1 AMENDMENT TO SENATE BILL 2047

2 AMENDMENT NO. _____. Amend Senate Bill 2047 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Highway Code is amended by
5 changing Section 6-701.8 as follows:

6 (605 ILCS 5/6-701.8) (from Ch. 121, par. 6-701.8)

7 Sec. 6-701.8. The formula allocation for township and road
8 districts for the distribution of motor fuel tax funds,
9 provided for in Section 8 in the "Motor Fuel Tax Law", may be
10 used by the highway commissioner, subject to the conditions set
11 out in Sections 6-301, 6-701.1 and 6-701.2 as respects the
12 methods, equipment and materials appropriate for such
13 maintenance or improvement, and, in township counties, with the
14 approval of the board of town trustees, for the maintenance or
15 improvement of nondedicated subdivision roads established
16 prior to July 23, 1959. Any such road improved becomes, by

1 operation of law, a part of the township and district road
2 system providing such road meets standards as established by
3 the county. In township counties, the board of town trustees
4 shall condition its approval, as required by this Section, upon
5 proportional matching contributions, whether in cash, kind,
6 services or otherwise, by property owners in the subdivision
7 where such a road is situated. No more than the amount of the
8 increase in allocation attributable to this amendatory Act of
9 1979 and any subsequent amendatory Act plus 50% of such funds
10 otherwise allocated under the formula as provided in Section 8
11 in the "Motor Fuel Tax Law" and subsequently approved as
12 provided in this Section, may be expended on eligible
13 nondedicated subdivision roads. Funds may also be derived from
14 other road district sources; not to exceed the amount that
15 would be allocated under the motor fuel tax fund formula.
