- Management Agency and by an emergency services and disaster agency responsible for emergency management programs. A township, if the township is in a county having a population of more than 2,000,000, must have approval of the county coordinator before establishment of a township emergency services and disaster agency.
  - (b) Unless multiple county emergency services and disaster agency consolidation is authorized by the Illinois Emergency Management Agency with the consent of the respective counties, each county shall maintain an emergency services and disaster agency that has jurisdiction over and serves the entire county, except as otherwise provided under this Act and except that in any county with a population of over 3,000,000 containing a municipality with a population of over 500,000 the jurisdiction of the county agency shall not extend to the municipality when the municipality has established its own agency.
  - (c) Each municipality with a population of over 500,000 shall maintain an emergency services and disaster agency which has jurisdiction over and serves the entire municipality. A municipality with a population less than 500,000 may establish, by ordinance, an agency or department responsible for emergency management within the municipality's corporate limits.
  - The shall determine (d) Governor which municipal corporations, other than those specified in paragraph (c) of this Section, need emergency services and disaster agencies of their own and require that they be established and maintained. The Governor shall make these determinations on the basis of the municipality's disaster vulnerability and capability of response related to population size and concentration. The emergency services and disaster agency of a county or township, shall not have a jurisdiction within a political subdivision having its own emergency services and disaster agency, but shall cooperate with the emergency services and disaster agency of a city, village or incorporated town within their borders. The Illinois Emergency Management Agency shall publish and furnish a current list to the municipalities required to have

- an emergency services and disaster agency under this subsection.
  - (e) Each municipality that is not required to and does not have an emergency services and disaster agency shall have a liaison officer designated to facilitate the cooperation and protection of that municipal corporation with the county emergency services and disaster agency in which it is located in the work of disaster mitigation, preparedness, response, and recovery.
  - of each political subdivision in the State shall annually notify the Illinois Emergency Management Agency of the manner in which the political subdivision is providing or securing emergency management, identify the executive head of the agency or the department from which the service is obtained, or the liaison officer in accordance with paragraph (d) of this Section and furnish additional information relating thereto as the Illinois Emergency Management Agency requires.
    - (g) Each emergency services and disaster agency shall prepare an emergency operations plan for its geographic boundaries that complies with planning, review, and approval standards promulgated by the Illinois Emergency Management Agency. The Illinois Emergency Management Agency shall determine which jurisdictions will be required to include earthquake preparedness in their local emergency operations plans.
  - (h) The emergency services and disaster agency shall prepare and distribute to all appropriate officials in written form a clear and complete statement of the emergency responsibilities of all local departments and officials and of the disaster chain of command.
  - (i) Each emergency services and disaster agency shall have a Coordinator who shall be appointed by the principal executive officer of the political subdivision in the same manner as are the heads of regular governmental departments. If the political subdivision is a county and the principal executive officer
