1 Section 45. The Counties Code is amended by changing
2 Sections 3-3013 and 5-1069.3 as follows:

3 (55 ILCS 5/3-3013) (from Ch. 34, par. 3-3013)

4 Sec. 3-3013. Preliminary investigations; blood and urine
5 analysis; summoning jury; reports. Every coroner, whenever, as
6 soon as he knows or is informed that the dead body of any
7 person is found, or lying within his county, whose death is
8 suspected of being:

9 (a) A sudden or violent death, whether apparently
10 suicidal, homicidal or accidental, including but not
11 limited to deaths apparently caused or contributed to by
12 thermal, traumatic, chemical, electrical or radiational
13 injury, or a complication of any of them, or by drowning or
14 suffocation, or as a result of domestic violence as defined
15 in the Illinois Domestic Violence Act of 1986;

16 (b) A maternal or fetal death due to abortion, or any
17 death due to a sex crime or a crime against nature;

18 (c) A death where the circumstances are suspicious,
19 obscure, mysterious or otherwise unexplained or where, in
20 the written opinion of the attending physician, the cause
21 of death is not determined;

22 (d) A death where addiction to alcohol or to any drug
23 may have been a contributory cause; or

24 (e) A death where the decedent was not attended by a

1 licensed physician;
2 shall go to the place where the dead body is, and take charge
3 of the same and shall make a preliminary investigation into the
4 circumstances of the death. In the case of death without
5 attendance by a licensed physician the body may be moved with
6 the coroner's consent from the place of death to a mortuary in
7 the same county. Coroners in their discretion shall notify such
8 physician as is designated in accordance with Section 3-3014 to
9 attempt to ascertain the cause of death, either by autopsy or
10 otherwise.

11 In cases of accidental death involving a motor vehicle in
12 which the decedent was (1) the operator or a suspected operator
13 of a motor vehicle, or (2) a pedestrian 16 years of age or
14 older, the coroner shall require that a blood specimen of at
15 least 30 cc., and if medically possible a urine specimen of at
16 least 30 cc. or as much as possible up to 30 cc., be withdrawn
17 from the body of the decedent in a timely fashion after the
18 accident causing his death, by such physician as has been
19 designated in accordance with Section 3-3014, or by the coroner
20 or deputy coroner or a qualified person designated by such
21 physician, coroner, or deputy coroner. If the county does not
22 maintain laboratory facilities for making such analysis, the
23 blood and urine so drawn shall be sent to the Department of
24 State Police or any other accredited or State-certified
25 laboratory for analysis of the alcohol, carbon monoxide, and
26 dangerous or narcotic drug content of such blood and urine

1 specimens. Each specimen submitted shall be accompanied by
2 pertinent information concerning the decedent upon a form
3 prescribed by such laboratory. Any person drawing blood and
4 urine and any person making any examination of the blood and
5 urine under the terms of this Division shall be immune from all
6 liability, civil or criminal, that might otherwise be incurred
7 or imposed.

8 In all other cases coming within the jurisdiction of the
9 coroner and referred to in subparagraphs (a) through (e) above,
10 blood, and whenever possible, urine samples shall be analyzed
11 for the presence of alcohol and other drugs. When the coroner
12 suspects that drugs may have been involved in the death, either
13 directly or indirectly, a toxicological examination shall be
14 performed which may include analyses of blood, urine, bile,
15 gastric contents and other tissues. When the coroner suspects a
16 death is due to toxic substances, other than drugs, the coroner
17 shall consult with the toxicologist prior to collection of
18 samples. Information submitted to the toxicologist shall
19 include information as to height, weight, age, sex and race of
20 the decedent as well as medical history, medications used by
21 and the manner of death of decedent.

22 When the coroner or medical examiner finds that the cause
23 of death is due to homicidal means, the coroner or medical
24 examiner shall cause blood and buccal specimens (tissue may be
25 submitted if no uncontaminated blood or buccal specimen can be
26 obtained), whenever possible, to be withdrawn from the body of

1 the decedent in a timely fashion. Within 45 days after the
2 collection of the specimens, the coroner or medical examiner
3 shall deliver those specimens, dried, to the Illinois
4 Department of State Police, Division of Forensic Services, for
5 analysis and categorizing into genetic marker groupings to be
6 maintained by the Illinois Department of State Police in the
7 State central repository in the same manner, and subject to the
8 same conditions, as provided in Section 5-4-3 of the Unified
9 Code of Corrections. The requirements of this paragraph are in
10 addition to any other findings, specimens, or information that
11 the coroner or medical examiner is required to provide during
12 the conduct of a criminal investigation.

13 In all counties, in cases of apparent suicide, homicide, or
14 accidental death or in other cases, within the discretion of
15 the coroner, the coroner may summon 8 persons of lawful age
16 from those persons drawn for petit jurors in the county. The
17 summons shall command these persons to present themselves
18 personally at such a place and time as the coroner shall
19 determine, and may be in any form which the coroner shall
20 determine and may incorporate any reasonable form of request
21 for acknowledgement which the coroner deems practical and
22 provides a reliable proof of service. The summons may be served
23 by first class mail. From the 8 persons so summoned, the
24 coroner shall select 6 to serve as the jury for the inquest.
25 Inquests may be continued from time to time, as the coroner may
26 deem necessary. The 6 jurors selected in a given case may view

1 the body of the deceased. If at any continuation of an inquest
2 one or more of the original jurors shall be unable to continue
3 to serve, the coroner shall fill the vacancy or vacancies. A
4 juror serving pursuant to this paragraph shall receive
5 compensation from the county at the same rate as the rate of
6 compensation that is paid to petit or grand jurors in the
7 county. The coroner shall furnish to each juror without fee at
8 the time of his discharge a certificate of the number of days
9 in attendance at an inquest, and, upon being presented with
10 such certificate, the county treasurer shall pay to the juror
11 the sum provided for his services.

12 In counties which have a jury commission, in cases of
13 apparent suicide or homicide or of accidental death, the
14 coroner may conduct an inquest. The jury commission shall
15 provide at least 8 jurors to the coroner, from whom the coroner
16 shall select any 6 to serve as the jury for the inquest.
17 Inquests may be continued from time to time as the coroner may
18 deem necessary. The 6 jurors originally chosen in a given case
19 may view the body of the deceased. If at any continuation of an
20 inquest one or more of the 6 jurors originally chosen shall be
21 unable to continue to serve, the coroner shall fill the vacancy
22 or vacancies. At the coroner's discretion, additional jurors to
23 fill such vacancies shall be supplied by the jury commission. A
24 juror serving pursuant to this paragraph in such county shall
25 receive compensation from the county at the same rate as the
26 rate of compensation that is paid to petit or grand jurors in

1 the county.

2 In every case in which a fire is determined to be a
3 contributing factor in a death, the coroner shall report the
4 death to the Office of the State Fire Marshal. The coroner
5 shall provide a copy of the death certificate (i) within 30
6 days after filing the permanent death certificate and (ii) in a
7 manner that is agreed upon by the coroner and the State Fire
8 Marshal.

9 In every case in which a drug overdose is determined to be
10 the cause or a contributing factor in the death, the coroner or
11 medical examiner shall report the death to the Department of
12 Public Health. The Department of Public Health shall adopt
13 rules regarding specific information that must be reported in
14 the event of such a death. If possible, the coroner shall
15 report the cause of the overdose. As used in this Section,
16 "overdose" has the same meaning as it does in Section 414 of
17 the Illinois Controlled Substances Act. The Department of
18 Public Health shall issue a semiannual report to the General
19 Assembly summarizing the reports received. The Department
20 shall also provide on its website a monthly report of overdose
21 death figures organized by location, age, and any other factors
22 the Department deems appropriate.

23 In addition, in every case in which domestic violence is
24 determined to be a contributing factor in a death, the coroner
25 shall report the death to the Department of State Police.

26 All deaths in State institutions and all deaths of wards of

1 the State in private care facilities or in programs funded by
2 the Department of Human Services under its powers relating to
3 mental health and developmental disabilities or alcoholism and
4 substance abuse or funded by the Department of Children and
5 Family Services shall be reported to the coroner of the county
6 in which the facility is located. If the coroner has reason to
7 believe that an investigation is needed to determine whether
8 the death was caused by maltreatment or negligent care of the
9 ward of the State, the coroner may conduct a preliminary
10 investigation of the circumstances of such death as in cases of
11 death under circumstances set forth in paragraphs (a) through
12 (e) of this Section.

3 for the level of license for which the applicant is
4 qualified. Upon passage of an examination, the Department

22 (a) Except as provided in subsections (b), (c), (d), and
23 (e), this Article shall apply to all companies transacting in
24 this State the kinds of business enumerated in clause (b) of

1 Class 1 and clause (a) of Class 2 of section 4. Nothing in this
2 Article shall apply to, or in any way affect policies or
3 contracts described in clause (a) of Class 1 of Section 4;
4 however, this Article shall apply to policies and contracts
5 which contain benefits providing reimbursement for the
6 expenses of long term health care which are certified or
7 ordered by a physician including but not limited to
8 professional nursing care, custodial nursing care, and
9 non-nursing custodial care provided in a nursing home or at a

12 health insurance issued in compliance with Article XIXB of this
13 Code.

14 (c) A policy issued and delivered in this State that
15 provides coverage under that policy for certificate holders who
16 are neither residents of nor employed in this State does not
17 need to provide to those nonresident certificate holders who
18 are not employed in this State the coverages or services
19 mandated by this Article.

20 (d) Stop-loss insurance is exempt from all Sections of this
21 Article, except this Section and Sections 353a, 354, 357.30,
22 and 370. For purposes of this exemption, stop-loss insurance is
23 further defined as follows:

24 (1) The policy must be issued to and insure an
25 employer, trustee, or other sponsor of the plan, or the
26 plan itself, but not employees, members, or participants.

1 (2) Payments by the insurer must be made to the
2 employer, trustee, or other sponsors of the plan, or the
3 plan itself, but not to the employees, members,

5 (e) A policy issued or delivered in this State to the
6 Department of Healthcare and Family Services (formerly
7 Illinois Department of Public Aid) and providing coverage,

13 respecting benefits imposed by or under authority of this Code,
14 except those specified by subsection (1) of Section 143 and

20 Sec. 356z.23. Coverage for opioid antidotes.

21 (a) An individual or group policy of accident and health
22 insurance amended, delivered, issued, or renewed in this State
23 after the effective date of this amendatory Act of the 99th
24 General Assembly that provides coverage for prescription drugs
25 must provide coverage for opioid antidotes, including the

1 medication product, administration devices, and any pharmacy
2 administration fees related to the dispensing of the opioid
3 antidote.

4 (b) As used in this Section, "opioid antidote" means
5 naloxone hydrochloride or any other similarly acting and
6 equally safe drug approved by the U.S. Food and Drug
7 Administration for the treatment of drug overdose.

8 (215 ILCS 5/370c) (from Ch. 73, par. 982c)

9 Sec. 370c. Mental and emotional disorders.

10 (a) (1) On and after the effective date of this amendatory
11 Act of the 97th General Assembly, every insurer which amends,
12 delivers, issues, or renews group accident and health policies
13 providing coverage for hospital or medical treatment or
14 services for illness on an expense-incurred basis shall offer
15 to the applicant or group policyholder subject to the insurer's
16 standards of insurability, coverage for reasonable and
17 necessary treatment and services for mental, emotional or
18 nervous disorders or conditions, other than serious mental
19 illnesses as defined in item (2) of subsection (b), consistent
20 with the parity requirements of Section 370c.1 of this Code.

21 (2) Each insured that is covered for mental, emotional,
22 nervous, or substance use disorders or conditions shall be free
23 to select the physician licensed to practice medicine in all
24 its branches, licensed clinical psychologist, licensed
25 clinical social worker, licensed clinical professional

1 counselor, licensed marriage and family therapist, licensed
2 speech-language pathologist, or other licensed or certified
3 professional at a program licensed pursuant to the Illinois
4 Alcoholism and Other Drug Abuse and Dependency Act of his
5 choice to treat such disorders, and the insurer shall pay the
6 covered charges of such physician licensed to practice medicine
7 in all its branches, licensed clinical psychologist, licensed
8 clinical social worker, licensed clinical professional
9 counselor, licensed marriage and family therapist, licensed
10 speech-language pathologist, or other licensed or certified
11 professional at a program licensed pursuant to the Illinois
12 Alcoholism and Other Drug Abuse and Dependency Act up to the
13 limits of coverage, provided (i) the disorder or condition
14 treated is covered by the policy, and (ii) the physician,
15 licensed psychologist, licensed clinical social worker,
16 licensed clinical professional counselor, licensed marriage
17 and family therapist, licensed speech-language pathologist, or
18 other licensed or certified professional at a program licensed
19 pursuant to the Illinois Alcoholism and Other Drug Abuse and
20 Dependency Act is authorized to provide said services under the
21 statutes of this State and in accordance with accepted
22 principles of his profession.

