4 Section 5. The Illinois Vehicle Code is amended by changing
5 Section 11-301 as follows:

6 (625 ILCS 5/11-301) (from Ch. 95 1/2, par. 11-301)

7 Sec. 11-301. Department to adopt sign manual.

8 (a) The Department shall adopt a State manual and ~~and~~
9 specifications for a uniform system of traffic-control devices
10 consistent with this Chapter for use upon highways within this
11 State. Such manual shall include the adoption of the R 7-8 sign
12 adopted by the United States Department of Transportation to
13 designate the reservation of parking facilities for a person
14 with disabilities. Non-conforming signs in use prior to January
15 1, 1985 shall not constitute a violation during their useful
16 lives, which shall not be extended by other means than normal
17 maintenance. The manual shall also specify insofar as
18 practicable the minimum warrants justifying the use of the
19 various traffic control devices. Such uniform system shall
20 correlate with and, where not inconsistent with Illinois
21 highway conditions, conform to the system set forth in the most
22 recent edition of the national manual on Uniform Traffic
23 Control Devices for Streets and Highways.

1 (b) Signs adopted by the Department to designate the
2 reservation of parking facilities for a person with
3 disabilities shall also exhibit, in a manner determined by the
4 Department, the words "\$100 Fine".

5 (c) If the amount of a fine is changed, the Department
6 shall change the design of the signs to indicate the current
7 amount of the fine.
