8 "Grant funds" means any public funds dispensed by a grantor  
9 agency to any person or entity for obligation, expenditure, or

15 with any existing or newly available resources and technology,  
16 appropriate systems to accurately report data containing  
17 financial information. These systems shall include a module  
18 that is specific to the management and administration of grant  
19 funds.

20 Each grantor agency that is authorized to award grant funds  
21 to an entity other than the State of Illinois shall coordinate  
22 with the Chief Information Officer of the State to periodically  
23 provide for publication, at [data.illinois.gov](http://data.illinois.gov) or any other  
24 publicly accessible website designated by the Chief  
25 Information Officer, of data sets containing information

2 made during the previous fiscal year. The data sets shall  
3 include, at a minimum, the following:

5 (2) the name of the grantee;

6 (3) a short description of the purpose of the award of  
7 grant funds;

8 (4) the amount of each award of grant funds;

9 (5) the date of each award of grant funds; and

10 (6) the duration of each award of grant funds.

11 In addition, each grantor agency shall make best efforts,  
12 with available resources and technology, to make available in  
13 the data sets any other data that is relevant to its award of  
14 grant funds.

15 Data not subject to the requirements of this Section  
16 include, but are not limited to, data to which a State agency  
17 may deny access pursuant to any provision of a federal, state,  
18 or local law, rule, or regulation, as well as data that contain  
19 a significant amount of data to which a State agency may deny  
20 access pursuant to any provision of a federal, state, or local  
21 law, rule, or regulation where redacting that data in order to  
22 publish the data would impose an undue financial or  
23 administrative burden.".
