4 Section 5. The Illinois Income Tax Act is amended by  
5 changing Sections 217 and 217.1 as follows:

6 (35 ILCS 5/217)

7 Sec. 217. Credit for wages paid to qualified veterans.

8 (a) For each taxable year beginning on or after January 1,  
9 2007 and ending on or before December 30, 2010, each taxpayer  
10 is entitled to a credit against the tax imposed by subsections  
11 (a) and (b) of Section 201 of this Act in an amount equal to 5%,  
12 but in no event to exceed \$600, of the gross wages paid by the  
13 taxpayer to a qualified veteran in the course of that veteran's  
14 sustained employment during the taxable year. For each taxable  
15 year beginning on or after January 1, 2010, and beginning prior  
16 to January 1, 2013, each taxpayer is entitled to a credit  
17 against the tax imposed by subsections (a) and (b) of Section  
18 201 of this Act in an amount equal to 10%, but in no event to  
19 exceed \$1,200, of the gross wages paid by the taxpayer to a  
20 qualified veteran in the course of that veteran's sustained  
21 employment during the taxable year. For each taxable year  
22 beginning on or after January 1, 2013, each taxpayer is  
23 entitled to a credit against the tax imposed by subsections (a)

1 and (b) of Section 201 of this Act in an amount equal to \$1,200  
2 for each qualified veteran who is employed by the taxpayer on a  
3 permanent full-time or a permanent part-time basis for at least  
4 30 hours per week for a period of at least 185 days during the  
5 taxable year. For each taxable year beginning on or after  
6 January 1, 2013, if the qualified veteran is employed by the  
7 employer for less than 185 days, and if the qualified veteran  
8 is employed by the taxpayer on a permanent full-time or a  
9 permanent part-time basis for at least 30 hours per week for a  
10 period of at least 185 days during the next taxable year, then  
11 the amount of the credit for the taxable year in which the  
12 qualified veteran was employed for less than 185 days shall be  
13 prorated. The amount of the prorated credit shall equal the  
14 maximum amount of the credit for that tax year, divided by 12,  
15 multiplied by the number of months in the tax year during which  
16 the qualified veteran was employed by the employer. The  
17 prorated credit shall be rounded to the nearest dollar. If the  
18 qualified veteran was employed by the employer during any part  
19 of a month, then he or she shall be considered to be employed  
20 for the entire month.

21 For partners, shareholders of Subchapter S corporations,  
22 and owners of limited liability companies, if the liability  
23 company is treated as a partnership for purposes of federal and  
24 State income taxation, there shall be allowed a credit under  
25 this Section to be determined in accordance with the  
26 determination of income and distributive share of income under

1 Sections 702 and 704 and Subchapter S of the Internal Revenue  
2 Code.

3 (b) For purposes of this Section:

10 Storm, Operation Enduring Freedom, or Operation Iraqi Freedom;

19 not less than 185 days during the taxable year.

20 (c) In no event shall a credit under this Section reduce  
21 the taxpayer's liability to less than zero. If the amount of  
22 the credit exceeds the tax liability for the year, the excess  
23 may be carried forward and applied to the tax liability of the  
24 5 taxable years following the excess credit year. The tax  
25 credit shall be applied to the earliest year for which there is  
26 a tax liability. If there are credits for more than one year

1 that are available to offset a liability, the earlier credit  
2 shall be applied first.

3 (d) A taxpayer who claims a credit under this Section for a  
4 taxable year with respect to a veteran shall not be allowed a  
5 credit under Section 217.1 of this Act with respect to the same  
6 veteran for that taxable year.

7 (e) This Section is exempt from the provisions of Section  
8 250.

14 for less than 185 days shall be prorated, and the amount of the  
15 credit shall equal the maximum amount of the credit for that  
16 tax year, divided by 12, multiplied by the number of months in  
17 the tax year during which the qualified veteran was employed by  
18 the employer. The prorated credit shall be rounded to the  
19 nearest dollar. If the qualified veteran was employed by the
