

## 98TH GENERAL ASSEMBLY

### State of Illinois

2013 and 2014

SB1676

Introduced 2/15/2013, by Sen. Matt Murphy

#### SYNOPSIS AS INTRODUCED:

10 ILCS 5/7-61

from Ch. 46, par. 7-61

Amends the Election Code. Provides that when a vacancy in nomination occurs on or after the general primary but more than 90 days before certification of candidates for the general election ballot, other than because no candidate's name appeared on the general primary ballot and no write-in candidate was nominated, the vacancy may be filled only at a special primary election on a date set by the State Board of Elections but at least 30 days before the date of certification. Permits a vacancy in nomination occurring less than 91 days before certification of candidates for the general election ballot but more than 15 days before the general election to be filled by the political party's nominating committee only if the vacancy is due to the candidate's death or incapacitating illness. Adds inability to fulfill the duties of the office sought due to illness as an event creating a vacancy in nomination. (Now, a vacancy in nomination occurring on or after the general primary and before the 15th day before the general election is filled by the party's nominating committee by certain deadlines based upon when the vacancy occurs). Effective June 1, 2011.

12 special election, the officer or board or commission whose duty  
13 it is under the provisions of this Act relating to general  
14 elections to call an election, shall fix a date for the primary

23 date set by the State Board of Elections. That date shall be at

11 more than 15 days before the general election may be filled by  
12 resolution of the appropriate political party nominating  
13 committee (i) only if the vacancy was created by the nominee's  
14 death or inability to fulfill the duties of the office sought
