19 (a) Applications for original licensure as a cemetery

25 (b) In the event of a sale or transfer of all or

1 substantially all of the assets of the cemetery authority, the
2 sale or transfer of the controlling interest of the corporate

4 corporation, or the sale or transfer of the controlling
5 interest of the partnership, if the cemetery authority is a
6 partnership, or the sale or transfer of the controlling
7 membership, if the cemetery authority is a limited liability
8 company, the cemetery authority shall, at least 30 days prior
9 to the sale or transfer, notify the Department, in writing, of

12 notification, the cemetery authority shall submit information
13 to the Department, which may include a copy of a portion of the
14 cemetery map showing the land to be sold or transferred, to
15 enable the Department to determine whether any human remains
16 are interred, inurned, or entombed within the land to be sold
17 or transferred and whether consumers have rights of interment,

19 (225 ILCS 411/20-5)

20 (Section scheduled to be repealed on January 1, 2021)

21 Sec. 20-5. Maintenance and records.

22 (a) A cemetery authority shall provide reasonable
23 maintenance of the cemetery property and of all lots, graves,
24 crypts, and columbariums in the cemetery based on the type and
25 size of the cemetery, topographic limitations, and contractual

1 commitments with consumers. Subject to the provisions of this
2 subsection (a), reasonable maintenance includes:

3 (1) the laying of seed, sod, or other suitable ground
4 cover as soon as practical following an interment given the
5 weather conditions, climate, and season and the
6 interment's proximity to ongoing burial activity;

7 (2) the cutting of lawn throughout the cemetery at
8 reasonable intervals to prevent an overgrowth of grass and
9 weeds given the weather conditions, climate, and season;

10 (3) the trimming of shrubs to prevent excessive
11 overgrowth;

12 (4) the trimming of trees to remove dead limbs;

13 (5) maintaining, repairing, or removing, if necessary,
14 drains, water lines, roads, buildings, fences, and other
15 structures ~~keeping in repair the drains, water lines,~~
16 ~~roads, buildings, fences, and other structures;~~ and

17 (6) keeping the cemetery premises free of trash and
18 debris.

19 In determining whether a cemetery authority provides
20 reasonable maintenance of the cemetery property, the
21 Department shall consider:

22 (1) the cemetery authority's contractual obligations
23 for care and maintenance;

24 (2) the size of the cemetery;

25 (3) the extent and use of the cemetery authority's
26 financial resources;

1 (4) the standard of maintenance of one or more
2 similarly situated cemeteries; in determining whether a
3 cemetery is similarly situated the Department shall
4 consider the cemetery's size, location, topography, and
5 financial resources, and whether the cemetery is a
6 fraternal cemetery, a religious cemetery, a public
7 cemetery, a cemetery owned and operated by a cemetery
8 association, or a licensed cemetery.

9 Reasonable maintenance by the cemetery authority shall not
10 preclude the exercise of lawful rights by the owner of an
11 interment, inurnment, or entombment right, or by the decedent's
12 immediate family or other heirs, in accordance with reasonable
13 rules and regulations of the cemetery or other agreement of the
14 cemetery authority.

15 In the case of a cemetery dedicated as a nature preserve
16 under the Illinois Natural Areas Preservation Act, reasonable
17 maintenance by the cemetery authority shall be in accordance
18 with the rules and master plan governing the dedicated nature
19 preserve.