23 (3) Insofar as this Section applies solely to licensed
24 clinical social workers, licensed clinical professional
25 counselors, licensed marriage and family therapists, licensed
26 speech-language pathologists, and other licensed or certified

1 professionals at programs licensed pursuant to the Illinois
2 Alcoholism and Other Drug Abuse and Dependency Act, those
3 persons who may provide services to individuals shall do so
4 after the licensed clinical social worker, licensed clinical
5 professional counselor, licensed marriage and family
6 therapist, licensed speech-language pathologist, or other
7 licensed or certified professional at a program licensed
8 pursuant to the Illinois Alcoholism and Other Drug Abuse and
9 Dependency Act has informed the patient of the desirability of
10 the patient conferring with the patient's primary care
11 physician and the licensed clinical social worker, licensed
12 clinical professional counselor, licensed marriage and family
13 therapist, licensed speech-language pathologist, or other
14 licensed or certified professional at a program licensed
15 pursuant to the Illinois Alcoholism and Other Drug Abuse and
16 Dependency Act has provided written notification to the
17 patient's primary care physician, if any, that services are
18 being provided to the patient. That notification may, however,
19 be waived by the patient on a written form. Those forms shall
20 be retained by the licensed clinical social worker, licensed
21 clinical professional counselor, licensed marriage and family
22 therapist, licensed speech-language pathologist, or other
23 licensed or certified professional at a program licensed
24 pursuant to the Illinois Alcoholism and Other Drug Abuse and
25 Dependency Act for a period of not less than 5 years.

26 (b) (1) An insurer that provides coverage for hospital or

1 medical expenses under a group policy of accident and health
2 insurance or health care plan amended, delivered, issued, or
3 renewed on or after the effective date of this amendatory Act
4 of the 97th General Assembly shall provide coverage under the
5 policy for treatment of serious mental illness and substance
6 use disorders consistent with the parity requirements of
7 Section 370c.1 of this Code. This subsection does not apply to
8 any group policy of accident and health insurance or health
9 care plan for any plan year of a small employer as defined in
10 Section 5 of the Illinois Health Insurance Portability and
11 Accountability Act.

12 (2) "Serious mental illness" means the following
13 psychiatric illnesses as defined in the most current edition of
14 the Diagnostic and Statistical Manual (DSM) published by the
15 American Psychiatric Association:

16 (A) schizophrenia;

17 (B) paranoid and other psychotic disorders;

18 (C) bipolar disorders (hypomanic, manic, depressive,
19 and mixed);

20 (D) major depressive disorders (single episode or
21 recurrent);

22 (E) schizoaffective disorders (bipolar or depressive);

23 (F) pervasive developmental disorders;

24 (G) obsessive-compulsive disorders;

25 (H) depression in childhood and adolescence;

26 (I) panic disorder;

1 (J) post-traumatic stress disorders (acute, chronic,
2 or with delayed onset); and

3 (K) anorexia nervosa and bulimia nervosa.

4 (2.5) "Substance use disorder" means the following mental
5 disorders as defined in the most current edition of the
6 Diagnostic and Statistical Manual (DSM) published by the
7 American Psychiatric Association:

8 (A) substance abuse disorders;

9 (B) substance dependence disorders; and

10 (C) substance induced disorders.

11 (3) Unless otherwise prohibited by federal law and
12 consistent with the parity requirements of Section 370c.1 of
13 this Code, the reimbursing insurer, a provider of treatment of
14 serious mental illness or substance use disorder shall furnish
15 medical records or other necessary data that substantiate that
16 initial or continued treatment is at all times medically
17 necessary. An insurer shall provide a mechanism for the timely
18 review by a provider holding the same license and practicing in
19 the same specialty as the patient's provider, who is
20 unaffiliated with the insurer, jointly selected by the patient
21 (or the patient's next of kin or legal representative if the
22 patient is unable to act for himself or herself), the patient's
23 provider, and the insurer in the event of a dispute between the
24 insurer and patient's provider regarding the medical necessity
25 of a treatment proposed by a patient's provider. If the
26 reviewing provider determines the treatment to be medically

1 necessary, the insurer shall provide reimbursement for the
2 treatment. Future contractual or employment actions by the
3 insurer regarding the patient's provider may not be based on
4 the provider's participation in this procedure. Nothing
5 prevents the insured from agreeing in writing to continue
6 treatment at his or her expense. When making a determination of
7 the medical necessity for a treatment modality for serious
8 mental illness or substance use disorder, an insurer must make
9 the determination in a manner that is consistent with the
10 manner used to make that determination with respect to other
11 diseases or illnesses covered under the policy, including an
12 appeals process. Medical necessity determinations for
13 substance use disorders shall be made in accordance with
14 appropriate patient placement criteria established by the
15 American Society of Addiction Medicine. No additional criteria
16 may be used to make medical necessity determinations for
17 serious mental illness or substance use disorders.

18 (4) A group health benefit plan amended, delivered, issued,
19 or renewed on or after the effective date of this amendatory
20 Act of the 97th General Assembly:

21 (A) shall provide coverage based upon medical
22 necessity for the treatment of mental illness and substance
23 use disorders consistent with the parity requirements of
24 Section 370c.1 of this Code; provided, however, that in
25 each calendar year coverage shall not be less than the
26 following:

1 (i) 45 days of inpatient treatment; and

2 (ii) beginning on June 26, 2006 (the effective date
3 of Public Act 94-921), 60 visits for outpatient
4 treatment including group and individual outpatient
5 treatment; and

6 (iii) for plans or policies delivered, issued for
7 delivery, renewed, or modified after January 1, 2007
8 (the effective date of Public Act 94-906), 20
9 additional outpatient visits for speech therapy for
10 treatment of pervasive developmental disorders that
11 will be in addition to speech therapy provided pursuant
12 to item (ii) of this subparagraph (A); and

13 (B) may not include a lifetime limit on the number of
14 days of inpatient treatment or the number of outpatient
15 visits covered under the plan.

16 (C) (Blank).

17 (5) An issuer of a group health benefit plan may not count
18 toward the number of outpatient visits required to be covered
19 under this Section an outpatient visit for the purpose of
20 medication management and shall cover the outpatient visits
21 under the same terms and conditions as it covers outpatient
22 visits for the treatment of physical illness.

23 (5.5) An individual or group health benefit plan amended,
24 delivered, issued, or renewed on or after the effective date of
25 this amendatory Act of the 99th General Assembly shall provide
26 coverage for medically necessary acute treatment services and

1 medically necessary clinical stabilization services for up to a
2 total of 21 days before initiating utilization review
3 procedures and shall not require preauthorization prior to
4 obtaining acute treatment services or clinical stabilization
5 services. Medical necessity shall be determined by the
6 substance use disorder treatment facility or the treating
7 clinician in consultation with the patient.

8 As used in this subsection:

9 "Acute treatment services" means 24-hour medically
10 supervised addiction treatment that provides evaluation and
11 withdrawal management and may include biopsychosocial
12 assessment, individual and group counseling, psychoeducational
13 groups, and discharge planning.

14 "Clinical stabilization services" means 24-hour treatment,
15 usually following acute treatment services for substance
16 abuse, which may include intensive education and counseling
17 regarding the nature of addiction and its consequences, relapse
18 prevention, outreach to families and significant others, and
19 aftercare planning for individuals beginning to engage in
20 recovery from addiction.

21 (6) An issuer of a group health benefit plan may provide or
22 offer coverage required under this Section through a managed
23 care plan.

24 (7) (Blank).

25 (8) (Blank).

26 (9) With respect to substance use disorders and mental

1 illness, coverage for inpatient treatment shall include
2 coverage for treatment in a residential treatment center
3 licensed or certified by the Department of Public Health or the
4 Department of Human Services, Division of Alcoholism and
5 Substance Abuse.

6 (c) This Section shall not be interpreted to require
7 coverage for speech therapy or other habilitative services for
8 those individuals covered under Section 356z.15 of this Code.

9 (d) If an external independent review decision made
10 pursuant to the Health Carrier External Review Act upholds a
11 determination adverse to a covered person in violation of this
12 Section or Section 370c.1 of this Code, such person may appeal
13 the benefit denial to the Department; if the external review
14 decision is found by the Director to have been arbitrary and
15 capricious, then the Director, with consultation from a
16 licensed medical professional, may overturn the external
17 review decision and require the health carrier to pay for the
18 health care service or treatment.

19 (e) The Department shall enforce the requirements of State
20 and federal parity law, which includes ensuring compliance by
21 individual and group policies; detecting violations of the law
22 by individual and group policies; proactively monitoring
23 discriminatory practices; accepting, evaluating, and
24 responding to complaints regarding such violations; and
25 ensuring violations are appropriately remedied and deterred.
26 The Department shall adopt rules with detailed standards

1 ensuring plan compliance.

2 (f) In the event of uncertainty or disagreement with
3 respect to the application, interpretation, implementation, or
4 enforcement of the parity law's provisions, the Department may
5 request a formal written opinion from the Attorney General.
6 Such requests and opinions shall be issued in accordance with
7 State law and policies of the Attorney General.

8 (g) All individual and group policies of accident and
9 health insurance covered under this Section shall annually
10 report to the Department the percentages of premiums spent on
11 reimbursement for clinical services, including mental health
12 and substance use disorder services, and activities that
13 improve health care quality. Such policies must have a loss
14 ratio of at least 80%.

15 Medicaid managed care plans that receive capitated
16 payments from the State are required to annually report to the
17 Department the percentages of such capitated payments for
18 mental health and substance use disorder services spent on
19 reimbursement for mental health and substance use disorder
20 services. Such policies must have a loss ratio of at least 90%.

21 The Department shall adopt rules that cover the
22 penalization, in the reasonable discretion of the Department,
23 of policies who do not meet the applicable loss ratio
24 requirements. For purposes of this subsection, "loss ratio"
25 means the percentage of premium that is used to pay losses.

26 (h) Each insurance plan subject to this Act shall

1 electronically submit an annual report to the Department no
2 later than April 1st every year. The report shall include the
3 following information for the previous plan year:

4 (1) The number and percentage of times a benefit limit
5 is exceeded for a mental health benefit and for a substance
6 use disorder benefit and the number and percentage of times
7 a benefit limit is exceeded for other medical benefits.

8 (2) The number and percentage of times a co-pay or
9 co-insurance limit for a mental health benefit and for a
10 substance use disorder benefit is different from other
11 medical benefits.

12 (3) The number and percentage of claim denials for
13 mental health and substance use disorder benefits due to
14 benefit limits and the number and percentage of claim
15 denials for other medical benefits due to benefit limits.

16 (4) The number and percentage of denials for
17 experimental benefits or the use of unproven technology for
18 a mental health benefit and for a substance use disorder
19 benefit and the number and percentage of denials for
20 experimental benefits or the use of unproven technology for
21 other medical benefits.

22 (5) The number and percentage of administrative
23 denials for no prior authorization for a mental health
24 benefit and for a substance use disorder benefit and the
25 number and percentage of administrative denials for no
26 prior authorization for other medical benefits.

1 (6) The number and percentage of denials due to a
2 mental health benefit and a substance use disorder benefit
3 not being a covered benefit and the number and percentage
4 of denials for other medical benefits not being a covered
5 benefit.

6 (7) The number and percentage of denials due to a
7 mental health benefit and a substance use disorder benefit
8 not meeting medical necessity and the number and percentage
9 of denials for other medical benefits not meeting medical
10 necessity.

11 (8) The number and percentage of denials upheld on
12 appeal for a mental health benefit and for a substance use
13 disorder benefit for not meeting medical necessity and the
14 number and percentage of those for other medical benefits.

15 (9) The number and percentage of denials of mental
16 health benefits and of substance use benefits that went to
17 the plan's external quality review organization, or
18 similar reviewing body, and were upheld and those that were
19 overturned for medical necessity.

20 (10) The number and percentage of continued stay review
21 denials for mental health and substance use disorder
22 benefits.

23 (11) A summary of the plan's pharmacy management
24 processes for mental health and substance use benefits
25 compared to those for other medical benefits.

26 (12) A summary of the internal processes of review for

1 experimental benefits and unproven technology for mental
2 health and substance use disorder benefits and those for
3 other medical benefits.

4 (13) A summary of how the plan's policies and
5 procedures for utilization management for mental health
6 and substance use disorder benefits compare to those for
7 other medical benefits.

8 The Department shall develop a specific electronic form for
9 insurance plans to use in reporting this data. The Department
10 shall post the data reported under this Section to its website
11 annually by August 1st each year.

12 (i) As used in this Section, "group policy of accident and
13 health insurance" and "group health benefit plan" includes (1)
14 all employer-sponsored group health insurance plans written in
15 Illinois, including self-insured plans; (2) Illinois Medicaid
16 managed care organization plans covering individuals enrolled
17 in any of Illinois' Medicaid managed care entity models,

16 condition benefits are no more restrictive than the
17 predominant financial requirements applied to
18 substantially all hospital and medical benefits covered by
19 the policy and that there are no separate cost-sharing
20 requirements that are applicable only with respect to
21 mental, emotional, nervous, or substance use disorder or
22 condition benefits; and

23 (2) the treatment limitations applicable to such
24 mental, emotional, nervous, or substance use disorder or

25 benefits; or

26 (B) if the policy includes an aggregate lifetime

1 limit on substantially all hospital and medical
2 benefits (in this subsection referred to as the
3 "applicable lifetime limit"), then the policy shall
4 either:

5 (i) apply the applicable lifetime limit both
6 to the hospital and medical benefits to which it
7 otherwise would apply and to mental, emotional,
8 nervous, or substance use disorder or condition
9 benefits and not distinguish in the application of
10 the limit between the hospital and medical
11 benefits and mental, emotional, nervous, or
12 substance use disorder or condition benefits; or

15 and for the treatment of mental, emotional, nervous, or
16 substance use disorders or conditions the following
17 provisions shall apply:

18 (A) if the policy does not include an annual limit
19 on substantially all hospital and medical benefits,

17 shall establish rules under which subparagraph (B) of
18 paragraph (1) of subsection (c) of this Section is applied
19 to such policy with respect to mental, emotional, nervous,

23 weighted average of the annual limits applicable to such
24 categories.

