5 Practices Act is amended by changing Section 2RR as follows:

6 (815 ILCS 505/2RR)

16 card required for the individual to access products or

1 services provided by the person or entity, or on a

8 (3) Require an individual to transmit his or her social
9 security number over the Internet, unless the connection is

14 authentication device is also required to access the

16 (5) Print an individual's social security number on any
17 materials that are mailed to the individual, unless State
18 or federal law requires the social security number to be on

21 be included in applications and forms sent by mail,
22 including documents sent as part of an application or
23 enrollment process or to establish, amend, or terminate an
24 account, contract, or policy or to confirm the accuracy of

1 printed, in whole or in part, on a postcard or other mailer
2 that does not require an envelope or be visible on an
3 envelope or visible without the envelope having been
4 opened.

11 continuous. If the use is stopped for any reason,
12 subsection (a) shall apply.

15 stop the use of his or her social security number in a
16 manner prohibited by subsection (a).

17 A written request by an individual to stop the use of his
18 or her social security number in a manner prohibited by
19 subsection (a) shall be implemented within 30 days of the

22 an individual because the individual makes such a written
23 request.

24 (c) This Section does not apply to the collection, use, or
25 release of a social security number as required by State or
26 federal law or the use of a social security number for internal

1 verification or administrative purposes. This Section does not
2 apply to the collection, use, or release of a social security
3 number by the State, a subdivision of the State, or an
4 individual in the employ of the State or a subdivision of the
5 State in connection with his or her official duties.

6 (d) This Section does not apply to documents that are
7 recorded or required to be open to the public under State or