20 ~~The Department shall adopt rules to provide greater detail~~
21 ~~as to what constitutes the reasonable maintenance required~~
22 ~~under this Section. The rules shall differentiate between~~
23 ~~cemeteries based on, among other things, the size and financial~~
24 ~~strength of the cemeteries. The rules shall also provide a~~
25 ~~reasonable opportunity for a cemetery authority accused of~~
26 ~~violating the provisions of this Section to cure any such~~

1 ~~violation in a timely manner given the weather conditions,~~
2 ~~climate, and season before the Department initiates formal~~
3 ~~proceedings.~~

4 A cemetery authority accused of violating the reasonable
5 maintenance standard set forth in this Section shall have a
6 reasonable opportunity to cure the violation. The cemetery
7 authority shall have 10 business days after receipt of notice
8 to cure the violation. If a cemetery authority cannot cure the
9 violation within 10 business days, then the cemetery authority
10 may request a time extension in order to cure the violation.
11 The request for an extension shall be made in writing to the
12 Department and must be postmarked within 10 business days after
13 receipt of the notice of the alleged violation. The request
14 shall outline all reasons for the extension and an estimated
15 date by which the cure will be accomplished. Acceptable reasons
16 include, without limitation, delays caused by weather
17 conditions, season or climate, equipment failures, or
18 acquisitions of materials or supplies being addressed by the
19 authority in a timely manner, and unexpected temporary absences
20 of personnel. The Department may approve or deny the extension.
21 If the extension is denied, then the cemetery authority must
22 cure the violation within 10 business days after the date of
23 receipt of the Department's extension denial. If the extension
24 is granted, then the cemetery authority must cure the violation
25 within the extended period of time. A cemetery authority that
26 does not cure the violation within the appropriate period of

1 time shall be subject to discipline in accordance with Article
2 25 of this Act.

3 (b) A cemetery authority, before commencing cemetery
4 operations or within 6 months after the effective date of this
5 Act, shall cause an overall map of its cemetery property,
6 delineating all lots or plots, blocks, sections, avenues,
7 walks, alleys, and paths and their respective designations, to
8 be filed at its on-site office, or if it does not maintain an
9 on-site office, at its principal place of business. The
10 cemetery authority shall update its map and index described in
11 subsection (b-5) within a reasonable time after any expansion
12 or alteration of the cemetery property. A cemetery manager's
13 certificate acknowledging, accepting, and adopting the map
14 shall also be included with the map. The Department may order
15 that the cemetery authority obtain a cemetery plat and that it
16 be filed at its on-site office, or if it does not maintain an
17 on-site office, at its principal place of business if only in
18 ~~the following circumstances: (1) the cemetery authority is~~
19 ~~expanding or altering the cemetery grounds; or (2) a human body~~
20 that should have been interred, entombed, or inurned at the
21 cemetery after the effective date of this amendatory Act of the
22 97th General Assembly is missing, displaced, or dismembered and
23 (2) the cemetery map contains serious discrepancies.

24 In exercising this discretion, the Department shall
25 consider whether the cemetery authority would experience an
26 undue hardship as a result of obtaining the plat. The cemetery

1 plat, as with all plats prepared under this Act, shall comply
2 with the Illinois Professional Land Surveyor Act of 1989 and
3 shall delineate, describe, and set forth all lots or plots,
4 blocks, sections, avenues, walks, alleys, and paths and their
5 respective designations. A cemetery manager's certificate
6 acknowledging, accepting, and adopting the plat shall also be
7 included with the plat.

8 (b-5) A cemetery authority shall maintain an index that
9 associates the identity of deceased persons interred,
10 entombed, or inurned after the effective date of this Act with
11 their respective place of interment, entombment, or inurnment.

12 (c) The cemetery authority shall open the cemetery map or
13 plat to public inspection. The cemetery authority shall make
14 available a copy of the overall cemetery map or plat upon
15 written request and shall, if practical, provide a copy of a
16 segment of the cemetery plat where interment rights are located
17 upon the payment of reasonable photocopy fees. Any unsold lots,
18 plots, or parts thereof, in which there are not human remains,
19 may be resurveyed and altered in shape or size and properly
20 designated on the cemetery map or plat. However, sold lots,
21 plots, or parts thereof in which there are human remains may
22 not be renumbered or renamed. Nothing contained in this
23 subsection, however, shall prevent the cemetery authority from
24 enlarging an interment right by selling to its owner the excess
25 space next to the interment right and permitting interments
26 therein, provided reasonable access to the interment right and

1 to adjoining interment rights is not thereby eliminated.

