

1 AN ACT concerning insurance.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Comprehensive Health Insurance Plan Act is  
5 amended by changing Section 8 as follows:

6 (215 ILCS 105/8) (from Ch. 73, par. 1308)

7 Sec. 8. Minimum benefits.

8 a. Availability. The Plan shall offer in a periodically  
9 renewable policy major medical expense coverage to every  
10 eligible person who is not eligible for Medicare. Major medical  
11 expense coverage offered by the Plan shall pay an eligible  
12 person's covered expenses, subject to limit on the deductible  
13 and coinsurance payments authorized under paragraph (4) of  
14 subsection d of this Section, up to a lifetime benefit limit of  
15 \$5,000,000. The maximum limit under this subsection shall not  
16 be altered by the Board, and no actuarial equivalent benefit  
17 may be substituted by the Board. Any person who otherwise would  
18 qualify for coverage under the Plan, but is excluded because he  
19 or she is eligible for Medicare, shall be eligible for any  
20 separate Medicare supplement policy or policies which the Board  
21 may offer.

22 b. Outline of benefits. Covered expenses shall be limited  
23 to the usual and customary charge, including negotiated fees,

1 in the locality for the following services and articles when  
2 prescribed by a physician and determined by the Plan to be  
3 medically necessary for the following areas of services,  
4 subject to such separate deductibles, co-payments, exclusions,  
5 and other limitations on benefits as the Board shall establish  
6 and approve, and the other provisions of this Section:

7 (1) Hospital services, except that any services  
8 provided by a hospital that is located more than 75 miles  
9 outside the State of Illinois shall be covered only for a  
10 maximum of 45 days in any calendar year. With respect to  
11 covered expenses incurred during any calendar year ending  
12 on or after December 31, 1999, inpatient hospitalization of  
13 an eligible person for the treatment of mental illness at a

15 subject to the same terms and conditions as for any other  
16 illness.

17 (2) Professional services for the diagnosis or  
18 treatment of injuries, illnesses or conditions, other than

22 This includes reconstruction of the breast on which a  
23 mastectomy was performed; surgery and reconstruction of

12 of a prescription drug card or any other program, or both.

14 nursing facility for not more than 120 days during a policy

26 amounts as are established by the Board.

2 Board that are performed at a hospital designated by the  
3 Board as a participating transplant center for that  
4 specific organ or tissue transplant.

6 a licensed naprapathic practitioner.

7           c. Exclusions. Covered expenses of the Plan shall not  
8 include the following:

9           (1) Any charge for treatment for cosmetic purposes

4 supplies that are: (i) not provided in accord with  
5 generally accepted standards of current medical practice;  
6 (ii) for procedures, treatments, equipment, transplants,  
7 or implants, any of which are investigational,  
8 experimental, or for research purposes; (iii)  
9 investigative and not proven safe and effective; or (iv)  
10 for, or resulting from, a gender transformation operation.

12 ~~examinations or tests except as provided in item (2.5) of~~  
13 ~~subsection b of this Section.~~

14 (16) Any expense for which a charge is not made in the  
15 absence of insurance or for which there is no legal

9           sterilization reversals.

10          (21) Any expense or charge for weight loss programs,

26          effectiveness, and are awaiting endorsement by the

1 appropriate national medical speciality college for  
2 general use within the medical community.

3 d. Deductibles and coinsurance.

4 The Plan coverage defined in Section 6 shall provide for a  
5 choice of deductibles per individual as authorized by the  
6 Board. If 2 individual members of the same family household,  
7 who are both covered persons under the Plan, satisfy the same  
8 applicable deductibles, no other member of that family who is  
9 also a covered person under the Plan shall be required to meet  
10 any deductibles for the balance of that calendar year. The  
11 deductibles must be applied first to the authorized amount of  
12 covered expenses incurred by the covered person. A mandatory  
13 coinsurance requirement shall be imposed at the rate authorized  
14 by the Board in excess of the mandatory deductible, the  
15 coinsurance in the aggregate not to exceed such amounts as are  
16 authorized by the Board per annum. At its discretion the Board  
17 may, however, offer catastrophic coverages or other policies  
18 that provide for larger deductibles with or without coinsurance  
19 requirements. The deductibles and coinsurance factors may be  
20 adjusted annually according to the Medical Component of the  
21 Consumer Price Index.

22 e. Scope of coverage.

23 (1) In approving any of the benefit plans to be offered  
24 by the Plan, the Board shall establish such benefit levels,  
25 deductibles, coinsurance factors, exclusions, and  
26 limitations as it may deem appropriate and that it believes

1 to be generally reflective of and commensurate with health  
2 insurance coverage that is provided in the individual  
3 market in this State.

4 (2) The benefit plans approved by the Board may also  
5 provide for and employ various cost containment measures  
6 and other requirements including, but not limited to,  
7 preadmission certification, prior approval, second  
8 surgical opinions, concurrent utilization review programs,  
9 individual case management, preferred provider  
10 organizations, health maintenance organizations, and other  
11 cost effective arrangements for paying for covered  
12 expenses.

