AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

ARTICLE 5

Section 5-1. Short title. This Act may be cited as the Reciprocal Tax Collection Act.

Section 5-5. Collection of tax liabilities of other states and the District of Columbia.

(a) Definitions. For purposes of this Section:

(1) "Taxpayer" means any person identified by a claimant state under this Section as owing taxes to a claimant state.

(2) "Claimant state" means any other state of the United States or the District of Columbia with whom the Director has entered an agreement for reciprocal collection of taxes under Section 2505-640 of the Department of Revenue Law of the Civil Administrative Code of Illinois.

(3) "Taxes" means any amount of tax imposed under the laws of the claimant state or any political subdivision of the claimant state, including additions to tax for penalties and interest, that is finally due and payable to
the claimant state by a taxpayer, and with respect to which all administrative or judicial remedies, other than a claim for refund of amounts collected in payment of the tax, have been exhausted or have lapsed, and that is legally enforceable under the laws of the claimant state against the taxpayer, whether or not there is an outstanding judgment for that sum.

(4) "Tax officer" means a unit or official of a claimant state, or the duly authorized agent of that unit or official, charged with the imposition, assessment, or collection of taxes of that state.

(5) "Director" means the Illinois Director of Revenue.

(b) Request of claimant state for collection.

(1) Upon the request and certification of the tax officer of a claimant state to the Director that a taxpayer owes taxes to that claimant state, the Director may collect those taxes, using all legal authority available to the Department of Revenue to collect debt, and shall deposit the amounts collected into the Reciprocal Tax Collection Fund and order payment to the claimant state under Section 5-10 of this Act.

(2) The certification shall include:

(A) the full name and address of the taxpayer;

(B) the taxpayer's Social Security number or federal employer identification number;

(C) the amount of the tax for the taxable period
sought to be collected, including a detailed statement
for each taxable period showing tax, interest, and
penalty;

(D) a statement whether the taxpayer filed a tax
return with the claimant state for the tax, and, if so,
whether that tax return was filed under protest; and

(E) a statement that all administrative or
judicial remedies, other than a claim for refund of
amounts collected in payment of the tax, have been
exhausted or have lapsed and that the amount of taxes
is legally enforceable under the laws of that state
against the taxpayer.

(3) Upon receipt by the Director of the required
certification, the Director shall notify the taxpayer by
first-class mail to the taxpayer's last-known address that
the Director has received a request from the claimant state
to collect taxes from the taxpayer, that the taxpayer has
the right to protest the collection of those taxes by the
Director for the claimant state, that failure to file a
protest in accordance with item (4) of subsection (b) of
this Section shall constitute a waiver of any demand
against this State on account of the collection of those
taxes and that the amount, upon collection, will be paid
over to the claimant state. The notice shall include a copy
of the certification by the tax officer of the claimant
state. Sixty days after the date on which it is mailed, a
notice under this subsection shall be final except only for such amounts as to which the taxpayer has filed, as provided in item (4) of subsection (b) of this Section, a written protest with the Director.

(4) Any taxpayer notified in accordance with item (3) of subsection (b) of this Section may, on or before the 60th day after the mailing of the notice by the Director, protest the collection of all or a portion of such taxes by filing with the Director a written protest in which the taxpayer shall set forth the grounds on which the protest is based. If a timely protest is filed, the Director shall refrain from collecting the taxes and shall send a copy of the protest to the claimant state for determination of the protest on its merits in accordance with the laws of that state. In the case of a taxpayer that did not file a tax return for the tax for the taxable period sought to be collected and where the amount of taxes owed to the claimant state is based on an assessment made against the taxpayer by the tax officer of the claimant state, and where the taxpayer has filed a timely protest under this subsection, the Director shall require the claimant state to certify that the assessment was contested before and adjudicated by an administrative or judicial tribunal of competent jurisdiction in the claimant state. If the Director is satisfied that the taxpayer's written protest is based on a bona fide contention that the claimant state
did not have jurisdiction to tax the taxpayer, the Director shall require the claimant state to certify that the assessment was contested before and adjudicated by a judicial tribunal of competent jurisdiction in the claimant state. If the claimant state fails, on or before the 45th day after the sending of the copy of the protest by the Director to the claimant state, to certify to the Director that the claimant state has reviewed the stated grounds on which the protest is based, and to renew the certification described in item (2) of subsection (b) of this Section, the Director shall not collect the taxes. If the certifications are made within that time period, and if the Director is satisfied that the certifications are true, accurate, and complete, the Director shall collect the tax.