2 (d) A cemetery authority shall keep a record of every
3 interment, entombment, and inurnment completed after the
4 effective date of this Act. The record shall include the
5 deceased's name, age, date of burial, and the specific location
6 of the interred, entombed, or inurned human remains. The
7 specific location shall correspond to the map or plat
8 maintained in accordance with subsection (b) of this Section
9 ~~and parcel identification number identifying where the human~~
10 ~~remains are interred, entombed, or inurned.~~ The record shall
11 also include the unique personal identifier as may be further
12 defined by rule, ~~which is the parcel identification number in~~
13 ~~addition to the term of burial in years; the numbered level or~~
14 ~~depth in the grave, plot, crypt, or niche; and the year of~~
15 ~~death.~~

16 (e) (Blank).

17 (f) A cemetery authority shall make available for
18 inspection and, upon reasonable request and the payment of a
19 reasonable copying fee, provide a copy of its rules and
20 regulations. A cemetery authority shall make available for
21 viewing and provide a copy of its current prices of interment,
22 inurnment, or entombment rights.

23 (g) A cemetery authority shall provide access to the
24 cemetery under the cemetery authority's reasonable rules and
25 regulations.

26 (h) A cemetery authority shall be responsible for the

1 proper opening and closing of all graves, crypts, or niches for
2 human remains in any cemetery property it owns.

3 (i) ~~A Any corporate or other business organization trustee~~
4 ~~of the care funds of every licensed cemetery authority shall be~~
5 ~~located in or a resident of this State. The licensed cemetery~~
6 ~~authority and the trustee of care funds shall keep in this~~
7 ~~State and use in its business such books, accounts, and records~~
8 ~~as will enable the Department to determine whether such~~
9 ~~licensee or trustee is complying with the provisions of this~~
10 ~~Act and with the rules, regulations, and directions made by the~~
11 ~~Department under this Act. The licensed cemetery authority~~
12 ~~shall keep the books, accounts, and records in electronic or~~
13 ~~written format at the location identified in the license issued~~
14 ~~by the Department or as otherwise agreed by the Department in~~
15 ~~writing. The books, accounts, and records shall be accessible~~
16 ~~for review upon demand of the Department.~~

24 entered into the Cemetery Oversight Database. The requirement
25 of this subsection (a) also applies in any instance in which

1 human remains are relocated.

2 (b) Within 9 months after the effective date of this Act,
3 the Department shall certify a database as the Cemetery
4 Oversight Database. Upon certifying the database, the
5 Department shall:

6 (d) A cemetery authority may rely on the information
7 contained in the Cemetery Oversight Database as accurate and is
8 not subject to any administrative penalty or liability as a
9 result of relying on inaccurate information contained in the
10 database.

11 (e) The Cemetery Oversight Database provider shall
12 indemnify cemetery authorities against all claims and actions
13 arising from illegal, willful, or wanton acts on the part of
14 the Database provider. The Cemetery Oversight Database
15 provider shall at all times maintain an electronic backup copy
16 of the information it receives pursuant to subsection (a).

17 (f) In the event the provider of the database imposes a fee
18 for entries into the database, the fee shall be paid directly
19 by the Department to the provider, and the fee may not be
20 imposed upon cemetery authorities making entries into the
21 database. However, the provider need not refund any entry fees

13 (Section scheduled to be repealed on January 1, 2021)

14 Sec. 25-25. Investigations, notice, hearings.

15 (a) The Department may at any time investigate the actions
16 of any applicant or of any person or persons rendering or
17 offering to render services as a cemetery authority, cemetery
18 manager, or customer service employee of or any person holding
19 or claiming to hold a license as a licensed cemetery authority,
20 cemetery manager, or customer service employee. If it appears
21 to the Department that a person has engaged in, is engaging in,
22 or is about to engage in any practice declared to be unlawful
23 by this Act, then the Department may: (1) require that person
24 to file on such terms as the Department prescribes a statement
25 or report in writing, under oath or otherwise, containing all

