

HB0010

98TH GENERAL ASSEMBLY

State of Illinois

2013 and 2014

HB0010

Introduced 1/9/2013, by Rep. Mary E. Flowers

SYNOPSIS AS INTRODUCED:

110 ILCS 330/10 new
210 ILCS 5/6.10 new
210 ILCS 85/6.03 new

Amends the University of Illinois Hospital Act, the Ambulatory Surgical Treatment Center Act, and the Hospital Licensing Act. Provides that whenever an ambulatory surgical treatment center or hospital provides treatment to a patient that involves placement of bone, an organ, other human tissue, or any foreign object, including, but not limited to, artificial joints and other prostheses, into the patient's body, the ambulatory surgical treatment center or hospital must fully disclose at least the following to the patient: the source of the bone, organ, other human tissue, or foreign object; the date it was obtained; the date it was placed in the patient; and the location of the placement in the patient's body. Effective immediately.

ACT MAY REQUIRE
REIMBURSEMENT

A BILL FOR

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The University of Illinois Hospital Act is
5 amended by adding Section 10 as follows:

6 (110 ILCS 330/10 new)

7 Sec. 10. Placement of bone, organ, other human tissue, or
8 any foreign object in patient's body; disclosure. Whenever the
9 University of Illinois Hospital provides treatment to a patient
10 that involves placement of bone, an organ, other human tissue,
11 or any foreign object, including, but not limited to,
12 artificial joints and other prostheses, into the patient's
13 body, the hospital must fully disclose at least the following
14 to the patient: the source of the bone, organ, other human
15 tissue, or foreign object; the date it was obtained; the date
16 it was placed in the patient's body; and the location of the
17 placement in the patient's body.

18 Section 10. The Ambulatory Surgical Treatment Center Act is
19 amended by adding Section 6.10 as follows:

20 (210 ILCS 5/6.10 new)

21 Sec. 6.10. Placement of bone, organ, other human tissue, or

1 any foreign object in patient's body; disclosure. Whenever an
2 ambulatory surgical treatment center provides treatment to a
3 patient that involves placement of bone, an organ, other human
4 tissue, or any foreign object, including, but not limited to,
5 artificial joints and other prostheses, into the patient's
6 body, the ambulatory surgical treatment center must fully
7 disclose at least the following to the patient: the source of
8 the bone, organ, other human tissue, or foreign object; the
9 date it was obtained; the date it was placed in the patient's
10 body; and the location of the placement in the patient's body.

11 Section 15. The Hospital Licensing Act is amended by adding
12 Section 6.03 as follows:

13 (210 ILCS 85/6.03 new)

14 Sec. 6.03. Placement of bone, organ, other human tissue, or
15 any foreign object in patient's body; disclosure. Whenever a
16 hospital provides treatment to a patient that involves
17 placement of bone, an organ, other human tissue, or any foreign
18 object, including, but not limited to, artificial joints and
19 other prostheses, into the patient's body, the hospital must
20 fully disclose at least the following to the patient: the
21 source of the bone, organ, other human tissue, or foreign
22 object; the date it was obtained; the date it was placed in the
23 patient's body; and the location of the placement in the
24 patient's body.

1 Section 99. Effective date. This Act takes effect upon
2 becoming law.