25 (d) With respect to substance use disorders, an insurer
26 shall use policies and procedures for the election and

2 subsections (b) and (c).

3 "Treatment limitation" includes limits on benefits based
4 on the frequency of treatment, number of visits, days of
5 coverage, days in a waiting period, or other similar limits on
6 the scope or duration of treatment. "Treatment limitation"
7 includes both quantitative treatment limitations, which are
8 expressed numerically (such as 50 outpatient visits per year),
9 and nonquantitative treatment limitations, which include
10 restrictions based on geographic location, facility type,
11 provider specialty, network adequacy standards, and any other
12 criteria that otherwise limit the scope or duration of
13 treatment. A permanent exclusion of all benefits for a
14 particular condition or disorder shall not be considered a
15 treatment limitation.

16 (h) The Department of Insurance shall implement the
17 following education initiatives:

18 (1) By January 1, 2016, the Department shall develop a
19 plan for a Consumer Education Campaign on parity. The

22 southern, and central regions of the State, as defined by
23 the Department, as well as each of the 5 managed care
24 regions of the State as identified by the Department of
25 Healthcare and Family Services. Under this Consumer
26 Education Campaign, the Department shall: (1) by January 1,

1 2017, provide at least one live training in each region on
2 parity for consumers and providers and one webinar training
3 to be posted on the Department website and (2) establish a
4 consumer hotline to assist consumers in navigating the
5 parity process by March 1, 2016. By January 1, 2018 the
6 Department shall issue a report to the General Assembly on
7 the success of the consumer education campaign, which shall
8 indicate whether additional training is necessary or would
9 be recommended.

10 (2) The Department, in coordination with the
11 Department of Human Services and the Department of
12 Healthcare and Family Services, shall convene a working
13 group of health care insurance carriers, substance abuse
14 patient advocacy groups, and provider groups for the
15 purpose of discussing issues related to the treatment and
16 coverage of substance abuse disorders. The working group
17 shall meet once before January 1, 2016 and shall meet

5 Section 75. The Health Carrier External Review Act is
6 amended by changing Sections 20 and 35 as follows:

7 (215 ILCS 180/20)

8 Sec. 20. Notice of right to external review.

9 (a) At the same time the health carrier sends written
10 notice of a covered person's right to appeal a coverage
11 decision upon an adverse determination or a final adverse
12 determination, a health carrier shall notify a covered person,
13 the covered person's authorized representative, if any, and a
14 covered person's health care provider in writing of the covered
15 person's right to request an external review as provided by
16 this Act. The written notice required shall include the
17 following, or substantially equivalent, language: "We have
18 denied your request for the provision of or payment for a
19 health care service or course of treatment. You have the right
20 to have our decision reviewed by an independent review
21 organization not associated with us by submitting a written
22 request for an external review to the Department of Insurance,
23 Office of Consumer Health Information, 320 West Washington
24 Street, 4th Floor, Springfield, Illinois, 62767.". The written

1 notice shall include a copy of the Department's Request for
2 External Review form.

3 (a-5) The Department may prescribe the form and content of
4 the notice required under this Section.

5 (b) In addition to the notice required in subsection (a),
6 for a notice related to an adverse determination, the health
7 carrier shall include a statement informing the covered person
8 of all of the following:

9 (1) If the covered person has a medical condition where
10 the timeframe for completion of (A) an expedited internal
11 review of an appeal involving an adverse determination, (B)
12 a final adverse determination, or (C) a standard external
13 review as established in this Act, would seriously
14 jeopardize the life or health of the covered person or
15 would jeopardize the covered person's ability to regain
16 maximum function, then the covered person or the covered
17 person's authorized representative may file a request for
18 an expedited external review.

19 (2) The covered person or the covered person's
20 authorized representative may file an appeal under the
21 health carrier's internal appeal process, but if the health
22 carrier has not issued a written decision to the covered
23 person or the covered person's authorized representative
24 30 days following the date the covered person or the
25 covered person's authorized representative files an appeal
26 of an adverse determination that involves a concurrent or

1 prospective review request or 60 days following the date
2 the covered person or the covered person's authorized
3 representative files an appeal of an adverse determination
4 that involves a retrospective review request with the
5 health carrier and the covered person or the covered
6 person's authorized representative has not requested or
7 agreed to a delay, then the covered person or the covered
8 person's authorized representative may file a request for
9 external review and shall be considered to have exhausted
10 the health carrier's internal appeal process for purposes
11 of this Act.

12 (3) If the covered person or the covered person's
13 authorized representative filed a request for an expedited
14 internal review of an adverse determination and has not
15 received a decision on such request from the health carrier
16 within 48 hours, except to the extent the covered person or
17 the covered person's authorized representative requested
18 or agreed to a delay, then the covered person or the
19 covered person's authorized representative may file a
20 request for external review and shall be considered to have
21 exhausted the health carrier's internal appeal process for
22 the purposes of this Act.

23 (4) If an adverse determination concerns a denial of
24 coverage based on a determination that the recommended or
25 requested health care service or treatment is experimental
26 or investigational and the covered person's health care

1 provider certifies in writing that the recommended or
2 requested health care service or treatment that is the
3 subject of the request would be significantly less
4 effective if not promptly initiated, then the covered
5 person or the covered person's authorized representative
6 may request an expedited external review at the same time
7 the covered person or the covered person's authorized
8 representative files a request for an expedited internal
9 appeal involving an adverse determination. The independent
10 review organization assigned to conduct the expedited
11 external review shall determine whether the covered person
12 is required to complete the expedited review of the appeal
13 prior to conducting the expedited external review.

14 (c) In addition to the notice required in subsection (a),
15 for a notice related to a final adverse determination, the
16 health carrier shall include a statement informing the covered
17 person of all of the following:

18 (1) if the covered person has a medical condition where
19 the timeframe for completion of a standard external review
20 would seriously jeopardize the life or health of the
21 covered person or would jeopardize the covered person's
22 ability to regain maximum function, then the covered person
23 or the covered person's authorized representative may file
24 a request for an expedited external review; or

25 (2) if a final adverse determination concerns an
26 admission, availability of care, continued stay, or health

1 care service for which the covered person received
2 emergency services, but has not been discharged from a
3 facility, then the covered person, or the covered person's
4 authorized representative, may request an expedited
5 external review; or

6 (3) if a final adverse determination concerns a denial
7 of coverage based on a determination that the recommended
8 or requested health care service or treatment is
9 experimental or investigational, and the covered person's
10 health care provider certifies in writing that the
11 recommended or requested health care service or treatment
12 that is the subject of the request would be significantly
13 less effective if not promptly initiated, then the covered
14 person or the covered person's authorized representative
15 may request an expedited external review.

16 (d) In addition to the information to be provided pursuant
17 to subsections (a), (b), and (c) of this Section, the health
18 carrier shall include a copy of the description of both the
19 required standard and expedited external review procedures.
20 The description shall highlight the external review procedures
21 that give the covered person or the covered person's authorized
22 representative the opportunity to submit additional
23 information, including any forms used to process an external
24 review.

25 (e) As part of any forms provided under subsection (d) of
26 this Section, the health carrier shall include an authorization

1 form, or other document approved by the Director, by which the
2 covered person, for purposes of conducting an external review
3 under this Act, authorizes the health carrier and the covered
4 person's treating health care provider to disclose protected
5 health information, including medical records, concerning the
6 covered person that is pertinent to the external review, as
7 provided in the Illinois Insurance Code.

9 (215 ILCS 180/35)

10 Sec. 35. Standard external review.

11 (a) Within 4 months after the date of receipt of a notice
12 of an adverse determination or final adverse determination, a
13 covered person or the covered person's authorized
14 representative may file a request for an external review with
15 the Director. Within one business day after the date of receipt
16 of a request for external review, the Director shall send a
17 copy of the request to the health carrier.

18 (b) Within 5 business days following the date of receipt of
19 the external review request, the health carrier shall complete
20 a preliminary review of the request to determine whether:

21 (1) the individual is or was a covered person in the
22 health benefit plan at the time the health care service was
23 requested or at the time the health care service was
24 provided;

25 (2) the health care service that is the subject of the

1 adverse determination or the final adverse determination
2 is a covered service under the covered person's health
3 benefit plan, but the health carrier has determined that
4 the health care service is not covered;

5 (3) the covered person has exhausted the health
6 carrier's internal appeal process unless the covered
7 person is not required to exhaust the health carrier's
8 internal appeal process pursuant to this Act;

9 (4) (blank); and

10 (5) the covered person has provided all the information
11 and forms required to process an external review, as
12 specified in this Act.

13 (c) Within one business day after completion of the
14 preliminary review, the health carrier shall notify the
15 Director and covered person and, if applicable, the covered
16 person's authorized representative in writing whether the
17 request is complete and eligible for external review. If the
18 request:

19 (1) is not complete, the health carrier shall inform
20 the Director and covered person and, if applicable, the
21 covered person's authorized representative in writing and
22 include in the notice what information or materials are
23 required by this Act to make the request complete; or

24 (2) is not eligible for external review, the health
25 carrier shall inform the Director and covered person and,
26 if applicable, the covered person's authorized

1 representative in writing and include in the notice the
2 reasons for its ineligibility.

3 The Department may specify the form for the health
4 carrier's notice of initial determination under this
5 subsection (c) and any supporting information to be included in
6 the notice.

7 The notice of initial determination of ineligibility shall
8 include a statement informing the covered person and, if
9 applicable, the covered person's authorized representative
10 that a health carrier's initial determination that the external
11 review request is ineligible for review may be appealed to the
12 Director by filing a complaint with the Director.

13 Notwithstanding a health carrier's initial determination
14 that the request is ineligible for external review, the
15 Director may determine that a request is eligible for external
16 review and require that it be referred for external review. In
17 making such determination, the Director's decision shall be in
18 accordance with the terms of the covered person's health
19 benefit plan, unless such terms are inconsistent with
20 applicable law, and shall be subject to all applicable
21 provisions of this Act.

22 (d) Whenever the Director receives notice that a request is
23 eligible for external review following the preliminary review
24 conducted pursuant to this Section, within one business day
25 after the date of receipt of the notice, the Director shall:

26 (1) assign an independent review organization from the

1 list of approved independent review organizations compiled
2 and maintained by the Director pursuant to this Act and
3 notify the health carrier of the name of the assigned
4 independent review organization; and

5 (2) notify in writing the covered person and, if
6 applicable, the covered person's authorized representative
7 of the request's eligibility and acceptance for external
8 review and the name of the independent review organization.

9 The Director shall include in the notice provided to the
10 covered person and, if applicable, the covered person's
11 authorized representative a statement that the covered person
12 or the covered person's authorized representative may, within 5
13 business days following the date of receipt of the notice
14 provided pursuant to item (2) of this subsection (d), submit in
15 writing to the assigned independent review organization
16 additional information that the independent review
17 organization shall consider when conducting the external
18 review. The independent review organization is not required to,
19 but may, accept and consider additional information submitted
20 after 5 business days.

21 (e) The assignment by the Director of an approved
22 independent review organization to conduct an external review
23 in accordance with this Section shall be done on a random basis
24 among those independent review organizations approved by the
25 Director pursuant to this Act.

26 (f) Within 5 business days after the date of receipt of the

1 notice provided pursuant to item (1) of subsection (d) of this
2 Section, the health carrier or its designee utilization review
3 organization shall provide to the assigned independent review
4 organization the documents and any information considered in
5 making the adverse determination or final adverse
6 determination; in such cases, the following provisions shall
7 apply:

8 (1) Except as provided in item (2) of this subsection
9 (f), failure by the health carrier or its utilization
10 review organization to provide the documents and
11 information within the specified time frame shall not delay
12 the conduct of the external review.

13 (2) If the health carrier or its utilization review
14 organization fails to provide the documents and
15 information within the specified time frame, the assigned
16 independent review organization may terminate the external
17 review and make a decision to reverse the adverse
18 determination or final adverse determination.

19 (3) Within one business day after making the decision
20 to terminate the external review and make a decision to
21 reverse the adverse determination or final adverse
22 determination under item (2) of this subsection (f), the
23 independent review organization shall notify the Director,
24 the health carrier, the covered person and, if applicable,
25 the covered person's authorized representative, of its
26 decision to reverse the adverse determination.

1 (g) Upon receipt of the information from the health carrier
2 or its utilization review organization, the assigned
3 independent review organization shall review all of the
4 information and documents and any other information submitted
5 in writing to the independent review organization by the
6 covered person and the covered person's authorized
7 representative.

8 (h) Upon receipt of any information submitted by the
9 covered person or the covered person's authorized
10 representative, the independent review organization shall
11 forward the information to the health carrier within 1 business
12 day.

13 (1) Upon receipt of the information, if any, the health
14 carrier may reconsider its adverse determination or final
15 adverse determination that is the subject of the external
16 review.

17 (2) Reconsideration by the health carrier of its
18 adverse determination or final adverse determination shall
19 not delay or terminate the external review.

20 (3) The external review may only be terminated if the
21 health carrier decides, upon completion of its
22 reconsideration, to reverse its adverse determination or
23 final adverse determination and provide coverage or
24 payment for the health care service that is the subject of
25 the adverse determination or final adverse determination.

26 In such cases, the following provisions shall apply:

1 (A) Within one business day after making the
2 decision to reverse its adverse determination or final
3 adverse determination, the health carrier shall notify
4 the Director, the covered person and, if applicable,
5 the covered person's authorized representative, and
6 the assigned independent review organization in
7 writing of its decision.