1 information the Department may consider necessary to ascertain
2 whether a licensee is in compliance with this Act, or whether
3 an unlicensed person is engaging in activities for which a
4 license is required; (2) examine under oath any individual in
5 connection with the books and records pertaining to or having
6 an impact upon the operation of a cemetery ~~or trust funds~~
7 ~~required to be maintained pursuant to this Act;~~ (3) examine any
8 books and records of the licensee, ~~trustee, or investment~~
9 ~~advisor~~ that the Department may consider necessary to ascertain
10 compliance with this Act; and (4) require the production of a
11 copy of any record, book, document, account, or paper that is
12 produced in accordance with this Act and retain it in his or
13 her possession until the completion of all proceedings in
14 connection with which it is produced.

15 (b) The Secretary may, after 10 days notice by certified
16 mail with return receipt requested to the licensee at the
17 address of record or to the last known address of any other
18 person stating the contemplated action and in general the
19 grounds therefor, fine such licensee an amount not exceeding
20 \$10,000 per violation or revoke, suspend, refuse to renew,
21 place on probation, or reprimand any license issued under this
22 Act if he or she finds that:

23 (1) the licensee has failed to comply with any
24 provision of this Act or any order, decision, finding,
25 rule, regulation, or direction of the Secretary lawfully
26 made pursuant to the authority of this Act; or

1 (2) any fact or condition exists which, if it had
2 existed at the time of the original application for the
3 license, clearly would have warranted the Secretary in
4 refusing to issue the license.

5 (c) The Secretary may fine, revoke, suspend, refuse to
6 renew, place on probation, reprimand, or take any other
7 disciplinary action as to the particular license with respect
8 to which grounds for the fine, revocation, suspension, refuse
9 to renew, probation, or reprimand, or other disciplinary action
10 occur or exist, but if the Secretary finds that grounds for
11 revocation are of general application to all offices or to more
12 than one office of the licensee, the Secretary shall fine,
13 revoke, suspend, refuse to renew, place on probation,
14 reprimand, or otherwise discipline every license to which such
15 grounds apply.

16 (d) In every case in which a license is revoked, suspended,
17 placed on probation, reprimanded, or otherwise disciplined,
18 the Secretary shall serve the licensee with notice of his or
19 her action, including a statement of the reasons for his or her
20 actions, either personally or by certified mail, return receipt
21 requested. Service by certified mail shall be deemed completed
22 when the notice is deposited in the United States mail and sent
23 to the address of record.

24 (e) An order assessing a fine, an order revoking,
25 suspending, placing on probation, or reprimanding a license or,
26 an order denying renewal of a license shall take effect upon

1 service of the order unless the licensee requests, in writing,
2 within 20 days after the date of service, a hearing. In the
3 event a hearing is requested, an order issued under this
4 Section shall be stayed until a final administrative order is
5 entered.

6 (f) If the licensee requests a hearing, then the Secretary
7 shall schedule a hearing within 30 days after the request for a
8 hearing unless otherwise agreed to by the parties. The
9 Secretary shall have the authority to appoint an attorney duly
10 licensed to practice law in the State of Illinois to serve as
11 the hearing officer in any disciplinary action with regard to a
12 license. The hearing officer shall have full authority to
13 conduct the hearing.

14 (g) The hearing shall be held at the time and place
15 designated by the Secretary.

2 Attorney General, may petition the circuit courts of this State
3 for appointment of a receiver to ~~administer the care funds of~~
4 ~~such licensee or unlicensed person or to~~ operate the cemetery.

