LRB098 04372 NHT 59807 a

1 AMENDMENT TO SENATE BILL 124

2 AMENDMENT NO. _____. Amend Senate Bill 124 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Public Community College Act is amended by
5 adding Section 2-26 as follows:

6 (110 ILCS 805/2-26 new)

7 Sec. 2-26. Made in America Building Grants.

8 (a) In this Section:

9 "Construction material" means an article, material, or
10 supply brought to a construction site for incorporation into a
11 building or work, including without limitation an item brought
12 to the site pre-assembled from articles, materials, or
13 supplies.

14 "Construction materials manufactured in the United States"
15 means (i) an unmanufactured construction material mined or
16 produced in the United States or (ii) a construction material

1 manufactured in the United States if the cost of its components
2 mined, produced, or manufactured in the United States exceeds
3 50% of the cost of all of its components.

4 (b) Subject to appropriation, the State Board may issue
5 Made in America Building Grants to community college districts
6 to offset any additional costs incurred by a district as a
7 result of using materials and products manufactured in the
8 United States to construct at least 90% of a community college
9 building.

10 (c) A community college district may qualify for a Made in
11 America Building Grant if all of the following conditions are
12 met:

13 (1) At least 90% of the community college building was
14 constructed with construction materials manufactured in
15 the United States. The community college district must show
16 that the construction materials were construction
17 materials manufactured in the United States and were used
18 in the building.

19 (2) The building was built within 2 years prior to
20 application for the grant.

21 (3) Bid documents for the project show the cost for
22 construction materials manufactured in the United States
23 that were used in the construction and also show the cost
24 for those same construction materials not manufactured in
25 the United States.

26 (4) The total cost of using construction materials

1 manufactured in the United States increased the cost of
2 construction by more than 7%.

3 (d) Annually, the State Board shall review and award Made
4 in America Building Grants during an open meeting of the State
5 Board. In determining which community college districts are to
6 receive grants, the State Board shall weigh the percentage of
7 construction materials manufactured in the United States used
8 in the construction, the difference in cost between using
9 construction materials manufactured in the United States
10 versus construction materials manufactured outside of the
11 United States, and the cost of the project. No grant may exceed
12 50% of the total difference in cost between using construction
13 materials manufactured in the United States versus
14 construction materials manufactured outside of the United
15 States. A grant may be awarded only upon majority vote of those
16 appointed to the State Board.

17 (e) The State Board shall adopt rules for the
18 implementation of this Section.

19 Section 99. Effective date. This Act takes effect July 1,
20 2015.".