8 (B) Upon notice from the health carrier that the
9 health carrier has made a decision to reverse its
10 adverse determination or final adverse determination,
11 the assigned independent review organization shall
12 terminate the external review.

13 (i) In addition to the documents and information provided
14 by the health carrier or its utilization review organization
15 and the covered person and the covered person's authorized
16 representative, if any, the independent review organization,
17 to the extent the information or documents are available and
18 the independent review organization considers them
19 appropriate, shall consider the following in reaching a
20 decision:

21 (1) the covered person's pertinent medical records;

22 (2) the covered person's health care provider's
23 recommendation;

24 (3) consulting reports from appropriate health care
25 providers and other documents submitted by the health
26 carrier or its designee utilization review organization,

1 the covered person, the covered person's authorized
2 representative, or the covered person's treating provider;

3 (4) the terms of coverage under the covered person's
4 health benefit plan with the health carrier to ensure that
5 the independent review organization's decision is not
6 contrary to the terms of coverage under the covered
7 person's health benefit plan with the health carrier,
8 unless the terms are inconsistent with applicable law;

9 (5) the most appropriate practice guidelines, which
10 shall include applicable evidence-based standards and may
11 include any other practice guidelines developed by the
12 federal government, national or professional medical
13 societies, boards, and associations;

14 (6) any applicable clinical review criteria developed
15 and used by the health carrier or its designee utilization
16 review organization;

17 (7) the opinion of the independent review
18 organization's clinical reviewer or reviewers after
19 considering items (1) through (6) of this subsection (i) to
20 the extent the information or documents are available and
21 the clinical reviewer or reviewers considers the
22 information or documents appropriate; ~~and~~

23 (8) (blank); ~~and~~.

24 (9) in the case of medically necessary determinations
25 for substance use disorders, the patient placement
26 criteria established by the American Society of Addiction

2 (j) Within 5 days after the date of receipt of all
3 necessary information, but in no event more than 45 days after
4 the date of receipt of the request for an external review, the
5 assigned independent review organization shall provide written
6 notice of its decision to uphold or reverse the adverse
7 determination or the final adverse determination to the
8 Director, the health carrier, the covered person, and, if
9 applicable, the covered person's authorized representative. In
10 reaching a decision, the assigned independent review
11 organization is not bound by any claim determinations reached
12 prior to the submission of information to the independent
13 review organization. In such cases, the following provisions
14 shall apply:

15 (1) The independent review organization shall include
16 in the notice:

17 (A) a general description of the reason for the
18 request for external review;

20 received the assignment from the Director to conduct
21 the external review;

22 (C) the time period during which the external
23 review was conducted;

25 including the evidence-based standards, considered in
26 reaching its decision;

16 Section 80. The Medical Practice Act of 1987 is amended by
17 changing Section 20 as follows:

18 (225 ILCS 60/20) (from Ch. 111, par. 4400-20)

19 (Section scheduled to be repealed on December 31, 2015)

20 Sec. 20. Continuing education.

21 (a) The Department shall promulgate rules of continuing
22 education for persons licensed under this Act that require an
23 average of 50 hours of continuing education per license year.
24 These rules shall be consistent with requirements of relevant

1 professional associations, specialty societies, or boards. The
2 rules shall also address variances in part or in whole for good
3 cause, including, but not limited to, temporary illness or
4 hardship. In establishing these rules, the Department shall
5 consider educational requirements for medical staffs,
6 requirements for specialty society board certification or for
7 continuing education requirements as a condition of membership
8 in societies representing the 2 categories of licensee under
9 this Act. These rules shall assure that licensees are given the
10 opportunity to participate in those programs sponsored by or
11 through their professional associations or hospitals which are
12 relevant to their practice. Each licensee is responsible for
13 maintaining records of completion of continuing education and
14 shall be prepared to produce the records when requested by the
15 Department.

16 (b) The Department shall adopt rules that require
17 physicians licensed under this Act that prescribe controlled
18 substances, as defined by the Illinois Controlled Substances
19 Act, to complete a certain number of continuing education hours
20 on the abuse of controlled substances as a condition of license
21 renewal. This education may include, but is not limited to, the
22 following topics: best prescribing practices for pain
23 management, the risks of overprescribing and underprescribing,
24 medication abuse, screening and signs of addiction, and
25 responding to addiction. These controlled substances
26 continuing education hours shall be included in, and not in

1 addition to, the hours of continuing education required under

4 Section 85. The Illinois Public Aid Code is amended by
5 changing Sections 5-5 and 5-16.8 as follows:

6 (305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

7 Sec. 5-5. Medical services. The Illinois Department, by
8 rule, shall determine the quantity and quality of and the rate
9 of reimbursement for the medical assistance for which payment
10 will be authorized, and the medical services to be provided,
11 which may include all or part of the following: (1) inpatient
12 hospital services; (2) outpatient hospital services; (3) other
13 laboratory and X-ray services; (4) skilled nursing home
14 services; (5) physicians' services whether furnished in the
15 office, the patient's home, a hospital, a skilled nursing home,

17 care furnished by licensed practitioners; (7) home health care
18 services; (8) private duty nursing service; (9) clinic
19 services; (10) dental services, including prevention and
20 treatment of periodontal disease and dental caries disease for
21 pregnant women, provided by an individual licensed to practice
22 dentistry or dental surgery; for purposes of this item (10),
23 "dental services" means diagnostic, preventive, or corrective
24 procedures provided by or under the supervision of a dentist in

1 the practice of his or her profession; (11) physical therapy
2 and related services; (12) prescribed drugs, dentures, and
3 prosthetic devices; and eyeglasses prescribed by a physician
4 skilled in the diseases of the eye, or by an optometrist,
5 whichever the person may select; (13) other diagnostic,
6 screening, preventive, and rehabilitative services, including
7 to ensure that the individual's need for intervention or
8 treatment of mental disorders or substance use disorders or
9 co-occurring mental health and substance use disorders is
10 determined using a uniform screening, assessment, and
11 evaluation process inclusive of criteria, for children and
12 adults; for purposes of this item (13), a uniform screening,
13 assessment, and evaluation process refers to a process that
14 includes an appropriate evaluation and, as warranted, a
15 referral; "uniform" does not mean the use of a singular
16 instrument, tool, or process that all must utilize; (14)
17 transportation and such other expenses as may be necessary;
18 (15) medical treatment of sexual assault survivors, as defined
19 in Section 1a of the Sexual Assault Survivors Emergency
20 Treatment Act, for injuries sustained as a result of the sexual

23 arising from the sexual assault; (16) the diagnosis and
24 treatment of sickle cell anemia; and (17) any other medical

3 of the life of the woman seeking such treatment, or except an
4 induced premature birth intended to produce a live viable child
5 and such procedure is necessary for the health of the mother or
6 her unborn child. The Illinois Department, by rule, shall
7 prohibit any physician from providing medical assistance to
8 anyone eligible therefor under this Code where such physician
9 has been found guilty of performing an abortion procedure in a
10 wilful and wanton manner upon a woman who was not pregnant at
11 the time such abortion procedure was performed. The term "any
12 other type of remedial care" shall include nursing care and
13 nursing home service for persons who rely on treatment by
14 spiritual means alone through prayer for healing.

15 Notwithstanding any other provision of this Section, a
16 comprehensive tobacco use cessation program that includes
17 purchasing prescription drugs or prescription medical devices
18 approved by the Food and Drug Administration shall be covered
19 under the medical assistance program under this Article for
20 persons who are otherwise eligible for assistance under this
21 Article.

22 Notwithstanding any other provision of this Code, the
23 Illinois Department may not require, as a condition of payment
24 for any laboratory test authorized under this Article, that a
25 physician's handwritten signature appear on the laboratory
26 test order form. The Illinois Department may, however, impose

1 other appropriate requirements regarding laboratory test order
2 documentation.

3 Upon receipt of federal approval of an amendment to the
4 Illinois Title XIX State Plan for this purpose, the Department
5 shall authorize the Chicago Public Schools (CPS) to procure a
6 vendor or vendors to manufacture eyeglasses for individuals
7 enrolled in a school within the CPS system. CPS shall ensure
8 that its vendor or vendors are enrolled as providers in the
9 medical assistance program and in any capitated Medicaid
10 managed care entity (MCE) serving individuals enrolled in a
11 school within the CPS system. Under any contract procured under
12 this provision, the vendor or vendors must serve only
13 individuals enrolled in a school within the CPS system. Claims
14 for services provided by CPS's vendor or vendors to recipients
15 of benefits in the medical assistance program under this Code,
16 the Children's Health Insurance Program, or the Covering ALL
17 KIDS Health Insurance Program shall be submitted to the
18 Department or the MCE in which the individual is enrolled for
19 payment and shall be reimbursed at the Department's or the
20 MCE's established rates or rate methodologies for eyeglasses.

21 On and after July 1, 2012, the Department of Healthcare and
22 Family Services may provide the following services to persons
23 eligible for assistance under this Article who are
24 participating in education, training or employment programs
25 operated by the Department of Human Services as successor to
26 the Department of Public Aid:

1 (1) dental services provided by or under the
2 supervision of a dentist; and

3 (2) eyeglasses prescribed by a physician skilled in the
4 diseases of the eye, or by an optometrist, whichever the
5 person may select.

6 Notwithstanding any other provision of this Code and
7 subject to federal approval, the Department may adopt rules to
8 allow a dentist who is volunteering his or her service at no
9 cost to render dental services through an enrolled
10 not-for-profit health clinic without the dentist personally
11 enrolling as a participating provider in the medical assistance
12 program. A not-for-profit health clinic shall include a public
13 health clinic or Federally Qualified Health Center or other
14 enrolled provider, as determined by the Department, through
15 which dental services covered under this Section are performed.
16 The Department shall establish a process for payment of claims
17 for reimbursement for covered dental services rendered under
18 this provision.

19 The Illinois Department, by rule, may distinguish and
20 classify the medical services to be provided only in accordance
21 with the classes of persons designated in Section 5-2.

22 The Department of Healthcare and Family Services must
23 provide coverage and reimbursement for amino acid-based
24 elemental formulas, regardless of delivery method, for the
25 diagnosis and treatment of (i) eosinophilic disorders and (ii)
26 short bowel syndrome when the prescribing physician has issued

1 a written order stating that the amino acid-based elemental
2 formula is medically necessary.

3 The Illinois Department shall authorize the provision of,
4 and shall authorize payment for, screening by low-dose
5 mammography for the presence of occult breast cancer for women
6 35 years of age or older who are eligible for medical
7 assistance under this Article, as follows:

8 (A) A baseline mammogram for women 35 to 39 years of
9 age.

10 (B) An annual mammogram for women 40 years of age or
11 older.

12 (C) A mammogram at the age and intervals considered
13 medically necessary by the woman's health care provider for
14 women under 40 years of age and having a family history of
15 breast cancer, prior personal history of breast cancer,
16 positive genetic testing, or other risk factors.

17 (D) A comprehensive ultrasound screening of an entire
18 breast or breasts if a mammogram demonstrates
19 heterogeneous or dense breast tissue, when medically
20 necessary as determined by a physician licensed to practice
21 medicine in all of its branches.

22 All screenings shall include a physical breast exam,
23 instruction on self-examination and information regarding the
24 frequency of self-examination and its value as a preventative
25 tool. For purposes of this Section, "low-dose mammography"
26 means the x-ray examination of the breast using equipment

1 dedicated specifically for mammography, including the x-ray
2 tube, filter, compression device, and image receptor, with an
3 average radiation exposure delivery of less than one rad per
4 breast for 2 views of an average size breast. The term also
5 includes digital mammography.

6 On and after January 1, 2012, providers participating in a
7 quality improvement program approved by the Department shall be
8 reimbursed for screening and diagnostic mammography at the same
9 rate as the Medicare program's rates, including the increased
10 reimbursement for digital mammography.

11 The Department shall convene an expert panel including
12 representatives of hospitals, free-standing mammography
13 facilities, and doctors, including radiologists, to establish
14 quality standards.

15 Subject to federal approval, the Department shall
16 establish a rate methodology for mammography at federally
17 qualified health centers and other encounter-rate clinics.
18 These clinics or centers may also collaborate with other
19 hospital-based mammography facilities.

20 The Department shall establish a methodology to remind
21 women who are age-appropriate for screening mammography, but
22 who have not received a mammogram within the previous 18
23 months, of the importance and benefit of screening mammography.

24 The Department shall establish a performance goal for
25 primary care providers with respect to their female patients
26 over age 40 receiving an annual mammogram. This performance

1 goal shall be used to provide additional reimbursement in the
2 form of a quality performance bonus to primary care providers
3 who meet that goal.

4 The Department shall devise a means of case-managing or
5 patient navigation for beneficiaries diagnosed with breast
6 cancer. This program shall initially operate as a pilot program
7 in areas of the State with the highest incidence of mortality
8 related to breast cancer. At least one pilot program site shall
9 be in the metropolitan Chicago area and at least one site shall
10 be outside the metropolitan Chicago area. An evaluation of the
11 pilot program shall be carried out measuring health outcomes
12 and cost of care for those served by the pilot program compared
13 to similarly situated patients who are not served by the pilot
14 program.