5 (a) The court shall appoint a receiver if the court
6 determines that a receivership is necessary or advisable:

7 (1) to ensure the orderly and proper conduct of a
8 licensee's professional business and affairs during or in
9 the aftermath of the administrative proceeding to revoke or
10 suspend the cemetery authority's license;

11 (2) for the protection of the public's interest and
12 rights in the business, premises, or activities of the
13 person sought to be placed in receivership;

14 (3) upon a showing of actual or constructive
15 abandonment of premises or business licensed or which was
16 not but should have been licensed under this Act;

17 (4) upon a showing of serious and repeated violations
18 of this Act demonstrating an inability or unwillingness of
19 a licensee to comply with the requirements of this Act;

20 (5) to prevent loss, wasting, dissipation, theft, or
21 conversion of assets that should be marshaled and held
22 available for the honoring of obligations under this Act;
23 or

24 (6) upon proof of other grounds that the court deems
25 good and sufficient for instituting receivership action
26 concerning the respondent sought to be placed in

1 receivership.

2 (b) A receivership under this Section may be temporary, or
3 for the winding up and dissolution of the business, as the
4 Department may request and the court determines to be necessary
5 or advisable in the circumstances. Venue of receivership
6 proceedings may be, at the Department's election, in Cook

8 located. The appointed receiver shall be the Department or such
9 person as the Department may nominate and the court shall

10 Sec. 25-120. Whistleblower protection.

11 (a) "Retaliatory action" means the reprimand, discharge,
12 suspension, demotion, denial of promotion or transfer, or
13 change in the terms and conditions of employment of any
14 cemetery manager, licensed customer service employee, or

16 cemetery manager's, customer service employee's, or employee's
17 ~~cemetery worker's~~ involvement in protected activity, as set
18 forth in this Section.

19 (b) A cemetery authority shall not take any retaliatory
20 action against a cemetery manager, customer service employee,

14 described in subsection (b) of this Section and (ii) that this
15 conduct was a contributing factor in the retaliatory action
16 alleged by the cemetery manager, customer service employee, or
17 employee ~~cemetery worker~~. It is not a violation, however, if it
18 is demonstrated by clear and convincing evidence that the
19 cemetery manager or cemetery authority would have taken the
20 same unfavorable personnel action in the absence of that
21 conduct.

22 (d) The cemetery manager, customer service employee, or
23 employee ~~cemetery worker~~ may be awarded all remedies necessary

10 of the decedent, and that the authorizing agent is not
11 aware of any living person who has a superior priority
12 right to that of the authorizing agent, as set forth in
13 Section 15. In the event there is another living person
14 who has a superior priority right to that of the
15 authorizing agent, the form shall contain a
16 representation that the authorizing agent has made all
17 reasonable efforts to contact that person, has been
18 unable to do so, and has no reason to believe that the
19 person would object to the cremation of the decedent.

20 (F) Authorization for the crematory authority to
21 cremate the human remains.

22 (G) A representation that the human remains do not

26 cremation.

1 (H) The name of the person authorized to receive
2 the cremated remains from the crematory authority.

3 (I) The manner in which final disposition of the

10 up from the crematory authority prior to that time, in
11 person, by the authorizing agent. At the end of the 30
12 days the crematory authority may return the cremated
13 remains to the authorizing agent if no final
14 disposition arrangements are made; or at the end of 60
15 days the crematory authority may dispose of the

12 (N) The cremation authorization form, other than
13 pre-need cremation forms, shall also be signed by a
14 funeral director or other representative of the
15 funeral establishment that obtained the cremation
16 authorization. That individual shall merely execute
17 the cremation authorization form as a witness and shall

20 actual knowledge to the contrary. The information
21 requested by items (A), (B), (C) and (G) of this
22 subsection, however, shall be considered to be
23 representations of the authorizing agent. In addition,
24 the funeral director or funeral establishment shall
25 warrant to the crematory that the human remains
26 delivered to the crematory authority are the human

1 remains identified on the cremation authorization
2 form.

19 authorization form without liability.

