8 life-threatening injury of child.

9 (a) In the case of the death or serious life-threatening
10 injury of a child whose care and custody or custody and
11 guardianship has been transferred to the Department, or in the
12 case of a child abuse or neglect report made to the central

11 any documents, files, records, books, and papers created or
12 used in connection with the Department's investigation of the
13 death or serious life-threatening injury of the child. In any
14 case involving the death or near death of a child, when a
15 person responsible for the child has been charged with
16 committing a crime that results in the child's death or near
17 death, there shall be a presumption that the best interest of
18 the public will be served by public disclosure of certain
19 information concerning the circumstances of the investigations
20 of the death or near death of the child and any other
21 investigations concerning that child or other children living
22 in the same household.

23 If the Department receives from the public a request for
24 information relating to a case of child abuse or neglect
25 involving the death or serious life-threatening injury of a
26 child, the Director shall consult with the State's Attorney in

1 the county of venue and release the report related to the case,

8 or physical harm to a sibling or another child living in the
9 household; information that may undermine an ongoing criminal
10 investigation; and any information prohibited from disclosure
11 by federal law or regulation. Any information provided by an
12 adult subject of a report that is released about the case in a
13 public forum shall be subject to disclosure upon a public
14 information request. Information about the case shall also be
15 subject to disclosure upon consent of an adult subject.

19 any other State or local investigative agency or official.
20 Except as it may apply directly to the cause of the death or
21 serious life-threatening injury of the child, nothing in this
22 Section shall be deemed to authorize the release or disclosure
23 to the public of the substance or content of any psychological,
24 psychiatric, therapeutic, clinical, or medical reports,
25 evaluation, or like materials or information pertaining to the
26 child or the child's family.

1 (c) No later than 6 months after the date of the death or
2 serious life-threatening injury of the child, the Department

10 Assembly incorporating cumulative data about the above reports
11 and including appropriate findings and recommendations. The
