their families and society as a whole; and

2 illustrate the gap between men's and women's wages; the day,
3 observed in April, symbolizes how far into the year a woman
4 must work, on average, to earn as much as a man earned the
5 previous year, with Tuesday being the day in which women's
6 wages catch up to men's wages from the previous week; because
7 women earn less on average than men, they must work longer for
8 the same amount of pay; this wage gap is even greater for most
9 women of color; and

10 WHEREAS, Equal pay is a priority for all women and for our
11 society at large; therefore, be it