13 f. Preexisting conditions.

14 (1) Except for federally eligible individuals  
15 qualifying for Plan coverage under Section 15 of this Act  
16 or eligible persons who qualify for the waiver authorized  
17 in paragraph (3) of this subsection, plan coverage shall  
18 exclude charges or expenses incurred during the first 6  
19 months following the effective date of coverage as to any  
20 condition for which medical advice, care or treatment was  
21 recommended or received during the 6 month period  
22 immediately preceding the effective date of coverage.

23 (2) (Blank).

24 (3) Waiver: The preexisting condition exclusions as  
25 set forth in paragraph (1) of this subsection shall be  
26 waived to the extent to which the eligible person (a) has

1 satisfied similar exclusions under any prior individual  
2 health insurance policy that was involuntarily terminated  
3 because of the insolvency of the issuer of the policy and  
4 (b) has applied for Plan coverage within 90 days following  
5 the involuntary termination of that individual health  
6 insurance coverage.

7 (4) Waiver: The preexisting condition exclusions as  
8 set forth in paragraph (1) of this subsection shall be  
9 waived to the extent to which the eligible person (a) has  
10 satisfied the exclusion under prior Comprehensive Health  
11 Insurance Plan coverage that was involuntarily terminated  
12 because of meeting a lower lifetime benefit limit and (b)  
13 has reapplied for Plan coverage within 90 days following an  
14 increase in the lifetime benefit limit set forth in Section  
15 8 of this Act.

16 g. Other sources primary; nonduplication of benefits.

17 (1) The Plan shall be the last payor of benefits  
18 whenever any other benefit or source of third party payment  
19 is available. Subject to the provisions of subsection e of  
20 Section 7, benefits otherwise payable under Plan coverage  
21 shall be reduced by all amounts paid or payable by Medicare  
22 or any other government program or through any health  
23 insurance coverage or group health plan, whether by  
24 insurance, reimbursement, or otherwise, or through any  
25 third party liability, settlement, judgment, or award,  
26 regardless of the date of the settlement, judgment, or

1 award, whether the settlement, judgment, or award is in the  
2 form of a contract, agreement, or trust on behalf of a  
3 minor or otherwise and whether the settlement, judgment, or  
4 award is payable to the covered person, his or her  
5 dependent, estate, personal representative, or guardian in  
6 a lump sum or over time, and by all hospital or medical  
7 expense benefits paid or payable under any worker's  
8 compensation coverage, automobile medical payment, or  
9 liability insurance, whether provided on the basis of fault  
10 or nonfault, and by any hospital or medical benefits paid  
11 or payable under or provided pursuant to any State or  
12 federal law or program.

13 (2) The Plan shall have a cause of action against any  
14 covered person or any other person or entity for the  
15 recovery of any amount paid to the extent the amount was  
16 for treatment, services, or supplies not covered in this  
17 Section or in excess of benefits as set forth in this  
18 Section.

19 (3) Whenever benefits are due from the Plan because of  
20 sickness or an injury to a covered person resulting from a  
21 third party's wrongful act or negligence and the covered  
22 person has recovered or may recover damages from a third  
23 party or its insurer, the Plan shall have the right to  
24 reduce benefits or to refuse to pay benefits that otherwise  
25 may be payable by the amount of damages that the covered  
26 person has recovered or may recover regardless of the date

1 of the sickness or injury or the date of any settlement,  
2 judgment, or award resulting from that sickness or injury.

3 During the pendency of any action or claim that is  
4 brought by or on behalf of a covered person against a third  
5 party or its insurer, any benefits that would otherwise be  
6 payable except for the provisions of this paragraph (3)  
7 shall be paid if payment by or for the third party has not  
8 yet been made and the covered person or, if incapable, that  
9 person's legal representative agrees in writing to pay back  
10 promptly the benefits paid as a result of the sickness or  
11 injury to the extent of any future payments made by or for  
12 the third party for the sickness or injury. This agreement  
13 is to apply whether or not liability for the payments is  
14 established or admitted by the third party or whether those  
15 payments are itemized.

16 Any amounts due the plan to repay benefits may be  
17 deducted from other benefits payable by the Plan after  
18 payments by or for the third party are made.

19 (4) Benefits due from the Plan may be reduced or  
20 refused as an offset against any amount otherwise  
21 recoverable under this Section.

22 h. Right of subrogation; recoveries.

