4 such reimbursement shall be increased by 1/180 of the amount or

7 Notwithstanding any other provision of law, any school  
8 district receiving a payment under this Section or under  
9 Section 14-7.02, 14-7.02b, or 29-5 of this Code may classify  
10 all or a portion of the funds that it receives in a particular  
11 fiscal year or from general State aid pursuant to Section  
12 18-8.05 of this Code as funds received in connection with any  
13 funding program for which it is entitled to receive funds from  
14 the State in that fiscal year (including, without limitation,  
15 any funding program referenced in this Section), regardless of  
16 the source or timing of the receipt. The district may not  
17 classify more funds as funds received in connection with the  
18 funding program than the district is entitled to receive in  
19 that fiscal year for that program. Any classification by a  
20 district must be made by a resolution of its board of  
21 education. The resolution must identify the amount of any  
22 payments or general State aid to be classified under this  
23 paragraph and must specify the funding program to which the  
24 funds are to be treated as received in connection therewith.  
25 This resolution is controlling as to the classification of  
26 funds referenced therein. A certified copy of the resolution

1 must be sent to the State Superintendent of Education. The  
2 resolution shall still take effect even though a copy of the  
3 resolution has not been sent to the State Superintendent of  
4 Education in a timely manner. No classification under this  
5 paragraph by a district shall affect the total amount or timing  
6 of money the district is entitled to receive under this Code.  
7 No classification under this paragraph by a district shall in  
8 any way relieve the district from or affect any requirements  
9 that otherwise would apply with respect to that funding  
10 program, including any accounting of funds by source, reporting  
11 expenditures by original source and purpose, reporting  
12 requirements, or requirements of providing services.
