7 year. Should the cost report not be on file by April 1, the
8 Department shall base the rate on the latest cost report filed

10 updated to the midpoint of the current rate year. In
11 determining rates for services rendered on and after July 1,
12 1985, fixed time shall not be computed at less than zero. The

14 would reduce any component of the Medicaid rate to a level
15 below what that component would have been utilizing in the rate
16 effective on July 1, 1984.

18 facilities in providing services for recipients of skilled