Section 5-10. Expenditures from the Reciprocal Tax Collection Fund.

(a) The Director shall order paid and the State Comptroller shall pay from the Reciprocal Tax Collection Fund to the claimant state the amount of taxes certified by the Director to the Comptroller as collected under this Act on behalf of the claimant state pursuant to a request under subsection (b) of Section 5-5 of this Act.

(b) This Act shall constitute an irrevocable and continuing appropriation from the Reciprocal Tax Collection Fund for the purpose of paying amounts collected to claimant states upon the
order of the Director in accordance with the provisions of this Section.

Section 5-15. Effect of payment to claimant state. Upon payment to a claimant state of an amount certified in a request for collection under subsection (b) of Section 5-5 of this Act, the Director and this State shall be discharged of any obligation or liability to a taxpayer with respect to the amounts collected from the taxpayer and paid to the claimant state pursuant to this Act. Any action for refund of those amounts shall lie only against the claimant state.

Section 5-90. The Department of Revenue Law of the Civil Administrative Code of Illinois is amended by adding Section 2505-640 as follows:

(20 ILCS 2505/2505-640 new)

Sec. 2505-640. Collection of taxes of other states.

(a) The Department may enter into agreements with any other state for the reciprocal collection by the Department pursuant to the Reciprocal Tax Collection Act of taxes owed to that state and collection by the other state pursuant to a provision of its law similar to the Reciprocal Tax Collection Act of taxes owed to this State.

(b) An agreement under this Section shall contain provisions relating to:
(1) safeguards against the disclosure or inappropriate
use of any information that identifies, directly or
indirectly, a particular taxpayer obtained or maintained
pursuant to the agreement, or that is required to be kept
confidential under the applicable laws of either state or
of the United States; and

(2) a minimum threshold for the amount of taxes owed by
a taxpayer to a state that would trigger the operation of
the agreement.

Section 5-95. The State Finance Act is amended by adding
Section 5.756 as follows:

(30 ILCS 105/5.756 new)

Sec. 5.756. The Reciprocal Tax Collection Fund.

ARTICLE 10

Section 10-5. The Illinois State Collection Act of 1986 is
amended by adding Section 9 and by changing Section 10 as
follows:

(30 ILCS 210/9 new)

Sec. 9. Collection agency fees. Except where prohibited by
federal law or regulation, in the case of any liability
referred to a collection agency on or after July 1, 2010, any
fee charged to the State by the collection agency (i) may not exceed 25% of the liability referred to the collection agency unless the liability is for a tax debt, (ii) is considered an additional liability owed to the State, (iii) is immediately subject to all collection procedures applicable to the liability referred to the collection agency, and (iv) must be separately stated in any statement or notice of the liability issued by the collection agency to the debtor.

(30 ILCS 210/10)

Sec. 10. Department of Revenue Debt Collection Bureau to assume collection duties.

(a) The Department of Revenue's Debt Collection Bureau shall serve as the primary debt collecting entity for the State and in that role shall collect debts on behalf of agencies of the State. All debts owed the State of Illinois shall be referred to the Bureau, subject to such limitations as the Department of Revenue shall by rule establish. The Bureau shall utilize the Comptroller's offset system and private collection agencies, as well as its own collections personnel. The Bureau shall collect debt using all legal authority available to the Department of Revenue to collect debt and all legal authority available to the referring agency.

(b) The Bureau shall have the sole authority to let contracts with persons specializing in debt collection for the collection of debt referred to and accepted by the Bureau. Any
contract with the debt collector shall specify that the collector's fee shall be on a contingency basis and that the debt collector shall not be entitled to collect a contingency fee for any debt collected through the efforts of any State offset system.

(c) The Department of Revenue shall adopt rules for the certification of debt from referring agencies and shall adopt rules for the certification of collection specialists to be employed by the Bureau.

(d) The Department of Revenue shall adopt rules for determining when a debt referred by an agency shall be deemed by the Bureau to be uncollectible.

(e) Once an agency's debt is deemed by the Bureau to be uncollectible, the Bureau shall return the debt to the referring agency which shall then write the debt off as uncollectible in accordance with the requirements of the Uncollected State Claims Act or return the debt to the Bureau for additional collection efforts. The Bureau shall refuse to accept debt that has been deemed uncollectible absent factual assertions from the referring agency that due to circumstances not known at the time the debt was deemed uncollectible that the debt is worthy of additional collection efforts.