20 (c) An authorizing agent who signs a cremation
21 authorization form shall be deemed to warrant the truthfulness
22 of any facts set forth on the cremation authorization form,
23 including that person's authority to order the cremation;
24 except for the information required by items (C) and (G) of
25 paragraph (1) of subsection (a) of this Section, unless the
26 authorizing agent has actual knowledge to the contrary. An

1 authorizing agent signing a cremation authorization form shall
2 be personally and individually liable for all damages
3 occasioned by and resulting from authorizing the cremation.

4 (d) A crematory authority shall have authority to cremate
5 human remains upon the receipt of a cremation authorization
6 form signed by an authorizing agent. There shall be no
7 liability for a crematory authority that cremates human remains
8 according to an authorization, or that releases or disposes of
9 the cremated remains according to an authorization, except for
10 a crematory authority's gross negligence, provided that the
11 crematory authority performs its functions in compliance with
12 this Act.

13 (e) After an authorizing agent has executed a cremation
14 authorization form, the authorizing agent may revoke the
15 authorization and instruct the crematory authority to cancel
16 the cremation and to release or deliver the human remains to
17 another crematory authority or funeral establishment. The
18 instructions shall be provided to the crematory authority in
19 writing. A crematory authority shall honor any instructions
20 given to it by an authorizing agent under this Section if it
21 receives the instructions prior to beginning the cremation of
22 the human remains.

5 by the authorizing agent, unless the individual has
6 actual knowledge to the contrary. The information
7 requested by items (A), (B), (C) and (G) of this
8 subsection, however, shall be considered to be
9 representations of the authorizing agent. In addition,
10 the funeral director or funeral establishment shall
11 warrant to the crematory that the human remains
12 delivered to the crematory authority are the human

10 Sec. 65. Pre-need cremation arrangements.

11 (a) Any person, or anyone who has legal authority to act on
12 behalf of a person, on a pre-need basis, may authorize his or
13 her own cremation and the final disposition of his or her
14 cremated remains by executing, as the authorizing agent, a
15 cremation authorization form on a pre-need basis. A copy of
16 this form shall be provided to the person. Any person shall
17 have the right to transfer or cancel this authorization at any
18 time prior to death by destroying the executed cremation
19 authorization form and providing written notice to the
20 crematory authority.

21 (b) Any cremation authorization form that is being executed
22 by an individual as his or her own authorizing agent on a
23 pre-need basis shall contain the following disclosure, which
24 shall be completed by the authorizing agent:

25 "() I do not wish to allow any of my survivors the option

1 of cancelling my cremation and selecting alternative
2 arrangements, regardless of whether my survivors deem
3 a change to be appropriate.

4 () I wish to allow only the survivors whom I have
5 designated below the option of cancelling my cremation
6 and selecting alternative arrangements, if they deem a
7 change to be appropriate:....."

8 (c) Except as provided in subsection (b) of this Section,
9 at the time of the death of a person who has executed, as the
10 authorizing agent, a cremation authorization form on a pre-need
11 basis, any person in possession of an executed form and any
12 person charged with making arrangements for the final
13 disposition of the decedent who has knowledge of the existence
14 of an executed form, shall use their best efforts to ensure
15 that the decedent is cremated and that the final disposition of
16 the cremated remains is in accordance with the instructions
17 contained on the cremation authorization form. If a crematory
18 authority (i) is in possession of a completed cremation
19 authorization form that was executed on a pre-need basis, (ii)
20 is in possession of the designated human remains, and (iii) has
21 received payment for the cremation of the human remains and the
22 final disposition of the cremated remains or is otherwise
23 assured of payment, then the crematory authority shall be
24 required to cremate the human remains and dispose of the
25 cremated remains according to the instructions contained on the
26 cremation authorization form, and may do so without any

1 liability.

