- 9 (a) A K-3 class size reduction grant program is created.
- 10 The program shall be implemented and administered by the State
- 11 Board of Education. From appropriations made for purposes of
- 12 this Section, the State Board shall award grants to schools
- that meet the criteria established by this <u>subsection</u> (a)
- 14 Section for the award of those grants.
- Grants shall be awarded pursuant to application. The form
- 16 and manner of applications and the criteria for the award of
- grants shall be prescribed by the State Board of Education. The
- 18 grant criteria as so prescribed, however, shall provide that
- only those schools that are on the State Board of Education
- 20 Early Academic Warning List or the academic watch list under
- 21 Section 2-3.25d that maintain grades kindergarten through 3 are
- 22 grant eligible.
- Grants awarded to eligible schools under this <u>subsection</u>

- 25 the costs and expenses of operating and maintaining classes in
- grades kindergarten through 3 with an average class size within
- 27 a specific grade of no more than 20 pupils. If a school's
- 28 facilities are inadequate to allow for this specified class

- 30 instead.
- 31 (b) A K-3 pilot class size reduction grant program is
- 32 created. The program shall be implemented and administered by

- the State Board of Education. From appropriations made for 1
- 2 purposes of this subsection (b), the State Board shall award
- grants to schools that meet the criteria established by this 3
- Section for the award of those grants. 4
- 5 Grants shall be awarded pursuant to application. The form
- and manner of application and the criteria for the award of 6

- (b) shall be used and applied by the schools to defray the 9
- costs and expenses of operating and maintaining classes in 10
- grades kindergarten through 3 of no more than 15 pupils per 11
- 12 teacher per class. A teacher aide may not be used to meet this
- 13 requirement.
- (c) If a school board determines that a school is using 14
- 15 funds awarded under this Section for purposes not authorized by
- 16 this Section, then the school board, rather than the school,
- shall determine how the funds are used. 17
- (d) The State Board of Education shall adopt any rules, 18
- 19 consistent with the requirements of this Section, that are
- 20 necessary to implement and administer the  $\frac{K-3}{2}$  class size
- 21 reduction grant programs program.