(f) For each debt referred, the State agency shall retain all documents and records relating to or supporting the debt. In the event a debtor shall raise a reasonable doubt as to the validity of the debt, the Bureau may in its discretion refer
the debt back to the referring agency for further review and recommendation.

(g) The Department of Healthcare and Family Services shall be exempt from the requirements of this Section with regard to child support debts, the collection of which is governed by the requirements of Title IV, Part D of the federal Social Security Act. The Department of Healthcare and Family Services may refer child support debts to the Bureau, provided that the debt satisfies the requirements for referral of delinquent debt as established by rule by the Department of Revenue. The Bureau shall use all legal means available to collect child support debt, including those authorizing the Department of Revenue to collect debt and those authorizing the Department of Healthcare and Family Services to collect debt. All such referred debt shall remain an obligation under the Department of Healthcare and Family Services' Child Support Enforcement Program subject to the requirements of Title IV, Part D of the federal Social Security Act, including the continued use of federally mandated enforcement remedies and techniques by the Department of Healthcare and Family Services.

(g-1) The Department of Employment Security is exempt from subsection (a) with regard to debts to any federal account, including but not limited to the Unemployment Trust Fund, and penalties and interest assessed under the Unemployment Insurance Act. The Department of Employment Security may refer those debts to the Bureau, provided the debt satisfies the
requirements for referral of delinquent debt as established by rule by the Department of Revenue. The Bureau shall use all legal means available to collect the debts, including those authorizing the Department of Revenue to collect debt and those authorizing the Department of Employment Security to collect debt. All referred debt shall remain an obligation to the account to which it is owed.

(h) The Bureau may collect its costs of collecting debts on behalf of other State agencies from those agencies in a manner to be determined by the Director of Revenue, except that the Bureau shall not recover any such cost on any accounts referred by the General Assembly, the Supreme Court and other courts of this State, and the State executive branch constitutional officers. The Debt Collection Fund is created as a special fund in the State treasury. Debt collection contractors under this Act shall receive a contingency fee as provided by the terms of their contracts with the Department of Revenue. Thereafter, 20% of all amounts collected by the Bureau, excluding amounts collected on behalf of the Departments of Healthcare and Family Services (formerly Public Aid) and Revenue, shall be deposited into the Debt Collection Fund, except that the Bureau shall not impose the 20% collection fee on any accounts referred by the General Assembly, the Supreme Court and several courts of this State, and the State executive branch constitutional officers. All remaining amounts collected shall be deposited into the General Revenue Fund unless the funds are owed to any State
fund or funds other than the General Revenue Fund. Moneys in
the Debt Collection Fund shall be appropriated only for the
administrative costs of the Bureau. On the last day of each
fiscal year, unappropriated moneys and moneys otherwise deemed
unnecessary for the next fiscal year remaining in the Debt
Collection Fund may be transferred into the General Revenue
Fund at the Governor's reasonable discretion. The provisions of
this subsection do not apply to debt that is exempt from
subsection (a) pursuant to subsection (g-1) or child support
debt referred to the Bureau by the Department of Healthcare and
Family Services (formerly Department of Public Aid) pursuant to
this amendatory Act of the 93rd General Assembly. Collections
arising from referrals from the Department of Healthcare and
Family Services (formerly Department of Public Aid) shall be
deposited into such fund or funds as the Department of
Healthcare and Family Services shall direct, in accordance with
the requirements of Title IV, Part D of the federal Social
Security Act, applicable provisions of State law, and the rules
of the Department of Healthcare and Family Services.
Collections arising from referrals from the Department of
Employment Security shall be deposited into the fund or funds
that the Department of Employment Security shall direct, in
accordance with the requirements of Section 3304(a)(3) of the
federal Unemployment Tax Act, Section 303(a)(4) of the federal

(i) The Attorney General and the State Comptroller may
assist in the debt collection efforts of the Bureau, as requested by the Department of Revenue.

(j) The Director of Revenue shall report annually to the General Assembly and State Comptroller upon the debt collection efforts of the Bureau. Each report shall include an analysis of the overdue debts owed to the State.

(k) The Department of Revenue shall adopt rules and procedures for the administration of this amendatory Act of the 93rd General Assembly. The rules shall be adopted under the Department of Revenue's emergency rulemaking authority within 90 days following the effective date of this amendatory Act of the 93rd General Assembly due to the budget crisis threatening the public interest.

(l) The Department of Revenue's Debt Collection Bureau's obligations under this Section 10 shall be subject to appropriation by the General Assembly.

