AN ACT concerning State government.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Illinois Health Facilities Planning Act is
amended by changing Section 12 as follows:

6 (20 ILCS 3960/12) (from Ch. 111 1/2, par. 1162)

(Section scheduled to be repealed on December 31, 2019)

8 Sec. 12. Powers and duties of State Board. For purposes of 9 this Act, the State Board shall exercise the following powers 10 and duties:

(1) Prescribe rules, regulations, standards, criteria, 11 12 procedures or reviews which may vary according to the purpose 13 for which a particular review is being conducted or the type of 14 project reviewed and which are required to carry out the provisions and purposes of this Act. Policies and procedures of 15 16 the State Board shall take into consideration the priorities 17 and needs of medically underserved areas and other health care services identified through the comprehensive health planning 18 19 process, giving special consideration to the impact of projects 20 on access to safety net services.

(2) Adopt procedures for public notice and hearing on all
 proposed rules, regulations, standards, criteria, and plans
 required to carry out the provisions of this Act.

24

In developing health care facility plans, the State Board shall consider, but shall not be limited to, the following:

25

(a) The size, composition and growth of the population of the area to be served;

26

(b) The number of existing and planned facilities

offering similar programs;

2

(c) The extent of utilization of existing facilities;

(d) The availability of facilities which may serve as 3 alternatives or substitutes; 4

5 (e) The availability of personnel necessary to the 6 operation of the facility;

7 (f) Multi-institutional planning and the establishment 8 of multi-institutional systems where feasible;

9 (q) The financial and economic feasibility of proposed 10 construction or modification: and

11 (h) In the case of health care facilities established 12 by a religious body or denomination, the needs of the 13 members of such religious body or denomination may be 14 considered to be public need.

15 The health care facility plans which are developed and 16 adopted in accordance with this Section shall form the basis 17 for the plan of the State to deal most effectively with statewide health needs in regard to health care facilities. 18

(5) Coordinate with the Center for Comprehensive Health 19 20 Planning and other state agencies having responsibilities affecting health care facilities, including those of licensure 21 22 and cost reporting.

23 (6) Solicit, accept, hold and administer on behalf of the 24 State any grants or bequests of money, securities or property 25 for use by the State Board or Center for Comprehensive Health Planning in the administration of this Act; and enter into 26

contracts consistent with the appropriations for purposes
 enumerated in this Act.

3 (7) The State Board shall prescribe procedures for review, 4 standards, and criteria which shall be utilized to make 5 periodic reviews and determinations of the appropriateness of 6 any existing health services being rendered by health care 7 facilities subject to the Act. The State Board shall consider 8 recommendations of the Board in making its determinations.

9 Prescribe, in consultation with the Center (8) for 10 Comprehensive Health Planning, rules, regulations, standards, 11 and criteria for the conduct of an expeditious review of 12 applications for permits for projects of construction or 13 modification of a health care facility, which projects are 14 classified as emergency, substantive, or non-substantive in 15 nature.

16 Six months after June 30, 2009 (the effective date of 17 Public Act 96-31), substantive projects shall include no more 18 than the following:

(a) Projects to construct (1) a new or replacement facility located on a new site or (2) a replacement facility located on the same site as the original facility and the cost of the replacement facility exceeds the capital expenditure minimum;

(b) Projects proposing a (1) new service or (2)
discontinuation of a service, which shall be reviewed by
the Board within 60 days; or

SB3614 Engrossed - 5 - LRB097 17689 PJG 62902 b

1 (c) Projects proposing a change in the bed capacity of 2 a health care facility by an increase in the total number 3 of beds or by a redistribution of beds among various 4 categories of service or by a relocation of beds from one 5 physical facility or site to another by more than 20 beds 6 or more than 10% of total bed capacity, as defined by the 7 State Board, whichever is less, over a 2-year period.

8 The Chairman may approve applications for exemption that 9 meet the criteria set forth in rules or refer them to the full 10 Board. The Chairman may approve any unopposed application that 11 meets all of the review criteria or refer them to the full 12 Board.

13 Such rules shall not abridge the right of the Center for 14 Comprehensive Health Planning to make recommendations on the 15 classification and approval of projects, nor shall such rules 16 prevent the conduct of a public hearing upon the timely request 17 of an interested party. Such reviews shall not exceed 60 days 18 from the date the application is declared to be complete.

19 (9) Prescribe rules, regulations, standards, and criteria pertaining to the granting of permits for construction and 20 modifications which are emergent in nature and must be 21 22 undertaken immediately to prevent or correct structural 23 deficiencies or hazardous conditions that may harm or injure persons using the facility, as defined in the rules and 24 regulations of the State Board. This procedure is exempt from 25 26 public hearing requirements of this Act.

SB3614 Engrossed - 6 - LRB097 17689 PJG 62902 b

1 (10) Prescribe rules, regulations, standards and criteria 2 for the conduct of an expeditious review, not exceeding 60 3 days, of applications for permits for projects to construct or 4 modify health care facilities which are needed for the care and 5 treatment of persons who have acquired immunodeficiency 6 syndrome (AIDS) or related conditions.

7 (11) Issue written decisions upon request of the applicant 8 or an adversely affected party to the Board within 30 days of 9 the meeting in which a final decision has been made. A "final 10 decision" for purposes of this Act is the decision to approve 11 or deny an application, or take other actions permitted under 12 this Act, at the time and date of the meeting that such action 13 is scheduled by the Board. The staff of the State Board shall prepare a written copy of the final decision and the State 14 15 Board shall approve a final copy for inclusion in the formal 16 record.

17 (12) Require at least one of its members to participate in 18 any public hearing, after the appointment of the 9 members to 19 the Board.

(13) Provide a mechanism for the public to comment on, andrequest changes to, draft rules and standards.

(14) Implement public information campaigns to regularly
 inform the general public about the opportunity for public
 hearings and public hearing procedures.

(15) Establish a separate set of rules and guidelines for
 long-term care that recognizes that nursing homes are a

1 different business line and service model from other regulated 2 facilities. An open and transparent process shall be developed 3 that considers the following: how skilled nursing fits in the continuum of care with other care providers, modernization of 4 of 5 nursing homes, establishment more private rooms, development of alternative services, and current trends in 6 7 long-term care services. The Chairman of the Board shall 8 appoint a permanent Health Services Review Board Long-term Care 9 Facility Advisory Subcommittee that shall develop and recommend to the Board the rules to be established by the Board 10 11 under this paragraph (15). The Subcommittee shall also provide 12 continuous review and commentary on policies and procedures 13 relative to long-term care and the review of related projects. 14 In consultation with other experts from the health field of 15 long-term care, the Board and the Subcommittee shall study new 16 approaches to the current bed need formula and Health Service 17 Area boundaries to encourage flexibility and innovation in design models reflective of the changing long-term care 18 19 marketplace and consumer preferences. The Subcommittee shall 20 evaluate, and make recommendations to the State Board 21 regarding, the buying, selling, and exchange of beds between 22 long-term care facilities within a specified geographic area or 23 drive time. The Board shall file the proposed related 24 administrative rules for the separate rules and guidelines for 25 long-term care required by this paragraph (15) by September 1, 26 2010. The Subcommittee shall be provided a reasonable and