15 Any medical or health care provider shall immediately
16 recommend, to any pregnant woman who is being provided prenatal
17 services and is suspected of drug abuse or is addicted as
18 defined in the Alcoholism and Other Drug Abuse and Dependency
19 Act, referral to a local substance abuse treatment provider
20 licensed by the Department of Human Services or to a licensed
21 hospital which provides substance abuse treatment services.
22 The Department of Healthcare and Family Services shall assure
23 coverage for the cost of treatment of the drug abuse or
24 addiction for pregnant recipients in accordance with the
25 Illinois Medicaid Program in conjunction with the Department of
26 Human Services.

1 All medical providers providing medical assistance to
2 pregnant women under this Code shall receive information from
3 the Department on the availability of services under the Drug
4 Free Families with a Future or any comparable program providing
5 case management services for addicted women, including
6 information on appropriate referrals for other social services
7 that may be needed by addicted women in addition to treatment
8 for addiction.

9 The Illinois Department, in cooperation with the
10 Departments of Human Services (as successor to the Department
11 of Alcoholism and Substance Abuse) and Public Health, through a
12 public awareness campaign, may provide information concerning
13 treatment for alcoholism and drug abuse and addiction, prenatal
14 health care, and other pertinent programs directed at reducing
15 the number of drug-affected infants born to recipients of
16 medical assistance.

17 Neither the Department of Healthcare and Family Services
18 nor the Department of Human Services shall sanction the
19 recipient solely on the basis of her substance abuse.

20 The Illinois Department shall establish such regulations
21 governing the dispensing of health services under this Article
22 as it shall deem appropriate. The Department should seek the
23 advice of formal professional advisory committees appointed by
24 the Director of the Illinois Department for the purpose of
25 providing regular advice on policy and administrative matters,
26 information dissemination and educational activities for

1 medical and health care providers, and consistency in
2 procedures to the Illinois Department.

3 The Illinois Department may develop and contract with
4 Partnerships of medical providers to arrange medical services
5 for persons eligible under Section 5-2 of this Code.
6 Implementation of this Section may be by demonstration projects
7 in certain geographic areas. The Partnership shall be
8 represented by a sponsor organization. The Department, by rule,
9 shall develop qualifications for sponsors of Partnerships.
10 Nothing in this Section shall be construed to require that the
11 sponsor organization be a medical organization.

12 The sponsor must negotiate formal written contracts with
13 medical providers for physician services, inpatient and
14 outpatient hospital care, home health services, treatment for
15 alcoholism and substance abuse, and other services determined
16 necessary by the Illinois Department by rule for delivery by
17 Partnerships. Physician services must include prenatal and
18 obstetrical care. The Illinois Department shall reimburse
19 medical services delivered by Partnership providers to clients
20 in target areas according to provisions of this Article and the
21 Illinois Health Finance Reform Act, except that:

22 (1) Physicians participating in a Partnership and
23 providing certain services, which shall be determined by
24 the Illinois Department, to persons in areas covered by the
25 Partnership may receive an additional surcharge for such
26 services.

1 (2) The Department may elect to consider and negotiate
2 financial incentives to encourage the development of
3 Partnerships and the efficient delivery of medical care.

4 (3) Persons receiving medical services through
5 Partnerships may receive medical and case management
6 services above the level usually offered through the
7 medical assistance program.

8 Medical providers shall be required to meet certain
9 qualifications to participate in Partnerships to ensure the
10 delivery of high quality medical services. These
11 qualifications shall be determined by rule of the Illinois
12 Department and may be higher than qualifications for
13 participation in the medical assistance program. Partnership
14 sponsors may prescribe reasonable additional qualifications
15 for participation by medical providers, only with the prior
16 written approval of the Illinois Department.

17 Nothing in this Section shall limit the free choice of
18 practitioners, hospitals, and other providers of medical
19 services by clients. In order to ensure patient freedom of
20 choice, the Illinois Department shall immediately promulgate
21 all rules and take all other necessary actions so that provided
22 services may be accessed from therapeutically certified
23 optometrists to the full extent of the Illinois Optometric
24 Practice Act of 1987 without discriminating between service
25 providers.

26 The Department shall apply for a waiver from the United

1 States Health Care Financing Administration to allow for the
2 implementation of Partnerships under this Section.

3 The Illinois Department shall require health care
4 providers to maintain records that document the medical care
5 and services provided to recipients of Medical Assistance under
6 this Article. Such records must be retained for a period of not
7 less than 6 years from the date of service or as provided by
8 applicable State law, whichever period is longer, except that
9 if an audit is initiated within the required retention period
10 then the records must be retained until the audit is completed
11 and every exception is resolved. The Illinois Department shall
12 require health care providers to make available, when
13 authorized by the patient, in writing, the medical records in a
14 timely fashion to other health care providers who are treating
15 or serving persons eligible for Medical Assistance under this
16 Article. All dispensers of medical services shall be required
17 to maintain and retain business and professional records
18 sufficient to fully and accurately document the nature, scope,
19 details and receipt of the health care provided to persons
20 eligible for medical assistance under this Code, in accordance
21 with regulations promulgated by the Illinois Department. The
22 rules and regulations shall require that proof of the receipt
23 of prescription drugs, dentures, prosthetic devices and
24 eyeglasses by eligible persons under this Section accompany
25 each claim for reimbursement submitted by the dispenser of such
26 medical services. No such claims for reimbursement shall be

1 approved for payment by the Illinois Department without such
2 proof of receipt, unless the Illinois Department shall have put
3 into effect and shall be operating a system of post-payment
4 audit and review which shall, on a sampling basis, be deemed
5 adequate by the Illinois Department to assure that such drugs,
6 dentures, prosthetic devices and eyeglasses for which payment
7 is being made are actually being received by eligible
8 recipients. Within 90 days after the effective date of this
9 amendatory Act of 1984, the Illinois Department shall establish
10 a current list of acquisition costs for all prosthetic devices
11 and any other items recognized as medical equipment and
12 supplies reimbursable under this Article and shall update such
13 list on a quarterly basis, except that the acquisition costs of
14 all prescription drugs shall be updated no less frequently than
15 every 30 days as required by Section 5-5.12.

16 The rules and regulations of the Illinois Department shall
17 require that a written statement including the required opinion
18 of a physician shall accompany any claim for reimbursement for
19 abortions, or induced miscarriages or premature births. This
20 statement shall indicate what procedures were used in providing
21 such medical services.

22 Notwithstanding any other law to the contrary, the Illinois
23 Department shall, within 365 days after July 22, 2013~~7~~ (the
24 effective date of Public Act 98-104), establish procedures to
25 permit skilled care facilities licensed under the Nursing Home
26 Care Act to submit monthly billing claims for reimbursement

1 purposes. Following development of these procedures, the
2 Department shall have an additional 365 days to test the
3 viability of the new system and to ensure that any necessary
4 operational or structural changes to its information
5 technology platforms are implemented.

6 Notwithstanding any other law to the contrary, the Illinois
7 Department shall, within 365 days after August 15, 2014 (the
8 effective date of Public Act 98-963) ~~this amendatory Act of the~~
9 ~~98th General Assembly~~, establish procedures to permit ID/DD
10 facilities licensed under the ID/DD Community Care Act to
11 submit monthly billing claims for reimbursement purposes.
12 Following development of these procedures, the Department
13 shall have an additional 365 days to test the viability of the
14 new system and to ensure that any necessary operational or
15 structural changes to its information technology platforms are
16 implemented.

17 The Illinois Department shall require all dispensers of
18 medical services, other than an individual practitioner or
19 group of practitioners, desiring to participate in the Medical
20 Assistance program established under this Article to disclose
21 all financial, beneficial, ownership, equity, surety or other
22 interests in any and all firms, corporations, partnerships,
23 associations, business enterprises, joint ventures, agencies,
24 institutions or other legal entities providing any form of
25 health care services in this State under this Article.

26 The Illinois Department may require that all dispensers of

1 medical services desiring to participate in the medical
2 assistance program established under this Article disclose,
3 under such terms and conditions as the Illinois Department may
4 by rule establish, all inquiries from clients and attorneys
5 regarding medical bills paid by the Illinois Department, which
6 inquiries could indicate potential existence of claims or liens
7 for the Illinois Department.

8 Enrollment of a vendor shall be subject to a provisional
9 period and shall be conditional for one year. During the period
10 of conditional enrollment, the Department may terminate the
11 vendor's eligibility to participate in, or may disenroll the
12 vendor from, the medical assistance program without cause.
13 Unless otherwise specified, such termination of eligibility or
14 disenrollment is not subject to the Department's hearing
15 process. However, a disenrolled vendor may reapply without
16 penalty.

17 The Department has the discretion to limit the conditional
18 enrollment period for vendors based upon category of risk of
19 the vendor.

20 Prior to enrollment and during the conditional enrollment
21 period in the medical assistance program, all vendors shall be
22 subject to enhanced oversight, screening, and review based on
23 the risk of fraud, waste, and abuse that is posed by the
24 category of risk of the vendor. The Illinois Department shall
25 establish the procedures for oversight, screening, and review,
26 which may include, but need not be limited to: criminal and

1 financial background checks; fingerprinting; license,
2 certification, and authorization verifications; unscheduled or
3 unannounced site visits; database checks; prepayment audit
4 reviews; audits; payment caps; payment suspensions; and other
5 screening as required by federal or State law.

6 The Department shall define or specify the following: (i)
7 by provider notice, the "category of risk of the vendor" for
8 each type of vendor, which shall take into account the level of
9 screening applicable to a particular category of vendor under
10 federal law and regulations; (ii) by rule or provider notice,
11 the maximum length of the conditional enrollment period for
12 each category of risk of the vendor; and (iii) by rule, the
13 hearing rights, if any, afforded to a vendor in each category
14 of risk of the vendor that is terminated or disenrolled during
15 the conditional enrollment period.

16 To be eligible for payment consideration, a vendor's
17 payment claim or bill, either as an initial claim or as a
18 resubmitted claim following prior rejection, must be received
19 by the Illinois Department, or its fiscal intermediary, no
20 later than 180 days after the latest date on the claim on which
21 medical goods or services were provided, with the following
22 exceptions:

23 (1) In the case of a provider whose enrollment is in
24 process by the Illinois Department, the 180-day period
25 shall not begin until the date on the written notice from
26 the Illinois Department that the provider enrollment is

1 complete.

2 (2) In the case of errors attributable to the Illinois
3 Department or any of its claims processing intermediaries
4 which result in an inability to receive, process, or
5 adjudicate a claim, the 180-day period shall not begin
6 until the provider has been notified of the error.

7 (3) In the case of a provider for whom the Illinois
8 Department initiates the monthly billing process.

9 (4) In the case of a provider operated by a unit of
10 local government with a population exceeding 3,000,000
11 when local government funds finance federal participation
12 for claims payments.

13 For claims for services rendered during a period for which
14 a recipient received retroactive eligibility, claims must be
15 filed within 180 days after the Department determines the
16 applicant is eligible. For claims for which the Illinois
17 Department is not the primary payer, claims must be submitted
18 to the Illinois Department within 180 days after the final
19 adjudication by the primary payer.

20 In the case of long term care facilities, within 5 days of
21 receipt by the facility of required prescreening information,
22 data for new admissions shall be entered into the Medical
23 Electronic Data Interchange (MEDI) or the Recipient
24 Eligibility Verification (REV) System or successor system, and
25 within 15 days of receipt by the facility of required
26 prescreening information, admission documents shall be

1 submitted through MEDI or REV or shall be submitted directly to
2 the Department of Human Services using required admission
3 forms. Effective September 1, 2014, admission documents,
4 including all prescreening information, must be submitted
5 through MEDI or REV. Confirmation numbers assigned to an
6 accepted transaction shall be retained by a facility to verify
7 timely submittal. Once an admission transaction has been
8 completed, all resubmitted claims following prior rejection
9 are subject to receipt no later than 180 days after the
10 admission transaction has been completed.

11 Claims that are not submitted and received in compliance
12 with the foregoing requirements shall not be eligible for
13 payment under the medical assistance program, and the State
14 shall have no liability for payment of those claims.

15 To the extent consistent with applicable information and
16 privacy, security, and disclosure laws, State and federal
17 agencies and departments shall provide the Illinois Department
18 access to confidential and other information and data necessary
19 to perform eligibility and payment verifications and other
20 Illinois Department functions. This includes, but is not
21 limited to: information pertaining to licensure;
22 certification; earnings; immigration status; citizenship; wage
23 reporting; unearned and earned income; pension income;
24 employment; supplemental security income; social security
25 numbers; National Provider Identifier (NPI) numbers; the
26 National Practitioner Data Bank (NPDB); program and agency

1 exclusions; taxpayer identification numbers; tax delinquency;
2 corporate information; and death records.

3 The Illinois Department shall enter into agreements with
4 State agencies and departments, and is authorized to enter into
5 agreements with federal agencies and departments, under which
6 such agencies and departments shall share data necessary for
7 medical assistance program integrity functions and oversight.

8 The Illinois Department shall develop, in cooperation with
9 other State departments and agencies, and in compliance with
10 applicable federal laws and regulations, appropriate and
11 effective methods to share such data. At a minimum, and to the
12 extent necessary to provide data sharing, the Illinois
13 Department shall enter into agreements with State agencies and
14 departments, and is authorized to enter into agreements with
15 federal agencies and departments, including but not limited to:
16 the Secretary of State; the Department of Revenue; the
17 Department of Public Health; the Department of Human Services;
18 and the Department of Financial and Professional Regulation.