Section 10-10. The Retailers' Occupation Tax Act is amended by changing Section 5 as follows:

(35 ILCS 120/5) (from Ch. 120, par. 444)

Sec. 5. In case any person engaged in the business of selling tangible personal property at retail fails to file a return when and as herein required, but thereafter, prior to the Department's issuance of a notice of tax liability under
this Section, files a return and pays the tax, he shall also
pay a penalty in an amount determined in accordance with
Section 3-3 of the Uniform Penalty and Interest Act.

In case any person engaged in the business of selling
tangible personal property at retail files the return at the
time required by this Act but fails to pay the tax, or any part
thereof, when due, a penalty in an amount determined in
accordance with Section 3-3 of the Uniform Penalty and Interest
Act shall be added thereto.

In case any person engaged in the business of selling
tangible personal property at retail fails to file a return
when and as herein required, but thereafter, prior to the
Department's issuance of a notice of tax liability under this
Section, files a return but fails to pay the entire tax, a
penalty in an amount determined in accordance with Section 3-3
of the Uniform Penalty and Interest Act shall be added thereto.

In case any person engaged in the business of selling
tangible personal property at retail fails to file a return,
the Department shall determine the amount of tax due from him
according to its best judgment and information, which amount so
fixed by the Department shall be prima facie correct and shall
be prima facie evidence of the correctness of the amount of tax
due, as shown in such determination. In making any such
determination of tax due, it shall be permissible for the
Department to show a figure that represents the tax due for any
given period of 6 months instead of showing the amount of tax
due for each month separately. Proof of such determination by the Department may be made at any hearing before the Department or in any legal proceeding by a reproduced copy or computer print-out of the Department's record relating thereto in the name of the Department under the certificate of the Director of Revenue. If reproduced copies of the Department's records are offered as proof of such determination, the Director must certify that those copies are true and exact copies of records on file with the Department. If computer print-outs of the Department's records are offered as proof of such determination, the Director must certify that those computer print-outs are true and exact representations of records properly entered into standard electronic computing equipment, in the regular course of the Department's business, at or reasonably near the time of the occurrence of the facts recorded, from trustworthy and reliable information. Such certified reproduced copy or certified computer print-out shall, without further proof, be admitted into evidence before the Department or in any legal proceeding and shall be prima facie proof of the correctness of the amount of tax due, as shown therein. The Department shall issue the taxpayer a notice of tax liability for the amount of tax claimed by the Department to be due, together with a penalty of 30% thereof.

However, where the failure to file any tax return required under this Act on the date prescribed therefor (including any extensions thereof), is shown to be unintentional and
nonfraudulent and has not occurred in the 2 years immediately
preceding the failure to file on the prescribed date or is due
to other reasonable cause the penalties imposed by this Act
shall not apply.

If such person or the legal representative of such person
files, within 60 days after such notice, a protest to such
notice of tax liability and requests a hearing thereon, the
Department shall give notice to such person or the legal
representative of such person of the time and place fixed for
such hearing, and shall hold a hearing in conformity with the
provisions of this Act, and pursuant thereto shall issue a
final assessment to such person or to the legal representative
of such person for the amount found to be due as a result of
such hearing.

If a protest to the notice of tax liability and a request
for a hearing thereon is not filed within 60 days after such
notice, such notice of tax liability shall become final without
the necessity of a final assessment being issued and shall be
deemed to be a final assessment.

After the issuance of a final assessment, or a notice of
tax liability which becomes final without the necessity of
actually issuing a final assessment as hereinbefore provided,
the Department, at any time before such assessment is reduced
to judgment, may (subject to rules of the Department) grant a
rehearing (or grant departmental review and hold an original
hearing if no previous hearing in the matter has been held)
upon the application of the person aggrieved. Pursuant to such 
hearing or rehearing, the Department shall issue a revised 
final assessment to such person or his legal representative for 
the amount found to be due as a result of such hearing or 
rehearing.

Except in case of failure to file a return, or with the 
consent of the person to whom the notice of tax liability is to 
be issued, no notice of tax liability shall be issued on and 
after each July 1 and January 1 covering gross receipts 
received during any month or period of time more than 3 years 
prior to such July 1 and January 1, respectively, except that 
if a return is not filed at the required time, a notice of tax 
liability may be issued not later than 3 years after the time 
the return is filed. The foregoing limitations upon the 
issuance of a notice of tax liability shall not apply to the 
issuance of any such notice with respect to any period of time 
prior thereto in cases where the Department has, within the 
period of limitation then provided, notified a person of the 
amount of tax computed even though the Department had not 
determined the amount of tax due from such person in the manner 
required herein prior to the issuance of such notice, but in no 
case shall the amount of any such notice of tax liability for 
any period otherwise barred by this Act exceed for such period 
the amount shown in the notice theretofore issued.

