substances Act, or a metabolite of a controlled 25 26 substance, with the exception of controlled substances or 27 metabolites of those substances, the presence of which is the result of medical treatment administered to the mother 28 29 or the newborn, is prime facie evidence of neglect :-

30 (i) proof that a minor was present in a structure or
 31 vehicle in which the minor's parent, custodian, or guardian
 32 was involved in the manufacture of methamphetamine
 33 constitutes prima facie evidence of abuse and neglect.

34 (3) In any hearing under this Act, proof of the abuse,
35 neglect or dependency of one minor shall be admissible evidence
36 on the issue of the abuse, neglect or dependency of any other

1

minor for whom the respondent is responsible.

2 (4) (a) Any writing, record, photograph or x-ray of any 3 hospital or public or private agency, whether in the form of an entry in a book or otherwise, made as a memorandum or record of 4 5 any condition, act, transaction, occurrence or event relating 6 to a minor in an abuse, neglect or dependency proceeding, shall be admissible in evidence as proof of that condition, act, 7 8 transaction, occurrence or event, if the court finds that the 9 document was made in the regular course of the business of the 10 hospital or agency and that it was in the regular course of 11 such business to make it, at the time of the act, transaction, 12 occurrence or event, or within a reasonable time thereafter. A 13 certification by the head or responsible employee of the hospital or agency that the writing, record, photograph or 14 15 x-ray is the full and complete record of the condition, act, 16 transaction, occurrence or event and that it satisfies the 17 conditions of this paragraph shall be prima facie evidence of the facts contained in such certification. A certification by 18 19 someone other than the head of the hospital or agency shall be 20 accompanied by a photocopy of a delegation of authority signed by both the head of the hospital or agency and by such other 21 22 employee. All other circumstances of the making of the 23 memorandum, record, photograph or x-ray, including lack of 24 personal knowledge of the maker, may be proved to affect the weight to be accorded such evidence, but shall not affect its 25 26 admissibility.

27

(b) Any indicated report filed pursuant to the Abused and 28 Neglected Child Reporting Act shall be admissible in evidence.

29 (c) Previous statements made by the minor relating to any 30 allegations of abuse or neglect shall be admissible in evidence. However, no such statement, if uncorroborated and not 31 subject to cross-examination, shall be sufficient in itself to 32 support a finding of abuse or neglect. 33

34 (d) There shall be a rebuttable presumption that a minor is 35 competent to testify in abuse or neglect proceedings. The court shall determine how much weight to give to the minor's 36

SB2447 Enrolled - 4 - LRB093 18520 RLC 44240 b

testimony, and may allow the minor to testify in chambers with only the court, the court reporter and attorneys for the parties present.

4 (e) The privileged character of communication between any
5 professional person and patient or client, except privilege
6 between attorney and client, shall not apply to proceedings
7 subject to this Article.

8 (f) Proof of the impairment of emotional health or 9 impairment of mental or emotional condition as a result of the 10 failure of the respondent to exercise a minimum degree of care 11 toward a minor may include competent opinion or expert 12 testimony, and may include proof that such impairment lessened 13 during a period when the minor was in the care, custody or 14 supervision of a person or agency other than the respondent.

15 (5) In any hearing under this Act alleging neglect for 16 failure to provide education as required by law under 17 subsection (1) of Section 2-3, proof that a minor under 13 years of age who is subject to compulsory school attendance 18 19 under the School Code is a chronic truant as defined under the 20 School Code shall be prima facie evidence of neglect by the parent or guardian in any hearing under this Act and proof that 21 22 a minor who is 13 years of age or older who is subject to 23 compulsory school attendance under the School Code is a chronic 24 truant shall raise a rebuttable presumption of neglect by the parent or guardian. This subsection (5) shall not apply in 25 26 counties with 2,000,000 or more inhabitants.

27 (6) In any hearing under this Act, the court may take 28 judicial notice of prior sworn testimony or evidence admitted 29 in prior proceedings involving the same minor if (a) the 30 parties were either represented by counsel at such prior 31 proceedings or the right to counsel was knowingly waived and 32 (b) the taking of judicial notice would not result in admitting 33 hearsay evidence at a hearing where it would otherwise be 34 prohibited.