19 Beginning in fiscal year 2013, the Illinois Department
20 shall set forth a request for information to identify the
21 benefits of a pre-payment, post-adjudication, and post-edit
22 claims system with the goals of streamlining claims processing
23 and provider reimbursement, reducing the number of pending or
24 rejected claims, and helping to ensure a more transparent
25 adjudication process through the utilization of: (i) provider
26 data verification and provider screening technology; and (ii)

1 clinical code editing; and (iii) pre-pay, pre- or
2 post-adjudicated predictive modeling with an integrated case
3 management system with link analysis. Such a request for
4 information shall not be considered as a request for proposal
5 or as an obligation on the part of the Illinois Department to
6 take any action or acquire any products or services.

7 The Illinois Department shall establish policies,
8 procedures, standards and criteria by rule for the acquisition,
9 repair and replacement of orthotic and prosthetic devices and
10 durable medical equipment. Such rules shall provide, but not be
11 limited to, the following services: (1) immediate repair or
12 replacement of such devices by recipients; and (2) rental,
13 lease, purchase or lease-purchase of durable medical equipment
14 in a cost-effective manner, taking into consideration the
15 recipient's medical prognosis, the extent of the recipient's
16 needs, and the requirements and costs for maintaining such
17 equipment. Subject to prior approval, such rules shall enable a
18 recipient to temporarily acquire and use alternative or
19 substitute devices or equipment pending repairs or
20 replacements of any device or equipment previously authorized
21 for such recipient by the Department.

22 The Department shall execute, relative to the nursing home
23 prescreening project, written inter-agency agreements with the
24 Department of Human Services and the Department on Aging, to
25 effect the following: (i) intake procedures and common
26 eligibility criteria for those persons who are receiving

1 non-institutional services; and (ii) the establishment and
2 development of non-institutional services in areas of the State
3 where they are not currently available or are undeveloped; and
4 (iii) notwithstanding any other provision of law, subject to
5 federal approval, on and after July 1, 2012, an increase in the
6 determination of need (DON) scores from 29 to 37 for applicants
7 for institutional and home and community-based long term care;
8 if and only if federal approval is not granted, the Department
9 may, in conjunction with other affected agencies, implement
10 utilization controls or changes in benefit packages to
11 effectuate a similar savings amount for this population; and
12 (iv) no later than July 1, 2013, minimum level of care
13 eligibility criteria for institutional and home and
14 community-based long term care; and (v) no later than October
15 1, 2013, establish procedures to permit long term care
16 providers access to eligibility scores for individuals with an
17 admission date who are seeking or receiving services from the
18 long term care provider. In order to select the minimum level
19 of care eligibility criteria, the Governor shall establish a
20 workgroup that includes affected agency representatives and
21 stakeholders representing the institutional and home and
22 community-based long term care interests. This Section shall
23 not restrict the Department from implementing lower level of
24 care eligibility criteria for community-based services in
25 circumstances where federal approval has been granted.

26 The Illinois Department shall develop and operate, in

1 cooperation with other State Departments and agencies and in
2 compliance with applicable federal laws and regulations,
3 appropriate and effective systems of health care evaluation and
4 programs for monitoring of utilization of health care services
5 and facilities, as it affects persons eligible for medical
6 assistance under this Code.

7 The Illinois Department shall report annually to the
8 General Assembly, no later than the second Friday in April of
9 1979 and each year thereafter, in regard to:

10 (a) actual statistics and trends in utilization of
11 medical services by public aid recipients;

12 (b) actual statistics and trends in the provision of
13 the various medical services by medical vendors;

14 (c) current rate structures and proposed changes in
15 those rate structures for the various medical vendors; and

16 (d) efforts at utilization review and control by the
17 Illinois Department.

18 The period covered by each report shall be the 3 years
19 ending on the June 30 prior to the report. The report shall
20 include suggested legislation for consideration by the General
21 Assembly. The filing of one copy of the report with the
22 Speaker, one copy with the Minority Leader and one copy with
23 the Clerk of the House of Representatives, one copy with the
24 President, one copy with the Minority Leader and one copy with
25 the Secretary of the Senate, one copy with the Legislative
26 Research Unit, and such additional copies with the State

1 Government Report Distribution Center for the General Assembly
2 as is required under paragraph (t) of Section 7 of the State
3 Library Act shall be deemed sufficient to comply with this
4 Section.

5 Rulemaking authority to implement Public Act 95-1045, if
6 any, is conditioned on the rules being adopted in accordance
7 with all provisions of the Illinois Administrative Procedure
8 Act and all rules and procedures of the Joint Committee on
9 Administrative Rules; any purported rule not so adopted, for
10 whatever reason, is unauthorized.

11 On and after July 1, 2012, the Department shall reduce any
12 rate of reimbursement for services or other payments or alter
13 any methodologies authorized by this Code to reduce any rate of
14 reimbursement for services or other payments in accordance with
15 Section 5-5e.

16 Because kidney transplantation can be an appropriate, cost
17 effective alternative to renal dialysis when medically
18 necessary and notwithstanding the provisions of Section 1-11 of
19 this Code, beginning October 1, 2014, the Department shall
20 cover kidney transplantation for noncitizens with end-stage
21 renal disease who are not eligible for comprehensive medical
22 benefits, who meet the residency requirements of Section 5-3 of
23 this Code, and who would otherwise meet the financial
24 requirements of the appropriate class of eligible persons under
25 Section 5-2 of this Code. To qualify for coverage of kidney
26 transplantation, such person must be receiving emergency renal

1 dialysis services covered by the Department. Providers under
2 this Section shall be prior approved and certified by the
3 Department to perform kidney transplantation and the services
4 under this Section shall be limited to services associated with
5 kidney transplantation.

6 Notwithstanding any other provision of this Code to the
7 contrary, on or after July 1, 2015, injectable naltrexone
8 prescribed by a physician for the treatment of alcohol
9 dependence or the prevention of a relapse to opioid dependence
10 shall be covered under the medical assistance program for
11 persons who are otherwise eligible for medical assistance under
12 this Article and shall not be subject to any utilization
13 control or prior authorization mandate that requires a person
14 to first receive oral naltrexone medication before receiving a
15 prescription for injectable naltrexone.

16 On or after July 1, 2015, methadone prescribed by a
17 physician for the treatment of opioid dependence shall be
18 covered under the medical assistance program for persons who
19 are otherwise eligible for medical assistance under this
20 Article.

21 On or after July 1, 2015, opioid antidotes prescribed by a
22 physician for the treatment of an opioid overdose, including
23 the medication product, administration devices, and any
24 pharmacy administration fees related to the dispensing of the
25 opioid antidote, shall be covered under the medical assistance
26 program for persons who are otherwise eligible for medical

1 assistance under this Article. As used in this Section, "opioid
2 antidote" means naloxone hydrochloride or any other similarly
3 acting and equally safe drug approved by the U.S. Food and Drug
4 Administration for the treatment of drug overdose.

13 assistance program shall (i) provide the post-mastectomy care
14 benefits required to be covered by a policy of accident and
15 health insurance under Section 356t and the coverage required
16 under Sections 356g.5, 356u, 356w, 356x, and 356z.6 of the
17 Illinois Insurance Code and (ii) be subject to the provisions

11 (A) with the intent to promote the carrying on of
12 the unlawful activity from which the criminally

24 facilitate specified criminal activity as defined by
25 subdivision (b) (6).

26 (b) As used in this Section:

1 (0.5) "Knowing that the property involved in a

13 travelers checks; personal checks, bank checks, and money
14 orders; investment securities; bearer negotiable
15 instruments; bearer investment securities; or bearer

17 title thereto passes upon delivery.

18 (4) "Criminally derived property" means: (A) any

23 constituting or derived from proceeds obtained, directly
24 or indirectly, from activity that constitutes a felony
25 under State, federal, or foreign law.

3 attempted to be structured so as to falsely report the
4 actual consideration or value of the transaction; or

5 (5) A money transmitter, a person engaged in a trade or
6 business or any employee of a money transmitter or a person
7 engaged in a trade or business, knows or reasonably should
8 know that false personal identifying information has been
9 presented and incorporates the false personal identifying
10 information into any report or record; or

11 (6) The criminally derived property is transported or
12 possessed in a fashion inconsistent with the ordinary or
13 usual means of transportation or possession of such
14 property and where the property is discovered in the
15 absence of any documentation or other indicia of legitimate
16 origin or right to such property; or

17 (7) A person pays or receives substantially less than
18 face value for one or more monetary instruments; or

19 (8) A person engages in a transaction involving one or
20 more monetary instruments, where the physical condition or
21 form of the monetary instrument or instruments makes it
22 apparent that they are not the product of bona fide
23 business or financial transactions.

24 (e) Duty to enforce this Article.

25 (1) It is the duty of the Department of State Police,
26 and its agents, officers, and investigators, to enforce all

1 provisions of this Article, except those specifically
2 delegated, and to cooperate with all agencies charged with
3 the enforcement of the laws of the United States, or of any
4 state, relating to money laundering. Only an agent,
5 officer, or investigator designated by the Director may be
6 authorized in accordance with this Section to serve seizure
7 notices, warrants, subpoenas, and summonses under the
8 authority of this State.

9 (2) Any agent, officer, investigator, or peace officer
10 designated by the Director may: (A) make seizure of
11 property pursuant to the provisions of this Article; and
12 (B) perform such other law enforcement duties as the
13 Director designates. It is the duty of all State's
14 Attorneys to prosecute violations of this Article and
15 institute legal proceedings as authorized under this
16 Article.

17 (f) Protective orders.

18 (1) Upon application of the State, the court may enter
19 a restraining order or injunction, require the execution of
20 a satisfactory performance bond, or take any other action
21 to preserve the availability of property described in
22 subsection (h) for forfeiture under this Article:

23 (A) upon the filing of an indictment, information,
24 or complaint charging a violation of this Article for
25 which forfeiture may be ordered under this Article and
26 alleging that the property with respect to which the

1 order is sought would be subject to forfeiture under
2 this Article; or

3 (B) prior to the filing of such an indictment,
4 information, or complaint, if, after notice to persons
5 appearing to have an interest in the property and
6 opportunity for a hearing, the court determines that:

7 (i) there is probable cause to believe that the
8 State will prevail on the issue of forfeiture and
9 that failure to enter the order will result in the
10 property being destroyed, removed from the
11 jurisdiction of the court, or otherwise made
12 unavailable for forfeiture; and

13 (ii) the need to preserve the availability of
14 the property through the entry of the requested
15 order outweighs the hardship on any party against
16 whom the order is to be entered.

17 Provided, however, that an order entered pursuant
18 to subparagraph (B) shall be effective for not more
19 than 90 days, unless extended by the court for good
20 cause shown or unless an indictment, information,
21 complaint, or administrative notice has been filed.

22 (2) A temporary restraining order under this
23 subsection may be entered upon application of the State
24 without notice or opportunity for a hearing when an
25 indictment, information, complaint, or administrative
26 notice has not yet been filed with respect to the property,

1 if the State demonstrates that there is probable cause to
2 believe that the property with respect to which the order
3 is sought would be subject to forfeiture under this Section
4 and that provision of notice will jeopardize the
5 availability of the property for forfeiture. Such a
6 temporary order shall expire not more than 30 days after
7 the date on which it is entered, unless extended for good
8 cause shown or unless the party against whom it is entered
9 consents to an extension for a longer period. A hearing
10 requested concerning an order entered under this paragraph
11 shall be held at the earliest possible time and prior to
12 the expiration of the temporary order.

13 (3) The court may receive and consider, at a hearing
14 held pursuant to this subsection (f), evidence and
15 information that would be inadmissible under the Illinois
16 rules of evidence.

17 (4) Order to repatriate and deposit.

18 (A) In general. Pursuant to its authority to enter
19 a pretrial restraining order under this Section, the
20 court may order a defendant to repatriate any property
21 that may be seized and forfeited and to deposit that
22 property pending trial with the Illinois State Police
23 or another law enforcement agency designated by the
24 Illinois State Police.

25 (B) Failure to comply. Failure to comply with an
26 order under this subsection (f) is punishable as a

1 civil or criminal contempt of court.

2 (g) Warrant of seizure. The State may request the issuance
3 of a warrant authorizing the seizure of property described in
4 subsection (h) in the same manner as provided for a search
5 warrant. If the court determines that there is probable cause
6 to believe that the property to be seized would be subject to
7 forfeiture, the court shall issue a warrant authorizing the
8 seizure of such property.

9 (h) Forfeiture.

10 (1) The following are subject to forfeiture:

11 (A) any property, real or personal, constituting,
12 derived from, or traceable to any proceeds the person
13 obtained directly or indirectly, as a result of a
14 violation of this Article;

15 (B) any of the person's property used, or intended
16 to be used, in any manner or part, to commit, or to
17 facilitate the commission of, a violation of this
18 Article;

19 (C) all conveyances, including aircraft, vehicles
20 or vessels, which are used, or intended for use, to
21 transport, or in any manner to facilitate the
22 transportation, sale, receipt, possession, or
23 concealment of property described in subparagraphs (A)
24 and (B), but:

25 (i) no conveyance used by any person as a
26 common carrier in the transaction of business as a

1 common carrier is subject to forfeiture under this
2 Section unless it appears that the owner or other
3 person in charge of the conveyance is a consenting
4 party or privy to a violation of this Article;

5 (ii) no conveyance is subject to forfeiture
6 under this Section by reason of any act or omission
7 which the owner proves to have been committed or
8 omitted without his or her knowledge or consent;

9 (iii) a forfeiture of a conveyance encumbered
10 by a bona fide security interest is subject to the
11 interest of the secured party if he or she neither
12 had knowledge of nor consented to the act or
13 omission;

14 (D) all real property, including any right, title,
15 and interest (including, but not limited to, any
16 leasehold interest or the beneficial interest in a land
17 trust) in the whole of any lot or tract of land and any
18 appurtenances or improvements, which is used or
19 intended to be used, in any manner or part, to commit,
20 or in any manner to facilitate the commission of, any
21 violation of this Article or that is the proceeds of
22 any violation or act that constitutes a violation of
23 this Article.