If, when a tax or penalty under this Act becomes due and 
payable, the person alleged to be liable therefor is out of the
State, the notice of tax liability may be issued within the
times herein limited after his or her coming into or return to
the State; and if, after the tax or penalty under this Act
becomes due and payable, the person alleged to be liable
therefor departs from and remains out of the State, the time of
his or her absence is no part of the time limited for the
issuance of the notice of tax liability; but the foregoing
provisions concerning absence from the State shall not apply to
any case in which, at the time when a tax or penalty becomes
due under this Act, the person allegedly liable therefor is not
a resident of this State.

The time limitation period on the Department's right to
issue a notice of tax liability shall not run during any period
of time in which the order of any court has the effect of
enjoining or restraining the Department from issuing the notice
of tax liability.

In case of failure to pay the tax, or any portion thereof,
or any penalty provided for in this Act, or interest, when due,
the Department may bring suit to recover the amount of such
tax, or portion thereof, or penalty or interest; or, if the
taxpayer has died or become a person under legal disability,
may file a claim therefor against his estate; provided that no
such suit with respect to any tax, or portion thereof, or
penalty, or interest shall be instituted more than 6 2 years
after the date any proceedings in court for review thereof have
terminated or the time for the taking thereof has expired
without such proceedings being instituted, except with the consent of the person from whom such tax or penalty or interest is due; nor, except with such consent, shall such suit be instituted more than 6 ² years after the date any return is filed with the Department in cases where the return constitutes the basis for the suit for unpaid tax, or portion thereof, or penalty provided for in this Act, or interest: Provided that the time limitation period on the Department's right to bring any such suit shall not run during any period of time in which the order of any court has the effect of enjoining or restraining the Department from bringing such suit.

After the expiration of the period within which the person assessed may file an action for judicial review under the Administrative Review Law without such an action being filed, a certified copy of the final assessment or revised final assessment of the Department may be filed with the Circuit Court of the county in which the taxpayer has his principal place of business, or of Sangamon County in those cases in which the taxpayer does not have his principal place of business in this State. The certified copy of the final assessment or revised final assessment shall be accompanied by a certification which recites facts that are sufficient to show that the Department complied with the jurisdictional requirements of the Act in arriving at its final assessment or its revised final assessment and that the taxpayer had his opportunity for an administrative hearing and for judicial
review, whether he availed himself or herself of either or both of these opportunities or not. If the court is satisfied that the Department complied with the jurisdictional requirements of the Act in arriving at its final assessment or its revised final assessment and that the taxpayer had his opportunity for an administrative hearing and for judicial review, whether he availed himself of either or both of these opportunities or not, the court shall render judgment in favor of the Department and against the taxpayer for the amount shown to be due by the final assessment or the revised final assessment, plus any interest which may be due, and such judgment shall be entered in the judgment docket of the court. Such judgment shall bear the rate of interest as set by the Uniform Penalty and Interest Act, but otherwise shall have the same effect as other judgments. The judgment may be enforced, and all laws applicable to sales for the enforcement of a judgment shall be applicable to sales made under such judgments. The Department shall file the certified copy of its assessment, as herein provided, with the Circuit Court within 2 years after such assessment becomes final except when the taxpayer consents in writing to an extension of such filing period, and except that the time limitation period on the Department's right to file the certified copy of its assessment with the Circuit Court shall not run during any period of time in which the order of any court has the effect of enjoining or restraining the Department from filing such certified copy of its assessment.
with the Circuit Court.

If, when the cause of action for a proceeding in court accrues against a person, he or she is out of the State, the action may be commenced within the times herein limited, after his or her coming into or return to the State; and if, after the cause of action accrues, he or she departs from and remains out of the State, the time of his or her absence is no part of the time limited for the commencement of the action; but the foregoing provisions concerning absence from the State shall not apply to any case in which, at the time the cause of action accrues, the party against whom the cause of action accrues is not a resident of this State. The time within which a court action is to be commenced by the Department hereunder shall not run from the date the taxpayer files a petition in bankruptcy under the Federal Bankruptcy Act until 30 days after notice of termination or expiration of the automatic stay imposed by the Federal Bankruptcy Act.

