13 (215 ILCS 105/7) (from Ch. 73, par. 1307)

14 Sec. 7. Eligibility.

15 a. Except as provided in subsection (e) of this Section or
16 in Section 15 of this Act, any person who is either a citizen
17 of the United States or an alien lawfully admitted for
18 permanent residence and who has been for a period of at least
19 180 days and continues to be a resident of this State shall be
20 eligible for Plan coverage under this Section if evidence is
21 provided of:

22 (1) A notice of rejection or refusal to issue
23 substantially similar individual health insurance coverage
24 for health reasons by a health insurance issuer; or

25 (2) A refusal by a health insurance issuer to issue
26 individual health insurance coverage except at a rate
27 exceeding the applicable Plan rate for which the person is
28 responsible.

29 A rejection or refusal by a group health plan or health
30 insurance issuer offering only stop-loss or excess of loss
31 insurance or contracts, agreements, or other arrangements for
32 reinsurance coverage with respect to the applicant shall not be
33 sufficient evidence under this subsection.

34 b. The board shall promulgate a list of medical or health
35 conditions for which a person who is either a citizen of the

1 United States or an alien lawfully admitted for permanent
2 residence and a resident of this State would be eligible for
3 Plan coverage without applying for health insurance coverage
4 pursuant to subsection a. of this Section. Persons who can
5 demonstrate the existence or history of any medical or health
6 conditions on the list promulgated by the board shall not be
7 required to provide the evidence specified in subsection a. of
8 this Section. The list shall be effective on the first day of
9 the operation of the Plan and may be amended from time to time
10 as appropriate.

11 c. Family members of the same household who each are
12 covered persons are eligible for optional family coverage under
13 the Plan.

14 d. For persons qualifying for coverage in accordance with
15 Section 7 of this Act, the board shall, if it determines that
16 such appropriations as are made pursuant to Section 12 of this
17 Act are insufficient to allow the board to accept all of the
18 eligible persons which it projects will apply for enrollment
19 under the Plan, limit or close enrollment to ensure that the
20 Plan is not over-subscribed and that it has sufficient
21 resources to meet its obligations to existing enrollees. The
22 board shall not limit or close enrollment for federally
23 eligible individuals.

24 e. A person shall not be eligible for coverage under the
25 Plan if:

26 (1) He or she has or obtains other coverage under a
27 group health plan or health insurance coverage
28 substantially similar to or better than a Plan policy as an
29 insured or covered dependent or would be eligible to have
30 that coverage if he or she elected to obtain it. Persons
31 otherwise eligible for Plan coverage may, however, solely
32 for the purpose of having coverage for a pre-existing
33 condition, maintain other coverage only while satisfying
34 any pre-existing condition waiting period under a Plan
35 policy or a subsequent replacement policy of a Plan policy.

36 (1.1) His or her prior coverage under a group health

1 plan or health insurance coverage, provided or arranged by

3 any reason without the entire group or plan being
4 discontinued and not replaced, provided he or she remains
5 an employee, or dependent thereof, of the same employer.

6 (2) He or she is a recipient of or is approved to
7 receive medical assistance, except that a person may
8 continue to receive medical assistance through the medical
9 assistance no grant program, but only while satisfying the
10 requirements for a preexisting condition under Section 8,
11 subsection f. of this Act. Payment of premiums pursuant to
12 this Act shall be allocable to the person's spenddown for
13 purposes of the medical assistance no grant program, but
14 that person shall not be eligible for any Plan benefits
15 while that person remains eligible for medical assistance.
16 If the person continues to receive or be approved to
17 receive medical assistance through the medical assistance
18 no grant program at or after the time that requirements for
19 a preexisting condition are satisfied, the person shall not
20 be eligible for coverage under the Plan. In that
21 circumstance, coverage under the plan shall terminate as of
22 the expiration of the preexisting condition limitation
23 period. Under all other circumstances, coverage under the
24 Plan shall automatically terminate as of the effective date
25 of any medical assistance.

26 (3) Except as provided in Section 15, the person has
27 previously participated in the Plan and voluntarily
28 terminated Plan coverage, unless 12 months have elapsed
29 since the person's latest voluntary termination of
30 coverage.

31 (4) The person fails to pay the required premium under
32 the covered person's terms of enrollment and
33 participation, in which event the liability of the Plan
34 shall be limited to benefits incurred under the Plan for
35 the time period for which premiums had been paid and the
36 covered person remained eligible for Plan coverage.

1 (5) The Plan has paid a total of \$1,000,000 in benefits
2 on behalf of the covered person.

3 (6) The person is a resident of a public institution.

4 (7) The person's premium is paid for or reimbursed
5 under any government sponsored program or by any government
6 agency or health care provider, except as an otherwise
7 qualifying full-time employee, or dependent of such
8 employee, of a government agency or health care provider,
9 or, ~~except~~ when a person's premium is paid by the U.S.
10 Treasury Department pursuant to the federal Trade Act of
11 2002, or except when the premium rate of an unemployed or
12 retired coal miner who is a federally eligible individual
13 whose employer-provided health insurance coverage was
14 terminated on September 28, 2004 is discounted or
15 subsidized with funds appropriated by law.

