AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Condominium Property Act is amended by changing Sections 9 and 22.1 as follows:

(765 ILCS 605/9) (from Ch. 30, par. 309)

Sec. 9. Sharing of expenses - Lien for nonpayment.

(a) All common expenses incurred or accrued prior to the first conveyance of a unit shall be paid by the developer, and during this period no common expense assessment shall be payable to the association. It shall be the duty of each unit owner including the developer to pay his proportionate share of the common expenses commencing with the first conveyance. The proportionate share shall be in the same ratio as his percentage of ownership in the common elements set forth in the declaration.

(b) The condominium instruments may provide that common expenses for insurance premiums be assessed on a basis reflecting increased charges for coverage on certain units.

(c) Budget and reserves.

(1) The board of managers shall prepare and distribute to all unit owners a detailed proposed annual budget, setting forth with particularity all anticipated common
expenses by category as well as all anticipated assessments and other income. The initial budget and common expense assessment based thereon shall be adopted prior to the conveyance of any unit. The budget shall also set forth each unit owner's proposed common expense assessment.

(2) All budgets adopted by a board of managers on or after July 1, 1990 shall provide for reasonable reserves for capital expenditures and deferred maintenance for repair or replacement of the common elements. To determine the amount of reserves appropriate for an association, the board of managers shall take into consideration the following: (i) the repair and replacement cost, and the estimated useful life, of the property which the association is obligated to maintain, including but not limited to structural and mechanical components, surfaces of the buildings and common elements, and energy systems and equipment; (ii) the current and anticipated return on investment of association funds; (iii) any independent professional reserve study which the association may obtain; (iv) the financial impact on unit owners, and the market value of the condominium units, of any assessment increase needed to fund reserves; and (v) the ability of the association to obtain financing or refinancing.

(3) Notwithstanding the provisions of this subsection (c), an association without a reserve requirement in its condominium instruments may elect to waive in whole or in
part the reserve requirements of this Section by a vote of
2/3 of the total votes of the association. Any association
having elected under this paragraph (3) to waive the
provisions of subsection (c) may by a vote of 2/3 of the
total votes of the association elect to again be governed
by the requirements of subsection (c).

(4) In the event that an association elects to waive
all or part of the reserve requirements of this Section,
that fact must be disclosed after the meeting at which the
waiver occurs by the association in the financial
statements of the association and, highlighted in bold
print, in the response to any request of a prospective
purchaser for the information prescribed under Section
22.1; and no member of the board of managers or the
managing agent of the association shall be liable, and no
cause of action may be brought for damages against these
parties, for the lack or inadequacy of reserve funds in the
association budget.

(d) (Blank).

(e) The condominium instruments may provide for the
assessment, in connection with expenditures for the limited
common elements, of only those units to which the limited
common elements are assigned.

(f) Payment of any assessment shall be in amounts and at
times determined by the board of managers.

(g) Lien.
(1) If any unit owner shall fail or refuse to make any payment of the common expenses or the amount of any unpaid fine when due, the amount thereof together with any interest, late charges, reasonable attorney fees incurred enforcing the covenants of the condominium instruments, rules and regulations of the board of managers, or any applicable statute or ordinance, and costs of collections shall constitute a lien on the interest of the unit owner in the property prior to all other liens and encumbrances, recorded or unrecorded, except only (a) taxes, special assessments and special taxes theretofore or thereafter levied by any political subdivision or municipal corporation of this State and other State or federal taxes which by law are a lien on the interest of the unit owner prior to preexisting recorded encumbrances thereon and (b) encumbrances on the interest of the unit owner recorded prior to the date of such failure or refusal which by law would be a lien thereon prior to subsequently recorded encumbrances. Any action brought to extinguish the lien of the association shall include the association as a party.

(2) With respect to encumbrances executed prior to August 30, 1984 or encumbrances executed subsequent to August 30, 1984 which are neither bonafide first mortgages nor trust deeds and which encumbrances contain a statement of a mailing address in the State of Illinois where notice may be mailed to the encumbrancer thereunder, if and
whenever and as often as the manager or board of managers shall send, by United States certified or registered mail, return receipt requested, to any such encumbrancer at the mailing address set forth in the recorded encumbrance a statement of the amounts and due dates of the unpaid common expenses with respect to the encumbered unit, then, unless otherwise provided in the declaration or bylaws, the prior recorded encumbrance shall be subject to the lien of all unpaid common expenses with respect to the unit which become due and payable within a period of 90 days after the date of mailing of each such notice.