2 (d) ~~(e)~~ Any pre-need contract sold by, or pre-need
3 arrangements made with, a cemetery, funeral establishment,
4 crematory authority, or any other party that includes a
5 cremation shall specify the final disposition of the cremated
6 remains, in accordance with Section 40. In the event that no
7 different or inconsistent instructions are provided to the
8 crematory authority by the authorizing agent at the time of
9 death, the crematory authority shall be authorized to release
10 or dispose of the cremated remains as indicated in the pre-need
11 agreement. Upon compliance with the terms of the pre-need
12 agreement, the crematory authority shall be discharged from any
13 legal obligation concerning the cremated remains. The pre-need
14 agreement shall be kept as a permanent record by the crematory
15 authority.

16 (e) ~~(f)~~ This Section shall not apply to any cremation
17 authorization form or pre-need contract executed prior to the

20 with the written approval of the authorizing agent or person
21 who executed the pre-need contract, may designate that the
22 cremation authorization form or pre-need contract shall be
23 subject to this Act.

5 her own cremation and the final disposition of his or her
6 cremated remains by executing, as the authorizing agent, a

9 have the right to transfer or cancel this authorization at any
10 time prior to death by destroying the executed cremation
11 authorization form and providing written notice to the
12 crematory authority.

13 (b) Any cremation authorization form that is being executed
14 by an individual as his or her own authorizing agent on a
15 pre-need basis shall contain the following disclosure, which
16 shall be completed by the authorizing agent:

17 "() I do not wish to allow any of my survivors the option

21 () I wish to allow only the survivors whom I have
22 designated below the option of cancelling my cremation
23 and selecting alternative arrangements, if they deem a
24 change to be appropriate:....."

25 (c) Except as provided in subsection (b) of this Section,
26 at the time of the death of a person who has executed, as the

1 authorizing agent, a cremation authorization form on a pre-need
2 basis, any person in possession of an executed form and any
3 person charged with making arrangements for the final
4 disposition of the decedent who has knowledge of the existence
5 of an executed form, shall use their best efforts to ensure
6 that the decedent is cremated and that the final disposition of
7 the cremated remains is in accordance with the instructions
8 contained on the cremation authorization form. If a crematory
9 authority (i) is in possession of a completed cremation

12 received payment for the cremation of the human remains and the

16 cremated remains according to the instructions contained on the
17 cremation authorization form, and may do so without any
18 liability.

19 (d) Any pre-need contract sold by, or pre-need arrangements
20 made with, a cemetery, funeral establishment, crematory
21 authority, or any other party that includes a cremation shall
22 specify the final disposition of the cremated remains, in
23 accordance with Section 40. In the event that no different or
24 inconsistent instructions are provided to the crematory
25 authority by the authorizing agent at the time of death, the
26 crematory authority shall be authorized to release or dispose

1 of the cremated remains as indicated in the pre-need agreement.
2 Upon compliance with the terms of the pre-need agreement, the
3 crematory authority shall be discharged from any legal
4 obligation concerning the cremated remains. The pre-need
5 agreement shall be kept as a permanent record by the crematory
6 authority.

7 (e) This Section shall not apply to any cremation
8 authorization form or pre-need contract executed prior to the
9 effective date of this Act. Any cemetery, funeral
10 establishment, crematory authority, or other party, however,
11 with the written approval of the authorizing agent or person
12 who executed the pre-need contract, may designate that the
13 cremation authorization form or pre-need contract shall be

22 Section 35. The Vital Records Act is amended by changing
23 Sections 11 and 25 as follows:

24 (410 ILCS 535/11) (from Ch. 111 1/2, par. 73-11)

1 Sec. 11. Information required on forms.

2 (a) The form of certificates, reports, and other returns
3 required by this Act or by regulations adopted under this Act
4 shall include as a minimum the items recommended by the federal
5 agency responsible for national vital statistics, subject to
6 approval of and modification by the Department. All forms shall
7 be prescribed and furnished by the State Registrar of Vital
8 Records.

9 (b) On and after the effective date of this amendatory Act
10 of 1983, all forms used to collect information under this Act
11 which request information concerning the race or ethnicity of
12 an individual by providing spaces for the designation of that
13 individual as "white" or "black", or the semantic equivalent
14 thereof, shall provide an additional space for a designation as
15 "Hispanic".