16 (8) The person has or later receives other benefits or
17 funds from any settlement, judgement, or award resulting
18 from any accident or injury, regardless of the date of the
19 accident or injury, or any other circumstances creating a
20 legal liability for damages due that person by a third
21 party, whether the settlement, judgment, or award is in the
22 form of a contract, agreement, or trust on behalf of a
23 minor or otherwise and whether the settlement, judgment, or
24 award is payable to the person, his or her dependent,
25 estate, personal representative, or guardian in a lump sum
26 or over time, so long as there continues to be benefits or
27 assets remaining from those sources in an amount in excess
28 of \$100,000.

29 (9) Within the 5 years prior to the date a person's
30 Plan application is received by the Board, the person's
31 coverage under any health care benefit program as defined
32 in 18 U.S.C. 24, including any public or private plan or
33 contract under which any medical benefit, item, or service
34 is provided, was terminated as a result of any act or
35 practice that constitutes fraud under State or federal law
36 or as a result of an intentional misrepresentation of

1 material fact; or if that person knowingly and willfully
2 obtained or attempted to obtain, or fraudulently aided or
3 attempted to aid any other person in obtaining, any
4 coverage or benefits under the Plan to which that person
5 was not entitled.

6 f. The board or the administrator shall require
7 verification of residency and may require any additional
8 information or documentation, or statements under oath, when
9 necessary to determine residency upon initial application and
10 for the entire term of the policy.

11 g. Coverage shall cease (i) on the date a person is no
12 longer a resident of Illinois, (ii) on the date a person
13 requests coverage to end, (iii) upon the death of the covered
14 person, (iv) on the date State law requires cancellation of the
15 policy, or (v) at the Plan's option, 30 days after the Plan
16 makes any inquiry concerning a person's eligibility or place of
17 residence to which the person does not reply.

18 h. Except under the conditions set forth in subsection g of
19 this Section, the coverage of any person who ceases to meet the
20 eligibility requirements of this Section shall be terminated at
21 the end of the current policy period for which the necessary
22 premiums have been paid.

25 Sec. 15. Alternative portable coverage for federally
26 eligible individuals.

27 (a) Notwithstanding the requirements of subsection a. of
28 Section 7 and except as otherwise provided in this Section, any
29 federally eligible individual for whom a Plan application, and
30 such enclosures and supporting documentation as the Board may
31 require, is received by the Board within 90 days after the
32 termination of prior creditable coverage shall qualify to
33 enroll in the Plan under the portability provisions of this
34 Section.

35 A federally eligible person who has been certified as

1 eligible pursuant to the federal Trade Act of 2002 and whose

6 provisions of this Section.

7 (b) Any federally eligible individual seeking Plan
8 coverage under this Section must submit with his or her
9 application evidence, including acceptable written
10 certification of previous creditable coverage, that will
11 establish to the Board's satisfaction, that he or she meets all
12 of the requirements to be a federally eligible individual and
13 is currently and permanently residing in this State (as of the
14 date his or her application was received by the Board).

15 (c) Except as otherwise provided in this Section, a period
16 of creditable coverage shall not be counted, with respect to
17 qualifying an applicant for Plan coverage as a federally
18 eligible individual under this Section, if after such period
19 and before the application for Plan coverage was received by
20 the Board, there was at least a 90 day period during all of
21 which the individual was not covered under any creditable
22 coverage.

23 For a federally eligible person who has been certified as
24 eligible pursuant to the federal Trade Act of 2002, a period of
25 creditable coverage shall not be counted, with respect to
26 qualifying an applicant for Plan coverage as a federally
27 eligible individual under this Section, if after such period
28 and before the application for Plan coverage was received by
29 the Board, there was at least a 63 day period during all of
30 which the individual was not covered under any creditable
31 coverage.

32 (d) Any federally eligible individual who the Board
33 determines qualifies for Plan coverage under this Section shall
34 be offered his or her choice of enrolling in one of alternative
35 portability health benefit plans which the Board is authorized
36 under this Section to establish for these federally eligible

1 individuals and their dependents.

2 (e) The Board shall offer a choice of health care coverages
3 consistent with major medical coverage under the alternative
4 health benefit plans authorized by this Section to every
5 federally eligible individual. The coverages to be offered
6 under the plans, the schedule of benefits, deductibles,
7 co-payments, exclusions, and other limitations shall be
8 approved by the Board. One optional form of coverage shall be
9 comparable to comprehensive health insurance coverage offered
10 in the individual market in this State or a standard option of
11 coverage available under the group or individual health
12 insurance laws of the State. The standard benefit plan that is
13 authorized by Section 8 of this Act may be used for this
14 purpose. The Board may also offer a preferred provider option
15 and such other options as the Board determines may be
16 appropriate for these federally eligible individuals who
17 qualify for Plan coverage pursuant to this Section.

18 (f) Notwithstanding the requirements of subsection f. of
19 Section 8, any plan coverage that is issued to federally

34 Act.

36 enrolls in the Plan pursuant to this Section must satisfy on an

1 ongoing basis all of the other eligibility requirements of this
2 Act to the extent not inconsistent with the federal Health
3 Insurance Portability and Accountability Act of 1996 in order
4 to maintain continued eligibility for coverage under the Plan.
