

## 98TH GENERAL ASSEMBLY

### State of Illinois

2013 and 2014

HB4785

by Rep. Robert Rita

#### SYNOPSIS AS INTRODUCED:

625 ILCS 5/12-614 new

Amends the Illinois Vehicle Code. Provides that motor vehicles equipped with dump bodies shall, before operating on any public or private highway, alley, or parking area, be equipped with visual and audible warning signals in the cab of the vehicle which are activated when the dump body is unlatched, unsecured, or is in an upright or elevated position. The visual device must be located within the driver's view and the audible warning must be distinct from other audible warnings in the cab.

LRB098 15931 MLW 50978 b

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by adding  
5 Section 12-614 as follows:

6 (625 ILCS 5/12-614 new)

7 Sec. 12-614. Dump body warning requirements. All motor  
8 vehicles equipped with dump bodies shall, before operating on  
9 any public or private highway, alley, or parking area, be  
10 equipped with visual and audible warning signals in the cab of  
11 the vehicle which are activated when the dump body is  
12 unlatched, unsecured, or is in an upright or elevated position.  
13 The visual device must be located within the driver's view and  
14 the audible warning must be distinct from other audible  
15 warnings in the cab.