23 (1) Whenever the Plan has paid benefits because of  
24 sickness or an injury to any covered person resulting from  
25 a third party's wrongful act or negligence, or for which an  
26 insurer is liable in accordance with the provisions of any

1 policy of insurance, and the covered person has recovered  
2 or may recover damages from a third party that is liable  
3 for the damages, the Plan shall have the right to recover  
4 the benefits it paid from any amounts that the covered  
5 person has received or may receive regardless of the date  
6 of the sickness or injury or the date of any settlement,  
7 judgment, or award resulting from that sickness or injury.  
8 The Plan shall be subrogated to any right of recovery the  
9 covered person may have under the terms of any private or  
10 public health care coverage or liability coverage,  
11 including coverage under the Workers' Compensation Act or  
12 the Workers' Occupational Diseases Act, without the  
13 necessity of assignment of claim or other authorization to  
14 secure the right of recovery. To enforce its subrogation  
15 right, the Plan may (i) intervene or join in an action or  
16 proceeding brought by the covered person or his personal  
17 representative, including his guardian, conservator,  
18 estate, dependents, or survivors, against any third party  
19 or the third party's insurer that may be liable or (ii)  
20 institute and prosecute legal proceedings against any  
21 third party or the third party's insurer that may be liable  
22 for the sickness or injury in an appropriate court either  
23 in the name of the Plan or in the name of the covered  
24 person or his personal representative, including his  
25 guardian, conservator, estate, dependents, or survivors.

26 (2) If any action or claim is brought by or on behalf

1 of a covered person against a third party or the third  
2 party's insurer, the covered person or his personal  
3 representative, including his guardian, conservator,  
4 estate, dependents, or survivors, shall notify the Plan by  
5 personal service or registered mail of the action or claim  
6 and of the name of the court in which the action or claim  
7 is brought, filing proof thereof in the action or claim.  
8 The Plan may, at any time thereafter, join in the action or  
9 claim upon its motion so that all orders of court after  
10 hearing and judgment shall be made for its protection. No  
11 release or settlement of a claim for damages and no  
12 satisfaction of judgment in the action shall be valid  
13 without the written consent of the Plan to the extent of  
14 its interest in the settlement or judgment and of the  
15 covered person or his personal representative.

16 (3) In the event that the covered person or his  
17 personal representative fails to institute a proceeding  
18 against any appropriate third party before the fifth month  
19 before the action would be barred, the Plan may, in its own  
20 name or in the name of the covered person or personal  
21 representative, commence a proceeding against any  
22 appropriate third party for the recovery of damages on  
23 account of any sickness, injury, or death to the covered  
24 person. The covered person shall cooperate in doing what is  
25 reasonably necessary to assist the Plan in any recovery and  
26 shall not take any action that would prejudice the Plan's

1 right to recovery. The Plan shall pay to the covered person  
2 or his personal representative all sums collected from any  
3 third party by judgment or otherwise in excess of amounts  
4 paid in benefits under the Plan and amounts paid or to be  
5 paid as costs, attorneys fees, and reasonable expenses  
6 incurred by the Plan in making the collection or enforcing  
7 the judgment.

8 (4) In the event that a covered person or his personal  
9 representative, including his guardian, conservator,  
10 estate, dependents, or survivors, recovers damages from a  
11 third party for sickness or injury caused to the covered  
12 person, the covered person or the personal representative  
13 shall pay to the Plan from the damages recovered the amount  
14 of benefits paid or to be paid on behalf of the covered  
15 person.

16 (5) When the action or claim is brought by the covered  
17 person alone and the covered person incurs a personal  
18 liability to pay attorney's fees and costs of litigation,  
19 the Plan's claim for reimbursement of the benefits provided  
20 to the covered person shall be the full amount of benefits  
21 paid to or on behalf of the covered person under this Act  
22 less a pro rata share that represents the Plan's reasonable  
23 share of attorney's fees paid by the covered person and  
24 that portion of the cost of litigation expenses determined  
25 by multiplying by the ratio of the full amount of the  
26 expenditures to the full amount of the judgement, award, or

1 settlement.

2 (6) In the event of judgment or award in a suit or  
3 claim against a third party or insurer, the court shall  
4 first order paid from any judgement or award the reasonable  
5 litigation expenses incurred in preparation and  
6 prosecution of the action or claim, together with  
7 reasonable attorney's fees. After payment of those  
8 expenses and attorney's fees, the court shall apply out of  
9 the balance of the judgment or award an amount sufficient  
10 to reimburse the Plan the full amount of benefits paid on  
11 behalf of the covered person under this Act, provided the  
12 court may reduce and apportion the Plan's portion of the  
13 judgement proportionate to the recovery of the covered  
14 person. The burden of producing evidence sufficient to  
15 support the exercise by the court of its discretion to  
16 reduce the amount of a proven charge sought to be enforced  
17 against the recovery shall rest with the party seeking the  
18 reduction. The court may consider the nature and extent of  
19 the injury, economic and non-economic loss, settlement  
20 offers, comparative negligence as it applies to the case at  
21 hand, hospital costs, physician costs, and all other  
22 appropriate costs. The Plan shall pay its pro rata share of  
23 the attorney fees based on the Plan's recovery as it  
24 compares to the total judgment. Any reimbursement rights of  
25 the Plan shall take priority over all other liens and  
26 charges existing under the laws of this State with the

1           exception of any attorney liens filed under the Attorneys  
2           Lien Act.

3           (7) The Plan may compromise or settle and release any  
4           claim for benefits provided under this Act or waive any  
5           claims for benefits, in whole or in part, for the  
6           convenience of the Plan or if the Plan determines that  
7           collection would result in undue hardship upon the covered  
8           person.