(3) The purchaser of a condominium unit at a judicial foreclosure sale, or a mortgagee who receives title to a unit by deed in lieu of foreclosure or judgment by common law strict foreclosure or otherwise takes possession pursuant to court order under the Illinois Mortgage Foreclosure Law, shall have the duty to pay the unit's proportionate share of the common expenses for the unit assessed from and after the first day of the month after the date of the judicial foreclosure sale, delivery of the deed in lieu of foreclosure, entry of a judgment in common law strict foreclosure, or taking of possession pursuant to such court order. Such payment confirms the extinguishment of any lien created pursuant to paragraph (1) or (2) of this subsection (g) by virtue of the failure or refusal of a prior unit owner to make payment of common expenses,
where the judicial foreclosure sale has been confirmed by order of the court, a deed in lieu thereof has been accepted by the lender, or a consent judgment has been entered by the court.

(4) The purchaser of a condominium unit at a judicial foreclosure sale, other than a mortgagee, or a purchaser of a condominium unit from a mortgagee who acquired title through a judicial foreclosure, a consent foreclosure, a common law strict foreclosure, or the delivery of a deed in lieu of foreclosure who takes possession of a condominium unit pursuant to a court order or a purchaser who acquires title from a mortgagee shall have the duty to pay to the association an amount not to exceed the total of the regular monthly assessments for the condominium unit for the 9-month period immediately preceding any of these events. The amount due may include any attorney's fees and court costs incurred by the association during this same 9-month period caused by the nonpayment of these assessments along with unpaid regular monthly assessments for the same period. However, the total amount may not exceed 9 months of regular assessments due over the same 9-month period the proportionate share, if any, of the common expenses for the unit which would have become due in the absence of any assessment acceleration during the 6 months immediately preceding institution of an action to enforce the collection of assessments, and which remain
unpaid by the owner during whose possession the assessments accrued. If the outstanding assessments are paid at any time during any action to enforce the collection of assessments, the purchaser shall have no obligation to pay any assessments which accrued before he or she acquired title.

(5) The notice of sale of a condominium unit under subsection (c) of Section 15-1507 of the Code of Civil Procedure shall state that the purchaser of the unit other than a mortgagee shall pay to the association amounts the assessments and the legal fees required by subdivisions (g)(1) and (g)(4) of Section 9 of this Act. The statement of assessment account issued by the association to a unit owner under subsection (i) of Section 18 of this Act, and the disclosure statement issued to a prospective purchaser under Section 22.1 of this Act, shall state the amount of the assessments and the legal fees, if any, required by subdivisions (g)(1) and (g)(4) of Section 9 of this Act.

(h) A lien for common expenses shall be in favor of the members of the board of managers and their successors in office and shall be for the benefit of all other unit owners. Notice of the lien may be recorded by the board of managers, or if the developer is the manager or has a majority of seats on the board of managers and the manager or board of managers fails to do so, any unit owner may record notice of the lien. Upon the recording of such notice the lien may be foreclosed by an
action brought in the name of the board of managers in the same manner as a mortgage of real property.

(i) Unless otherwise provided in the declaration, the members of the board of managers and their successors in office, acting on behalf of the other unit owners, shall have the power to bid on the interest so foreclosed at the foreclosure sale, and to acquire and hold, lease, mortgage and convey it.

(j) Any encumbrancer may from time to time request in writing a written statement from the manager or board of managers setting forth the unpaid common expenses with respect to the unit covered by his encumbrance. Unless the request is complied with within 20 days, all unpaid common expenses which become due prior to the date of the making of such request shall be subordinate to the lien of the encumbrance. Any encumbrancer holding a lien on a unit may pay any unpaid common expenses payable with respect to the unit, and upon payment the encumbrancer shall have a lien on the unit for the amounts paid at the same rank as the lien of his encumbrance.

(k) Nothing in Public Act 83-1271 is intended to change the lien priorities of any encumbrance created prior to August 30, 1984.