16 (c) Effective November 1, 1990, the social security numbers
17 of the mother and father shall be collected at the time of the
18 birth of the child. These numbers shall not be recorded on the
19 certificate of live birth. The numbers may be used only for

21 (d) The social security number of a person who has died

8 (410 ILCS 535/25) (from Ch. 111 1/2, par. 73-25)

9 Sec. 25. In accordance with Section 24 of this Act, and the
10 regulations adopted pursuant thereto:

11 (1) The State Registrar of Vital Records shall search the
12 files of birth, death, and fetal death records, upon receipt of
13 a written request and a fee of \$10 from any applicant entitled
14 to such search. A search fee shall not be required for
15 commemorative birth certificates issued by the State
16 Registrar. If, upon search, the record requested is found, the
17 State Registrar shall furnish the applicant one certification
18 of such record, under the seal of such office. If the request
19 is for a certified copy of the record an additional fee of \$5
20 shall be required. If the request is for a certified copy of a
21 death certificate or a fetal death certificate, an additional
22 fee of \$2 is required. The additional fee shall be deposited
23 into the Death Certificate Surcharge Fund. A further fee of \$2
24 shall be required for each additional certification or
25 certified copy requested. If the requested record is not found,

1 the State Registrar shall furnish the applicant a certification
2 attesting to that fact, if so requested by the applicant. A
3 further fee of \$2 shall be required for each additional
4 certification that no record has been found.

5 Any local registrar or county clerk shall search the files
6 of birth, death and fetal death records, upon receipt of a
7 written request from any applicant entitled to such search. If
8 upon search the record requested is found, such local registrar
9 or county clerk shall furnish the applicant one certification
10 or certified copy of such record, under the seal of such
11 office, upon payment of the applicable fees. If the requested
12 record is not found, the local registrar or county clerk shall
13 furnish the applicant a certification attesting to that fact,
14 if so requested by the applicant and upon payment of applicable
15 fee. The local registrar or county clerk must charge a \$2 fee
16 for each certified copy of a death certificate. The fee is in
17 addition to any other fees that are charged by the local
18 registrar or county clerk. The additional fees must be
19 transmitted to the State Registrar monthly and deposited into
20 the Death Certificate Surcharge Fund. The local registrar or
21 county clerk may charge fees for providing other services for
22 which the State Registrar may charge fees under this Section.

23 A request to any custodian of vital records for a search of
24 the death record indexes for genealogical research shall
25 require a fee of \$10 per name for a 5 year search. An
26 additional fee of \$1 for each additional year searched shall be

1 required. If the requested record is found, one uncertified
2 copy shall be issued without additional charge.

3 Any fee received by the State Registrar pursuant to this
4 Section which is of an insufficient amount may be returned by
5 the State Registrar upon his recording the receipt of such fee
6 and the reason for its return. The State Registrar is
7 authorized to maintain a 2 signature, revolving checking
8 account with a suitable commercial bank for the purpose of
9 depositing and withdrawing-for-return cash received and
10 determined insufficient for the service requested.

11 No fee imposed under this Section may be assessed against
12 an organization chartered by Congress that requests a
13 certificate for the purpose of death verification.

14 Any custodian of vital records, whether it may be the
15 Department of Public Health, a local registrar, or a county
16 clerk shall charge an additional \$2 for each certified copy of
17 a death certificate and that additional fee shall be collected
18 on behalf of the Department of Financial and Professional
19 Regulation for deposit into the Cemetery Oversight Licensing
20 and Disciplinary Fund.

21 (2) The certification of birth may contain only the name,
22 sex, date of birth, and place of birth, of the person to whom
23 it relates, the name, age and birthplace of the parents, and
24 the file number; and none of the other data on the certificate
25 of birth except as authorized under subsection (5) of this
26 Section.

1 (3) The certification of death shall contain only the name,
