AN ACT concerning health facilities.

## 2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Emergency Medical Services (EMS) Systems Act
is amended by changing Section 3.225 as follows:

6 (210 ILCS 50/3.225)

7 Sec. 3.225. Trauma Center Fund.

8 (a) The Department shall distribute 97.5% of 50% of the 9 moneys deposited into the Trauma Center Fund, a special fund in 10 the State Treasury, to Illinois hospitals that are designated 11 as trauma centers. The payments to those hospitals shall be in 12 addition to any other payments paid and shall be in an amount 13 calculated under paragraph (b) of this Section.

(b) Trauma payment calculation.

(1) The Department shall implement an accounting
system to ensure that the moneys in the fund are
distributed.

18 (2) The moneys in the fund shall be allocated 19 proportionately to each EMS region so that the EMS region 20 receives the moneys collected from within its region for 21 violations of laws or ordinances regulating the movement of 22 traffic. <u>Under no circumstance shall money collected</u> 23 within one EMS region be redirected to another EMS region. HB1391 Engrossed

(3) The formula for distribution to individual 1 2 hospitals shall be based on factors identified in rules adopted by the Department pursuant to this Act. No moneys 3 4 may be distributed to a trauma center located outside of 5 the State. 6 (4) If money collected from an EMS region cannot be 7 distributed to any trauma center in that EMS region because 8 the trauma center is located outside of the State, then the 9 Department shall distribute the money to hospitals in the 10 EMS region for the provision of emergency services. 11 (c) The Department may retain 2.5% of 50% of the moneys in 12 the Trauma Center Fund to defray the cost of administering the 13 distributions.