24 (2) Property subject to forfeiture under this Article
25 may be seized by the Director or any peace officer upon
26 process or seizure warrant issued by any court having

1 jurisdiction over the property. Seizure by the Director or
2 any peace officer without process may be made:

3 (A) if the seizure is incident to a seizure
4 warrant;

5 (B) if the property subject to seizure has been the
6 subject of a prior judgment in favor of the State in a
7 criminal proceeding, or in an injunction or forfeiture
8 proceeding based upon this Article;

9 (C) if there is probable cause to believe that the
10 property is directly or indirectly dangerous to health
11 or safety;

12 (D) if there is probable cause to believe that the
13 property is subject to forfeiture under this Article
14 and the property is seized under circumstances in which
15 a warrantless seizure or arrest would be reasonable; or

16 (E) in accordance with the Code of Criminal
17 Procedure of 1963.

18 (3) In the event of seizure pursuant to paragraph (2),
19 forfeiture proceedings shall be instituted in accordance
20 with subsections (i) through (r).

21 (4) Property taken or detained under this Section shall
22 not be subject to replevin, but is deemed to be in the
23 custody of the Director subject only to the order and
24 judgments of the circuit court having jurisdiction over the
25 forfeiture proceedings and the decisions of the State's
26 Attorney under this Article. When property is seized under

1 this Article, the seizing agency shall promptly conduct an
2 inventory of the seized property and estimate the
3 property's value and shall forward a copy of the inventory
4 of seized property and the estimate of the property's value
5 to the Director. Upon receiving notice of seizure, the
6 Director may:

7 (A) place the property under seal;

8 (B) remove the property to a place designated by
9 the Director;

10 (C) keep the property in the possession of the
11 seizing agency;

12 (D) remove the property to a storage area for
13 safekeeping or, if the property is a negotiable
14 instrument or money and is not needed for evidentiary
15 purposes, deposit it in an interest bearing account;

16 (E) place the property under constructive seizure
17 by posting notice of pending forfeiture on it, by
18 giving notice of pending forfeiture to its owners and
19 interest holders, or by filing notice of pending
20 forfeiture in any appropriate public record relating
21 to the property; or

22 (F) provide for another agency or custodian,
23 including an owner, secured party, or lienholder, to
24 take custody of the property upon the terms and
25 conditions set by the Director.

26 (5) When property is forfeited under this Article, the

1 Director shall sell all such property unless such property
2 is required by law to be destroyed or is harmful to the
3 public, and shall distribute the proceeds of the sale,
4 together with any moneys forfeited or seized, in accordance
5 with paragraph (6). However, upon the application of the
6 seizing agency or prosecutor who was responsible for the
7 investigation, arrest or arrests and prosecution which
8 lead to the forfeiture, the Director may return any item of
9 forfeited property to the seizing agency or prosecutor for
10 official use in the enforcement of laws, if the agency or
11 prosecutor can demonstrate that the item requested would be
12 useful to the agency or prosecutor in its enforcement
13 efforts. When any real property returned to the seizing
14 agency is sold by the agency or its unit of government, the
15 proceeds of the sale shall be delivered to the Director and
16 distributed in accordance with paragraph (6).

17 (6) All monies and the sale proceeds of all other
18 property forfeited and seized under this Article shall be
19 distributed as follows:

20 (A) 65% shall be distributed to the metropolitan
21 enforcement group, local, municipal, county, or State
22 law enforcement agency or agencies which conducted or
23 participated in the investigation resulting in the
24 forfeiture. The distribution shall bear a reasonable
25 relationship to the degree of direct participation of
26 the law enforcement agency in the effort resulting in

1 the forfeiture, taking into account the total value of
2 the property forfeited and the total law enforcement
3 effort with respect to the violation of the law upon
4 which the forfeiture is based. Amounts distributed to
5 the agency or agencies shall be used for the
6 enforcement of laws.

7 (B) (i) 12.5% shall be distributed to the Office of
8 the State's Attorney of the county in which the
9 prosecution resulting in the forfeiture was
10 instituted, deposited in a special fund in the county
11 treasury and appropriated to the State's Attorney for
12 use in the enforcement of laws. In counties over
13 3,000,000 population, 25% shall be distributed to the
14 Office of the State's Attorney for use in the
15 enforcement of laws. If the prosecution is undertaken
16 solely by the Attorney General, the portion provided
17 hereunder shall be distributed to the Attorney General
18 for use in the enforcement of laws.

19 (ii) 12.5% shall be distributed to the Office
20 of the State's Attorneys Appellate Prosecutor and
21 deposited in the Narcotics Profit Forfeiture Fund
22 of that office to be used for additional expenses
23 incurred in the investigation, prosecution and
24 appeal of cases arising under laws. The Office of
25 the State's Attorneys Appellate Prosecutor shall
26 not receive distribution from cases brought in

1 counties with over 3,000,000 population.

2 (C) 10% shall be retained by the Department of
3 State Police for expenses related to the
4 administration and sale of seized and forfeited
5 property.

6 Moneys and the sale proceeds distributed to the
7 Department of State Police under this Article shall be
8 deposited in the Money Laundering Asset Recovery Fund
9 created in the State treasury and shall be used by the
10 Department of State Police for State law enforcement
11 purposes.

12 (7) All moneys and sale proceeds of property forfeited
13 and seized under this Article and distributed according to
14 paragraph (6) may also be used to purchase opioid antidotes
15 as defined in Section 5-23 of the Alcoholism and Other Drug
16 Abuse and Dependency Act.

17 (i) Notice to owner or interest holder.

18 (1) Whenever notice of pending forfeiture or service of
19 an in rem complaint is required under the provisions of
20 this Article, such notice or service shall be given as
21 follows:

22 (A) If the owner's or interest holder's name and
23 current address are known, then by either personal
24 service or mailing a copy of the notice by certified
25 mail, return receipt requested, to that address. For
26 purposes of notice under this Section, if a person has

1 been arrested for the conduct giving rise to the
2 forfeiture, then the address provided to the arresting
3 agency at the time of arrest shall be deemed to be that
4 person's known address. Provided, however, if an owner
5 or interest holder's address changes prior to the
6 effective date of the notice of pending forfeiture, the
7 owner or interest holder shall promptly notify the
8 seizing agency of the change in address or, if the
9 owner or interest holder's address changes subsequent
10 to the effective date of the notice of pending
11 forfeiture, the owner or interest holder shall
12 promptly notify the State's Attorney of the change in
13 address; or

14 (B) If the property seized is a conveyance, to the
15 address reflected in the office of the agency or
16 official in which title or interest to the conveyance
17 is required by law to be recorded, then by mailing a
18 copy of the notice by certified mail, return receipt
19 requested, to that address; or

20 (C) If the owner's or interest holder's address is
21 not known, and is not on record as provided in
22 paragraph (B), then by publication for 3 successive
23 weeks in a newspaper of general circulation in the
24 county in which the seizure occurred.

25 (2) Notice served under this Article is effective upon
26 personal service, the last date of publication, or the

1 mailing of written notice, whichever is earlier.

2 (j) Notice to State's Attorney. The law enforcement agency
3 seizing property for forfeiture under this Article shall,
4 within 90 days after seizure, notify the State's Attorney for
5 the county, either where an act or omission giving rise to the
6 forfeiture occurred or where the property was seized, of the
7 seizure of the property and the facts and circumstances giving
8 rise to the seizure and shall provide the State's Attorney with
9 the inventory of the property and its estimated value. When the
10 property seized for forfeiture is a vehicle, the law
11 enforcement agency seizing the property shall immediately
12 notify the Secretary of State that forfeiture proceedings are
13 pending regarding such vehicle.

14 (k) Non-judicial forfeiture. If non-real property that
15 exceeds \$20,000 in value excluding the value of any conveyance,
16 or if real property is seized under the provisions of this
17 Article, the State's Attorney shall institute judicial in rem
18 forfeiture proceedings as described in subsection (l) of this
19 Section within 45 days from receipt of notice of seizure from
20 the seizing agency under subsection (j) of this Section.
21 However, if non-real property that does not exceed \$20,000 in
22 value excluding the value of any conveyance is seized, the
23 following procedure shall be used:

24 (1) If, after review of the facts surrounding the
25 seizure, the State's Attorney is of the opinion that the
26 seized property is subject to forfeiture, then within 45

1 days after the receipt of notice of seizure from the
2 seizing agency, the State's Attorney shall cause notice of
3 pending forfeiture to be given to the owner of the property
4 and all known interest holders of the property in
5 accordance with subsection (i) of this Section.

6 (2) The notice of pending forfeiture must include a
7 description of the property, the estimated value of the
8 property, the date and place of seizure, the conduct giving
9 rise to forfeiture or the violation of law alleged, and a
10 summary of procedures and procedural rights applicable to
11 the forfeiture action.

12 (3) (A) Any person claiming an interest in property
13 which is the subject of notice under paragraph (1) of this
14 subsection (k), must, in order to preserve any rights or
15 claims to the property, within 45 days after the effective
16 date of notice as described in subsection (i) of this
17 Section, file a verified claim with the State's Attorney
18 expressing his or her interest in the property. The claim
19 must set forth:

20 (i) the caption of the proceedings as set forth on
21 the notice of pending forfeiture and the name of the
22 claimant;

23 (ii) the address at which the claimant will accept
24 mail;

25 (iii) the nature and extent of the claimant's
26 interest in the property;

1 (iv) the date, identity of the transferor, and
2 circumstances of the claimant's acquisition of the
3 interest in the property;

4 (v) the name and address of all other persons known
5 to have an interest in the property;

6 (vi) the specific provision of law relied on in
7 asserting the property is not subject to forfeiture;

8 (vii) all essential facts supporting each
9 assertion; and

10 (viii) the relief sought.

11 (B) If a claimant files the claim and deposits with the
12 State's Attorney a cost bond, in the form of a cashier's
13 check payable to the clerk of the court, in the sum of 10%
14 of the reasonable value of the property as alleged by the
15 State's Attorney or the sum of \$100, whichever is greater,
16 upon condition that, in the case of forfeiture, the
17 claimant must pay all costs and expenses of forfeiture
18 proceedings, then the State's Attorney shall institute
19 judicial in rem forfeiture proceedings and deposit the cost
20 bond with the clerk of the court as described in subsection
21 (1) of this Section within 45 days after receipt of the
22 claim and cost bond. In lieu of a cost bond, a person
23 claiming interest in the seized property may file, under
24 penalty of perjury, an indigency affidavit which has been
25 approved by a circuit court judge.

26 (C) If none of the seized property is forfeited in the

1 judicial in rem proceeding, the clerk of the court shall
2 return to the claimant, unless the court orders otherwise,
3 90% of the sum which has been deposited and shall retain as
4 costs 10% of the money deposited. If any of the seized
5 property is forfeited under the judicial forfeiture
6 proceeding, the clerk of the court shall transfer 90% of
7 the sum which has been deposited to the State's Attorney
8 prosecuting the civil forfeiture to be applied to the costs
9 of prosecution and the clerk shall retain as costs 10% of
10 the sum deposited.

11 (4) If no claim is filed or bond given within the 45
12 day period as described in paragraph (3) of this subsection
13 (k), the State's Attorney shall declare the property
14 forfeited and shall promptly notify the owner and all known
15 interest holders of the property and the Director of State
16 Police of the declaration of forfeiture and the Director
17 shall dispose of the property in accordance with law.

18 (1) Judicial in rem procedures. If property seized under
19 the provisions of this Article is non-real property that
20 exceeds \$20,000 in value excluding the value of any conveyance,
21 or is real property, or a claimant has filed a claim and a cost
22 bond under paragraph (3) of subsection (k) of this Section, the
23 following judicial in rem procedures shall apply:

24 (1) If, after a review of the facts surrounding the
25 seizure, the State's Attorney is of the opinion that the
26 seized property is subject to forfeiture, then within 45

1 days of the receipt of notice of seizure by the seizing
2 agency or the filing of the claim and cost bond, whichever
3 is later, the State's Attorney shall institute judicial
4 forfeiture proceedings by filing a verified complaint for
5 forfeiture and, if the claimant has filed a claim and cost
6 bond, by depositing the cost bond with the clerk of the
7 court. When authorized by law, a forfeiture must be ordered
8 by a court on an action in rem brought by a State's
9 Attorney under a verified complaint for forfeiture.

10 (2) During the probable cause portion of the judicial
11 in rem proceeding wherein the State presents its
12 case-in-chief, the court must receive and consider, among
13 other things, all relevant hearsay evidence and
14 information. The laws of evidence relating to civil actions
15 apply to all other portions of the judicial in rem
16 proceeding.

17 (3) Only an owner of or interest holder in the property
18 may file an answer asserting a claim against the property
19 in the action in rem. For purposes of this Section, the
20 owner or interest holder shall be referred to as claimant.
21 Upon motion of the State, the court shall first hold a
22 hearing, wherein any claimant must establish by a
23 preponderance of the evidence, that he or she has a lawful,
24 legitimate ownership interest in the property and that it
25 was obtained through a lawful source.

