13 (110 ILCS 805/3-7) (from Ch. 122, par. 103-7)

14 Sec. 3-7. (a) The election of the members of the board of
15 trustees shall be nonpartisan and shall be held at the time and
16 in the manner provided in the general election law.

17 (b) Unless otherwise provided in this Act, members shall be
18 elected to serve 6 year terms. The term of members elected in
19 1985 and thereafter shall be from the date the member is
20 officially determined to be elected to the board by a canvass
21 conducted pursuant to the Election Code, to the date that the
22 winner of the seat is officially determined by the canvass
23 conducted pursuant to the Election Code the next time the seat
24 on the board is to be filled by election.

25 (c) ~~(e)~~ Each member must on the date of his election be a

1 citizen of the United States, of the age of 18 years or over,
2 and a resident of the State and the territory which on the date
3 of the election is included in the community college district
4 for at least one year immediately preceding his election. In
5 Community College District No. 526, each member elected at the
6 consolidated election in 2005 or thereafter must also be a
7 resident of the trustee district he or she represents for at
8 least one year immediately preceding his or her election,
9 except that in the first consolidated election for each trustee
10 district following reapportionment ~~by the General Assembly~~, a
11 candidate for the board may be elected from any trustee
12 district that contains a part of the trustee district in which
13 he or she resided at the time of the reapportionment and may be
14 reelected if a resident of the new trustee district he or she
15 represents for one year prior to reelection. In the event a
16 person who is a member of a common school board is elected or
17 appointed to a board of trustees of a community college
18 district, that person shall be permitted to serve the remainder
19 of his or her term of office as a member of the common school
20 board. Upon the expiration of the common school board term,
21 that person shall not be eligible for election or appointment
22 to a common school board during the term of office with the
23 community college district board of trustees.

24 (d) ~~(f)~~ Whenever a vacancy occurs, the remaining members
25 shall fill the vacancy, and the person so appointed shall serve
26 until a successor is elected at the next regular election for

1 board members and is certified in accordance with Sections
2 22-17 and 22-18 of the Election Code. If the remaining members
3 fail so to act within 60 days after the vacancy occurs, the
4 chairman of the State Board shall fill that vacancy, and the
5 person so appointed shall serve until a successor is elected at
6 the next regular election for board members and is certified in
7 accordance with Sections 22-17 and 22-18 of the Election Code.
8 The person appointed to fill the vacancy shall have the same
9 residential qualifications as his predecessor in office was
10 required to have. In either instance, if the vacancy occurs
11 with less than 4 months remaining before the next scheduled
12 consolidated election, and the term of office of the board
13 member vacating the position is not scheduled to expire at that
14 election, then the term of the person so appointed shall extend
15 through that election and until the succeeding consolidated
16 election. If the term of office of the board member vacating
17 the position is scheduled to expire at the upcoming
18 consolidated election, the appointed member shall serve only
19 until a successor is elected and qualified at that election.

20 (e) ~~(g)~~ Members of the board shall serve without
21 compensation but shall be reimbursed for their reasonable
22 expenses incurred in connection with their service as members.
23 Compensation, for purposes of this Section, means any salary or
24 other benefits not expressly authorized by this Act to be
25 provided or paid to, for or on behalf of members of the board.
26 The board of each community college district may adopt a policy

1 providing for the issuance of bank credit cards, for use by any
2 board member who requests the same in writing and agrees to use
3 the card only for the reasonable expenses which he or she
4 incurs in connection with his or her service as a board member.
5 Expenses charged to such credit cards shall be accounted for
6 separately and shall be submitted to the chief financial
7 officer of the district for review prior to being reported to
8 the board at its next regular meeting.

9 (f) ~~(h)~~ Except in an election of the initial board for a
10 new community college district created pursuant to Section
11 6-6.1, the ballot for the election of members of the board for
12 a community college district shall indicate the length of term
13 for each office to be filled. In the election of a board for
14 any community college district, the ballot shall not contain
15 any political party designation.

17 (110 ILCS 805/3-7a new) (was 110 ILCS 805/3-7, subsec. (c))

18 Sec. 3-7a. Trustee districts; Community College District
19 No. 522. ~~(e)~~ A board of trustees of a community college
20 district which is contiguous or has been contiguous to an
21 experimental community college district as authorized and
22 defined by Article IV of this Act may, on its own motion, or
23 shall, upon the petition of the lesser of 1/10 or 2,000 of the
24 voters registered in the district, order submitted to the
25 voters of the district at the next general election the

1 proposition for the election of board members by trustee
2 district rather than at large, and such proposition shall
3 thereupon be certified by the secretary of the board to the
4 proper election authority in accordance with the general
5 election law for submission.

6 If the proposition is approved by a majority of those
7 voting on the proposition, the State Board of Elections, in
8 1991, shall reapportion the trustee districts to reflect the
9 results of the last decennial census, and shall divide the
10 community college district into 7 trustee districts, each of
11 which shall be compact, contiguous and substantially equal in
12 population to each other district. In 2001, and in the year
13 following each decennial census thereafter, the board of
14 trustees of community college District #522 shall reapportion
15 the trustee districts to reflect the results of the census, and
16 shall divide the community college district into 7 trustee
17 districts, each of which shall be compact, contiguous, and
18 substantially equal in population to each other district. The
19 division of the community college district into trustee
20 districts shall be completed and formally approved by a
21 majority of the members of the board of trustees of community
22 college District #522 in 2001 and in the year following each
23 decennial census. At the same meeting of the board of trustees,
24 the board shall, publicly by lot, divide the trustee districts
25 as equally as possible into 2 groups. Beginning in 2003 and
26 every 10 years thereafter, trustees or their successors from

1 one group shall be elected for successive terms of 4 years and
2 6 years; and members or their successors from the second group
3 shall be elected for successive terms of 6 years and 4 years.
4 One member shall be elected from each such trustee district.
5 Each member elected in 2001 shall be elected at the 2001
6 consolidated election from the trustee districts established
7 in 1991. The term of each member elected in 2001 shall end on
8 the date that the trustees elected in 2003 are officially
9 determined by a canvass conducted pursuant to the Election
10 Code.

13 Sec. 3-7b. Trustee districts prior to the 2013 consolidated
14 election; Community College District No. 526.

15 (a) ~~(d)~~ In Community College District No. 526, the election
16 of board members shall be by trustee district rather than at
17 large beginning with the consolidated election in 2005.

18 (b) For the 2005, 2007, and 2009 consolidated elections,
19 Community College District No. 526 ~~the community college~~
