22 has become final, the person shall be guilty of a Class 2 4
23 felony.

24 (b) No person is subject to the penalties of subsection (a)
25 of this Section for (1) violating Section 3.1 or 3.3 if he

4 the effect that the article is not adulterated ~~or misbranded~~
5 within the meaning of this Act, designating this Act; or (2)
6 for having violated clause (2) of Section 3.16 if such person
7 acted in good faith and had no reason to believe that the use
8 of the punch, die, plate, stone or other thing involved would
9 result in a drug being a counterfeit drug, or for having
10 violated clause (3) of Section 3.16 if the person doing the act
11 or causing it to be done acted in good faith and had no reason
12 to believe that the drug was a counterfeit drug.

13 (c) No publisher, radio-broadcast licensee, agency or
14 medium for the dissemination of an advertisement, except the
15 manufacturer, packer, distributor or seller of the article to
16 which a false advertisement relates is liable under this

22 disseminate such advertisement.

23 (d) No person shall be subject to the penalties of
24 subsection (a) of this Section for a violation of Section 3

26 because the food is misbranded under subsection (c) of Section

1 11 because of its advertising, and no person shall be subject
2 to the penalties of subsection (a) of this Section for such a
3 violation unless the violation is committed with the intent to
4 defraud or mislead.

6 (410 ILCS 620/6) (from Ch. 56 1/2, par. 506)

7 Sec. 6. (a) When an authorized agent of the Director finds
8 or has probable cause to believe that any food, drug, device or
9 cosmetic is adulterated or so misbranded as to be dangerous or
10 fraudulent within the meaning of this Act, ~~or~~ is in violation
11 of Section 12, 17 or 17.1 of this Act, or is suspected to be a
12 synthetic drug product, he or she shall affix to such article a
13 tag or other appropriate marking giving notice that the article
14 is or is suspected of being adulterated or misbranded and has
15 been detained or embargoed and warning all persons not to
16 remove or dispose of such article by sale or otherwise until
17 permission for removal or disposal is given by such agent or
18 the court. It is unlawful for any person to remove or dispose
19 of such detained or embargoed article by sale or otherwise

24 this Act or is suspected to be a synthetic drug product, he or
25 she shall petition the circuit court in whose jurisdiction the

1 article is detained or embargoed for a libel for condemnation
2 of such article. When such agent finds that an article so
3 detained or embargoed is not adulterated or misbranded or is
4 not a synthetic drug product, he or she shall remove the tag or
5 other marking.

6 (c) If the court finds that a detained or embargoed article
7 is adulterated or misbranded, such article shall, after entry
8 of the judgment, be destroyed at the expense of the claimant
9 thereof, under the supervision of such agent, and all court
10 costs and fees, and storage and other proper expenses, shall be
11 taxed against the claimant of such article or his or her agent.
12 However, when the adulteration or misbranding can be corrected
13 by proper labeling or processing of the article, the court,
14 after entry of the judgment and after such costs, fees and
15 expenses have been paid and a good and sufficient bond,
16 conditioned that such article shall be so labeled or processed,
17 has been executed, may by order direct that such article be
18 delivered to the claimant thereof for such labeling or
19 processing under the supervision of an agent of the Director.
20 The expense of such supervision shall be paid by the claimant.
21 The article shall be returned to the claimant and the bond
22 shall be discharged on the representation to the court by the
23 Director that the article is no longer in violation of this
24 Act, and that the expenses of such supervision have been paid.

25 (d) Whenever the Director or any of his or her authorized
26 agents finds in any room, building, vehicle of transportation

1 or other structure, any meat, sea food, poultry, vegetable,
2 fruit or other perishable articles which contain any filthy,
3 decomposed or putrid substance, or that may be poisonous or
4 deleterious to health or otherwise unsafe, the same being
5 hereby declared to be a nuisance, the Director or his or her
6 authorized agent shall condemn or destroy the same, or in any
7 other manner render the same unusable as human food.
