HOUSE RESOLUTION

2 WHEREAS, Fifty years ago Bruce Nesbit founded Orion 3 Industries, Ltd. - a company that applies Teflon coatings on 4 products from consumer bakeware to automotive and industrial 5 products; and

6 WHEREAS, Orion Industries has been a Dupont Licensed 7 Applicator of Teflon since 1979; it not only applies Teflon and 8 other functional coatings but creates, develops, and builds 9 application equipment to apply the coatings; and

10 WHEREAS, Bruce Nesbit attended Lane Tech College Prep High School, Wilbur Wright Junior College (now Wilbur Wright 11 College), and the University of Illinois at Urbana-Champaign; 12 13 in 1963 and 1964, while recovering from a broken ankle, he 14 started Orion Industries in his parents' basement at 4654 15 Laramie Avenue in Northwest Chicago; in that basement, he first applied coatings to race car engine parts, one of his lifelong 16 17 passions, which resulted in him winning many road racing championships; and 18

WHEREAS, In 1964, Bruce Nesbit required start-up financing that was obtained by selling stock to friends, relatives, his initial suppliers, and anyone he could convince; this allowed him to open his first production facility at 346 North Justine HR1343 -2- LRB098 23185 MST 62188 r
Street in Chicago; he eventually repaid all of his 45 initial
shareholders with a handsome return on their investment and
continued to grow his company; and

4 WHEREAS, Since that initial 3-person production facility, 5 Bruce Nesbit has moved his company twice, first to 4640 Clark 6 Street in 1981, and then in 1991 to the present production facility - a 22,000 square feet facility at 5170 North 7 8 Northwest Highway; Orion Industries will be relocating in the 9 near future to a new 68,000 square feet facility at 5480 North 10 Northwest Highway; it has grown from 3 employees in 1964 to 138 11 today; and

WHEREAS, Bruce Nesbit often gets kidded about his prototype 12 13 machines, many of which have been patented; his unofficial 14 title is CTO - Chief Tinkerologist; he holds 31 United States 15 Patents, with 9 more pending; he is on the national board of the Society of the Plastics Industry and is a member of other 16 17 committees and organizations such as Vistage International; he 18 was inducted into the Chicago Area Entrepreneurship Hall of Fame in 2013; his company was awarded the DuPont Plunkett Award 19 20 for Industrial Innovation in 2014; gain-sharing, where 21 employees are rewarded for productivity and efficiency, is the 22 cornerstone of his management philosophy; and

23

WHEREAS, Bruce Nesbit continues to reside in Chicago; he

HR1343 -3-LRB098 23185 MST 62188 r 1 has 2 married daughters, one grandson, and another on the way; 2 he is truly a Chicago guy, and along with his wife, Diane 3 Jacobson, donates to several museums, artists, and theater groups, such as the TimeLine Theatre Company; they are also 4 5 supporters of the Infant Welfare Society of Chicago, Adaptive 6 Adventures, the Wounded Warriors Project, the Anchor Cross Society at Rush University Medical Center, breast cancer 7 research, leukemia research, and other local charities and 8 9 civic organizations; therefore, be it

10 RESOLVED, ΒY THE HOUSE OF REPRESENTATIVES OF THE 11 NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that 12 we recognize Bruce Nesbit and congratulate him on the success of his company Orion Industries, Ltd., and we wish him many 13 14 more years of success; and be it further

15 RESOLVED, That a suitable copy of this resolution be 16 presented to Bruce Nesbit as an expression of our esteem and 17 respect.
