96TH GENERAL ASSEMBLY

State of Illinois

2009 and 2010

SB1946

Introduced 2/20/2009, by Sen. Kwame Raoul

SYNOPSIS AS INTRODUCED:

40 ILCS 5/14-103.12

from Ch. 108 1/2, par. 14-103.12

Amends the State Employee Article of the Illinois Pension Code. In provisions concerning final average compensation, provides that for a member on leave of absence without pay who purchases service credit for that period of leave, earnings are assumed to be equal to the rate of compensation in effect immediately prior to the leave. Provides that, if no contributions are required to establish service credit for the period of leave, the member may elect to establish earnings credit for the leave period within 48 months after returning to work by making the employee and employer contributions, plus interest at the actuarially assumed rate. Effective immediately.

AN ACT concerning public employee benefits.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Illinois Pension Code is amended by changing
Section 14-103.12 as follows:

6 (40 ILCS 5/14-103.12) (from Ch. 108 1/2, par. 14-103.12)

Sec. 14-103.12. Final average compensation.

(a) For retirement and survivor annuities, "final average 8 9 compensation" means the monthly compensation obtained by dividing the total compensation of an employee during the 10 period of: (1) the 48 consecutive months of service within the 11 last 120 months of service in which the total compensation was 12 the highest, or (2) the total period of service, if less than 13 14 48 months, by the number of months of service in such period; provided that for purposes of a retirement annuity the average 15 16 compensation for the last 12 months of the 48-month period 17 shall not exceed the final average compensation by more than 25%. 18

(b) For death and disability benefits, in the case of a full-time employee, "final average compensation" means the greater of (1) the rate of compensation of the employee at the date of death or disability multiplied by 1 in the case of a salaried employee, by 174 in the case of an hourly employee, 1 and by 22 in the case of a per diem employee, or (2) for 2 benefits commencing on or after January 1, 1991, final average 3 compensation as determined under subsection (a).

For purposes of this paragraph, full or part-time status shall be certified by the employing agency. Final rate of compensation for a part-time employee shall be the total compensation earned during the last full calendar month prior to the date of death or disability.

9 (c) Notwithstanding the provisions of subsection (a), for 10 the purpose of calculating retirement and survivor annuities of 11 persons with at least 20 years of eligible creditable service 12 as defined in Section 14-110, "final average compensation" means the monthly rate of compensation received by the person 13 14 on the last day of eligible creditable service (but not to 15 exceed 115% of the average monthly compensation received by the 16 person for the last 24 months of service, unless the person was 17 in service as a State policeman before the effective date of amendatory Act of 1997), or the average monthly 18 this compensation received by the person for the last 48 months of 19 20 service prior to retirement, whichever is greater.

(d) Notwithstanding the provisions of subsection (a), for a person who was receiving, on the date of retirement or death, a disability benefit calculated under subdivision (b)(2) of this Section, the final average compensation used to calculate the disability benefit may be used for purposes of calculating the retirement and survivor annuities.

3 (f) The changes to this Section made by this amendatory Act 4 of 1997 (redefining final average compensation for members 5 under the alternative formula) apply to members who retire on 6 or after January 1, 1998, without regard to whether employment 7 terminated before the effective date of this amendatory Act of 8 1997.

9 (g) For a member on leave of absence without pay who purchases service credit for such period of leave pursuant to 10 11 subsection (1) of Section 14-104, earnings are assumed to be 12 equal to the rate of compensation in effect immediately prior 13 to the leave. If no contributions are required to establish service credit for the period of leave, the member may elect to 14 establish earnings credit for the leave period within 48 months 15 16 after returning to work by making the employee and employer 17 contributions required by subsection (1) of Section 14-104, based on the rate of compensation in effect immediately prior 18 19 to the leave, plus interest at the actuarially assumed rate. In 20 determining the contributions required for establishing service credit under this subsection (g), the interest shall be 21 22 calculated from the beginning of the leave of absence to the 23 date of payment, unless the member establishes this earnings credit within 90 days after returning to work, in which case no 24 25 interest is required.
