1

AN ACT concerning education.

## 2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The School Code is amended by changing Section
18-17 as follows:

6 (105 ILCS 5/18-17) (from Ch. 122, par. 18-17)

7 Sec. 18-17. The State Board of Education shall provide the loan of secular textbooks listed for use by the State Board of 8 Education free of charge to any student in this State who is 9 10 enrolled in grades kindergarten through 12 at a public school or at a school other than a public school which is in 11 compliance with the compulsory attendance laws of this State 12 and Title VI of the Civil Rights Act of 1964. The foregoing 13 14 service shall be provided directly to the students at their 15 request or at the request of their parents or guardians. The State Board of Education shall adopt appropriate regulations to 16 17 administer this Section and to facilitate the equitable participation of all students eligible for benefits hereunder, 18 19 including provisions authorizing the exchange, trade or 20 transfer of loaned secular textbooks between schools or school districts for students enrolled in such schools or districts. 21 The bonding requirements of Sections 28-1 and 28-2 of this Code 22 do not apply to the loan of secular textbooks under this 23 Section. After secular textbooks have been on loan under this 24 25 Section for a period of 5 years or more, such textbooks may be disposed of by school districts in such manner as their 26 respective school boards shall determine following written 27 28 notification to the State Board of Education and expiration of a reasonable waiting period not to exceed 30 days. Loaned 29 30 textbooks may not be disposed of out-of-State or sold without the prior approval of the State Board of Education. 31

32

As used in this Section, "textbook" means any book or book

HB5550 Engrossed - 2 - LRB094 16299 NHT 51547 b

1 substitute which a pupil uses as a text or text substitute in a 2 particular class or program. It shall include books, reusable 3 workbooks, manuals, whether bound or in loose leaf form, and 4 instructional computer software, intended as a principal 5 source of study material for a given class or group of students. "Textbook" also includes science curriculum 6 7 materials in a kit format that includes pre-packaged consumable 8 materials if (i) it is shown that the materials serve as a textbook substitute, (ii) the materials are for use by pupils 9 as a principal learning resource, (iii) each component of the 10 11 materials is integrally necessary to teach the requirements of 12 the intended course, (iv) the kit includes teacher guidance 13 materials, and (v) the purchase of individual consumable materials is not allowed. 14
