8 (a) A person shall be deemed to be employed by a charter
9 school unless a collective bargaining agreement or the charter
10 school contract otherwise provides.

11 (b) In all school districts, including special charter
12 districts and districts located in cities having a population
13 exceeding 500,000, the local school board shall determine by
14 policy or by negotiated agreement, if one exists, the
15 employment status of any school district employees who are
16 employed by a charter school and who seek to return to
17 employment in the public schools of the district. Each local
18 school board shall grant, for a period of up to 5 years, a
19 leave of absence to those of its teachers who accept employment
20 with a charter school. At the end of the authorized leave of

22 resign; provided, however, that if the teacher chooses to
23 return to the school district, the teacher must be assigned to

1 a position which requires the teacher's certification and legal
2 qualifications. The contractual continued service status and
3 retirement benefits of a teacher of the district who is granted
4 a leave of absence to accept employment with a charter school
5 shall not be affected by that leave of absence.

6 (c) Charter schools shall employ in instructional

26 program may be conducted and completed at the charter school,

2 or the length of the charter (or any extension of the charter),
3 whichever is longer.
