HB4419 Engrossed

1

AN ACT concerning regulation.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Public Utilities Act is amended by changing
Section 4-101 as follows:

6 (220 ILCS 5/4-101) (from Ch. 111 2/3, par. 4-101)

Sec. 4-101. The Commerce Commission shall have general 7 supervision of all public utilities, except as otherwise 8 provided in this Act, shall inquire into the management of the 9 10 business thereof and shall keep itself informed as to the manner and method in which the business is conducted. It shall 11 examine those public utilities and keep informed as to their 12 general condition, their franchises, capitalization, rates and 13 14 other charges, and the manner in which their plants, equipment 15 and other property owned, leased, controlled or operated are managed, conducted and operated, not only with respect to the 16 17 adequacy, security and accommodation afforded by their service 18 but also with respect to their compliance with this Act and any 19 other law, with the orders of the Commission and with the 20 charter and franchise requirements.

Whenever the Commission is authorized or required by law to 21 22 consider some aspect of criminal history record information for 23 the purpose of carrying out its statutory powers and responsibilities, then, upon request and payment of fees in 24 25 conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the 26 Department of State Police is authorized to furnish, pursuant 27 28 to positive identification, such information contained in 29 State files as is necessary to fulfill the request.

30 The Commission shall require all electric public utilities 31 to establish a security policy that includes on-site safeguards 32 to restrict physical or electronic access to critical HB4419 Engrossed - 2 - LRB094 17136 MKM 52424 b

1 infrastructure and computerized control and data systems $\frac{by}{by}$ 2 personnel employed by or under contract with the electric public utility company or by personnel of any entity regulated 3 by the Commission that supplies power to wholesale 4 or residential markets. The Commission shall maintain a record of 5 6 and each regulated entity that supplies power to wholesale or residential markets shall provide to the Commission an annual 7 8 affidavit signed by a representative of the regulated entity 9 that states: that the entity follows, at a minimum, the most 10 current security standards set forth by the North American Electric Reliability Council. 11

12

(1) that the entity has a security policy in place;

13 (2) that the entity has conducted at least one practice
 14 exercise based on the security policy within the 12 months
 15 immediately preceding the date of the affidavit; and

16 <u>(3) with respect to any entity that is an electric</u> 17 <u>public utility, that the entity follows, at a minimum, the</u> 18 <u>most current security standards set forth by the North</u> 19 <u>American Electric Reliability Council.</u>