No claim shall be filed against the estate of any deceased person or any person under legal disability for any tax or penalty or part of either, or interest, except in the manner prescribed and within the time limited by the Probate Act of 1975, as amended.

The collection of tax or penalty or interest by any means provided for herein shall not be a bar to any prosecution under this Act.

In addition to any penalty provided for in this Act, any
amount of tax which is not paid when due shall bear interest at
the rate and in the manner specified in Sections 3-2 and 3-9 of
the Uniform Penalty and Interest Act from the date when such
tax becomes past due until such tax is paid or a judgment
therefor is obtained by the Department. If the time for making
or completing an audit of a taxpayer's books and records is
extended with the taxpayer's consent, at the request of and for
the convenience of the Department, beyond the date on which the
statute of limitations upon the issuance of a notice of tax
liability by the Department otherwise would run, no interest
shall accrue during the period of such extension or until a
Notice of Tax Liability is issued, whichever occurs first.

In addition to any other remedy provided by this Act, and
regardless of whether the Department is making or intends to
make use of such other remedy, where a corporation or limited
liability company registered under this Act violates the
provisions of this Act or of any rule or regulation promulgated
thereunder, the Department may give notice to the Attorney
General of the identity of such a corporation or limited
liability company and of the violations committed by such a
corporation or limited liability company, for such action as is
not already provided for by this Act and as the Attorney
General may deem appropriate.

If the Department determines that an amount of tax or
penalty or interest was incorrectly assessed, whether as the
result of a mistake of fact or an error of law, the Department
shall waive the amount of tax or penalty or interest that
accrued due to the incorrect assessment.

Sec. 2-123. Sale and Distribution of Information.
(a) Except as otherwise provided in this Section, the
Secretary may make the driver's license, vehicle and title
registration lists, in part or in whole, and any statistical
information derived from these lists available to local
governments, elected state officials, state educational
institutions, and all other governmental units of the State and
Federal Government requesting them for governmental purposes.
The Secretary shall require any such applicant for services to
pay for the costs of furnishing such services and the use of

for the use of the electronic equipment utilized.
(b) The Secretary is further empowered to and he may, in
his discretion, furnish to any applicant, other than listed in
subsection (a) of this Section, vehicle or driver data on a

processable medium, or printout at a fixed fee of $250 for
orders received before October 1, 2003 and $500 for orders received on or after October 1, 2003, in advance, and require in addition a further sufficient deposit based upon the Secretary of State's estimate of the total cost of the information requested and a charge of $25 for orders received before October 1, 2003 and $50 for orders received on or after October 1, 2003, per 1,000 units or part thereof identified or the actual cost, whichever is greater. The Secretary is authorized to refund any difference between the additional deposit and the actual cost of the request. This service shall not be in lieu of an abstract of a driver's record nor of a title or registration search. This service may be limited to entities purchasing a minimum number of records as required by administrative rule. The information sold pursuant to this subsection shall be the entire vehicle or driver data list, or part thereof. The information sold pursuant to this subsection shall not contain personally identifying information unless the information is to be used for one of the purposes identified in subsection (f-5) of this Section. data back to the Secretary that enables the Secretary to
maintain accurate driving records, including dispositions of

more often than once every 6 months.

(c) Secretary of State may issue registration lists. The
Secretary of State may compile a list of all registered
vehicles. Each list of registered vehicles shall be arranged
serially according to the registration numbers assigned to
registered vehicles and may contain in addition the names and

discretion of the Secretary of State may seem best for the
purposes intended.

(d) The Secretary of State shall furnish no more than 2
current available lists of such registrations to the sheriffs
of all counties and to the chiefs of police of all cities and
villages and towns of 2,000 population and over in this State

The written application shall set forth the intended use of the requested information. No fee shall be charged for a title or registration search, or for the certification thereof requested by a government agency. The report of the title or registration search shall not contain personally identifying information unless the request for a search was made for one of the purposes identified in subsection (f-5) of this Section. The report of the title or registration search shall not contain highly restricted personal information unless specifically authorized by this Code.

The Secretary of State shall certify a title or registration record upon written request. The fee for certification shall be $5 in addition to the fee required for a title or registration search. Certification shall be made under the signature of the Secretary of State and shall be authenticated by Seal of the Secretary of State.

The Secretary of State may notify the vehicle owner or registrant of the request for purchase of his title or registration information as the Secretary deems appropriate.