26 (4) The answer must be signed by the owner or interest

1 holder under penalty of perjury and must set forth:

2 (A) the caption of the proceedings as set forth on
3 the notice of pending forfeiture and the name of the
4 claimant;

5 (B) the address at which the claimant will accept
6 mail;

7 (C) the nature and extent of the claimant's
8 interest in the property;

9 (D) the date, identity of transferor, and
10 circumstances of the claimant's acquisition of the
11 interest in the property;

12 (E) the name and address of all other persons known
13 to have an interest in the property;

14 (F) all essential facts supporting each assertion;
15 and

16 (G) the precise relief sought.

17 (5) The answer must be filed with the court within 45
18 days after service of the civil in rem complaint.

19 (6) The hearing must be held within 60 days after
20 filing of the answer unless continued for good cause.

21 (7) The State shall show the existence of probable
22 cause for forfeiture of the property. If the State shows
23 probable cause, the claimant has the burden of showing by a
24 preponderance of the evidence that the claimant's interest
25 in the property is not subject to forfeiture.

26 (8) If the State does not show existence of probable

1 cause, the court shall order the interest in the property
2 returned or conveyed to the claimant and shall order all
3 other property forfeited to the State. If the State does
4 show existence of probable cause, the court shall order all
5 property forfeited to the State.

6 (9) A defendant convicted in any criminal proceeding is
7 precluded from later denying the essential allegations of
8 the criminal offense of which the defendant was convicted
9 in any proceeding under this Article regardless of the
10 pendency of an appeal from that conviction. However,
11 evidence of the pendency of an appeal is admissible.

12 (10) An acquittal or dismissal in a criminal proceeding
13 does not preclude civil proceedings under this Article;
14 however, for good cause shown, on a motion by the State's
15 Attorney, the court may stay civil forfeiture proceedings
16 during the criminal trial for a related criminal indictment
17 or information alleging a money laundering violation. Such
18 a stay shall not be available pending an appeal. Property
19 subject to forfeiture under this Article shall not be
20 subject to return or release by a court exercising
21 jurisdiction over a criminal case involving the seizure of
22 such property unless such return or release is consented to
23 by the State's Attorney.

24 (11) All property declared forfeited under this
25 Article vests in this State on the commission of the
26 conduct giving rise to forfeiture together with the

1 proceeds of the property after that time. Any such property
2 or proceeds subsequently transferred to any person remain
3 subject to forfeiture and thereafter shall be ordered
4 forfeited.

5 (12) A civil action under this Article must be
6 commenced within 5 years after the last conduct giving rise
7 to forfeiture became known or should have become known or 5
8 years after the forfeitable property is discovered,
9 whichever is later, excluding any time during which either
10 the property or claimant is out of the State or in
11 confinement or during which criminal proceedings relating
12 to the same conduct are in progress.

13 (m) Stay of time periods. If property is seized for
14 evidence and for forfeiture, the time periods for instituting
15 judicial and non-judicial forfeiture proceedings shall not
16 begin until the property is no longer necessary for evidence.

17 (n) Settlement of claims. Notwithstanding other provisions
18 of this Article, the State's Attorney and a claimant of seized
19 property may enter into an agreed-upon settlement concerning
20 the seized property in such an amount and upon such terms as
21 are set out in writing in a settlement agreement.

22 (o) Property constituting attorney fees. Nothing in this
23 Article applies to property which constitutes reasonable bona
24 fide attorney's fees paid to an attorney for services rendered
25 or to be rendered in the forfeiture proceeding or criminal
26 proceeding relating directly thereto where such property was

1 paid before its seizure, before the issuance of any seizure
2 warrant or court order prohibiting transfer of the property and
3 where the attorney, at the time he or she received the property
4 did not know that it was property subject to forfeiture under
5 this Article.

6 (p) Construction. It is the intent of the General Assembly
7 that the forfeiture provisions of this Article be liberally
8 construed so as to effect their remedial purpose. The
9 forfeiture of property and other remedies hereunder shall be
10 considered to be in addition to, and not exclusive of, any
11 sentence or other remedy provided by law.

12 (q) Judicial review. If property has been declared
13 forfeited under subsection (k) of this Section, any person who
14 has an interest in the property declared forfeited may, within
15 30 days after the effective date of the notice of the
16 declaration of forfeiture, file a claim and cost bond as
17 described in paragraph (3) of subsection (k) of this Section.
18 If a claim and cost bond is filed under this Section, then the
19 procedures described in subsection (l) of this Section apply.

20 (r) Burden of proof of exemption or exception. It is not
21 necessary for the State to negate any exemption or exception in
22 this Article in any complaint, information, indictment or other
23 pleading or in any trial, hearing, or other proceeding under
24 this Article. The burden of proof of any exemption or exception
25 is upon the person claiming it.

26 (s) Review of administrative decisions. All administrative

1 findings, rulings, final determinations, findings, and
2 conclusions of the State's Attorney's Office under this Article
3 are final and conclusive decisions of the matters involved. Any
4 person aggrieved by the decision may obtain review of the
5 decision pursuant to the provisions of the Administrative
6 Review Law and the rules adopted pursuant to that Law. Pending
7 final decision on such review, the administrative acts, orders,
8 and rulings of the State's Attorney's Office remain in full
9 force and effect unless modified or suspended by order of court
10 pending final judicial decision. Pending final decision on such
11 review, the acts, orders, and rulings of the State's Attorney's
12 Office remain in full force and effect, unless stayed by order
13 of court. However, no stay of any decision of the
14 administrative agency shall issue unless the person aggrieved
15 by the decision establishes by a preponderance of the evidence
16 that good cause exists for the stay. In determining good cause,
17 the court shall find that the aggrieved party has established a
18 substantial likelihood of prevailing on the merits and that
19 granting the stay will not have an injurious effect on the
20 general public.

23 (720 ILCS 5/33G-6)

24 (Section scheduled to be repealed on June 11, 2017)

25 Sec. 33G-6. Remedial proceedings, procedures, and

1 forfeiture. Under this Article:

2 (a) The circuit court shall have jurisdiction to prevent
3 and restrain violations of this Article by issuing appropriate
4 orders, including:

5 (1) ordering any person to disgorge illicit proceeds
6 obtained by a violation of this Article or divest himself
7 or herself of any interest, direct or indirect, in any
8 enterprise or real or personal property of any character,
9 including money, obtained, directly or indirectly, by a
10 violation of this Article;

11 (2) imposing reasonable restrictions on the future
12 activities or investments of any person or enterprise,
13 including prohibiting any person or enterprise from
14 engaging in the same type of endeavor as the person or
15 enterprise engaged in, that violated this Article; or

16 (3) ordering dissolution or reorganization of any
17 enterprise, making due provision for the rights of innocent
18 persons.

19 (b) Notwithstanding any other provision of law, the court
20 shall, for any violation of this Article, order criminal or
21 civil forfeiture, in personam or in rem, jointly and severally,
22 of any interest or property the person has acquired or
23 maintained in violation of this Article, or any interest in,
24 security of, or claim against, or property or contractual right
25 of any kind affording a source of influence of any degree over,
26 any enterprise that the person has established, operated,

1 controlled, conducted, or participated in, in violation of this
2 Article, and any property constituting, or derived from, any
3 proceeds, including money, that the person obtained, directly
4 or indirectly, from predicate activity or unlawful debt
5 collection in violation of this Article. Any court, in imposing
6 sentence on the person, shall order, in addition to any other
7 sentence imposed under this Article, that the person forfeit to
8 the State all property described in this subsection (c). The
9 property and interests subject to criminal or civil forfeiture
10 under this Article include any real property, including things
11 growing on, affixed to, and found in land, and any tangible and
12 intangible personal property, including rights, privileges,
13 interests, claims, and securities. All right, title, and
14 interest in property described in this Article vests in the
15 State upon the inception of the illicit agreement or commission
16 of any act otherwise giving rise to forfeiture under this
17 Article. The court shall further order the criminal or civil
18 forfeiture of any other property of the defendant up to the
19 value of the property described in this subsection (c) if, as a
20 result of any act or omission of the defendant, the property
21 subject to forfeiture:

22 (1) cannot be located upon the exercise of due
23 diligence;

24 (2) has been transferred or sold to, or deposited with,
25 a third party;

26 (3) has been placed beyond the jurisdiction of the

1 court;

2 (4) has been substantially diminished in value; or

3 (5) has been commingled with other property that cannot
4 be divided without difficulty.

5 (d) Any property subject to criminal or civil forfeiture
6 under this Article that is subsequently transferred to a person
7 other than a defendant may be the subject of a special verdict
8 of forfeiture and thereafter shall be ordered forfeited to the
9 State, unless the transferee petitions the court and
10 establishes in a hearing before the court, without a jury, that
11 he or she is a bona fide purchaser for value of the property
12 who at the time of purchase was reasonably without cause to
13 believe that the property was subject to forfeiture under this
14 Article. The petition shall be signed by the petitioner under
15 penalty of perjury and shall set forth the nature and extent of
16 the petitioner's right, title, or interest in the property, the
17 time and circumstances of the petitioner's acquisition of the
18 right, title, or interest in the property, any additional facts
19 supporting the petitioner's claim, and the relief sought. The
20 hearing on the petition shall, to the extent practicable and
21 consistent with the interests of justice, be held as soon as
22 possible after completion of the criminal proceedings, if any,
23 under this Article. The court may consolidate the hearing on
24 the petition with a hearing on any other petition filed by a
25 person other than the defendant under this Article. Following
26 the court's disposition of all petitions filed under this

1 Article, or if no petitions are filed then within 90 days of
2 the completion of criminal or civil proceedings under this
3 Article, the State shall have clear title to property that is
4 the subject of the order of forfeiture and may warrant good
5 title to any subsequent purchaser or transferee. In addition to
6 testimony and evidence presented at the hearing, the court
7 shall consider the relevant portions of the record of any
8 criminal case that resulted in, or relates to, the order of
9 forfeiture. After the hearing, the court shall amend the order
10 of forfeiture if the court determines that the petitioner has
11 established by a preponderance of the evidence that:

12 (1) the petitioner has a legal right, title, or
13 interest in the property, and the right, title, or interest
14 renders the order of forfeiture invalid in whole or in part
15 because the right, title, or interest was vested in the
16 petitioner rather than the defendant or was superior to any
17 right, title, or interest of the defendant at the time of
18 the commission of the acts that gave rise to the forfeiture
19 of the property under this Article; or

20 (2) the petitioner is a bona fide purchaser for value
21 of the right, title, or interest in the property and was at
22 the time of purchase reasonably without cause to believe
23 that the property was subject to forfeiture under this
24 Article.

25 (e) Upon application of a prosecutor, the court may enter a
26 restraining order or injunction, require the execution of a

1 satisfactory performance bond, or take any other action to
2 preserve the availability of property described in this Section
3 for forfeiture under this Article:

4 (1) upon the filing of an indictment or information
5 charging a violation of this Article and alleging that the
6 property with respect to which the order is sought would,
7 in the event of conviction, be subject to forfeiture under
8 this Article; or

9 (2) prior to the filing of an indictment or
10 information, if, after notice to persons appearing to have
11 an interest in the property and opportunity for a hearing,
12 the court determines that:

13 (A) there is a substantial probability that the
14 State's Attorney will prevail on the issue of
15 forfeiture and that failure to enter the order will
16 result in the property being destroyed, removed from
17 the jurisdiction of the court, or otherwise made
18 unavailable for forfeiture; and

19 (B) the need to preserve the availability of the
20 property through the entry of the requested order
21 outweighs the hardship on any party against whom the
22 order is to be entered; provided that any order entered
23 shall be effective for not more than 90 days, unless
24 extended by the court for good cause shown or unless an
25 indictment or information described in this Section
26 has been filed.

1 A temporary restraining order under this Article may be
2 entered upon application of the State's Attorney without notice
3 or opportunity for a hearing when an information or indictment
4 has not yet been filed with respect to the property, if the
5 State's Attorney demonstrates that there is probable cause to
6 believe that the property with respect to which the order is
7 sought would, in the event of conviction, be subject to
8 forfeiture under this Article and that provision of notice will
9 jeopardize the integrity of an investigation, the safety of any
10 persons, or the availability of the property for forfeiture. A
11 temporary order shall expire not more than 10 days after the
12 date on which it is entered, unless extended for good cause
13 shown or unless the party against whom it is entered consents
14 to an extension for a longer period. A hearing requested
15 concerning an order entered under this Article shall be held at
16 the earliest possible time and prior to the expiration of the
17 temporary order. The court may receive and consider, at a
18 hearing held under this Article, evidence and information that
19 would be otherwise inadmissible under the rules of evidence,
20 and a hearing shall be held by the court without a jury.

21 (f) Upon conviction of a person under this Article or upon
22 the completion of appropriate civil proceedings under this
23 Article, the court shall enter a judgment of forfeiture of the
24 property to the State and shall authorize the State's Attorney
25 or his or her agent to seize all property ordered forfeited
26 upon the terms and conditions as the court shall deem proper.

1 Following the entry of an order declaring the property
2 forfeited, the court may, upon application of the State's
3 Attorney, enter the appropriate restraining orders or
4 injunctions, require the execution of satisfactory performance
5 bonds, appoint receivers, conservators, appraisers,
6 accountants, or trustees, or take any other action to protect
7 the interest of the State in the property ordered forfeited.
8 Any income accruing to, or derived from, an enterprise or an
9 interest in an enterprise that has been ordered forfeited under
10 this Article may be used to offset ordinary and necessary
11 expenses to the enterprise which are required by law, or which
12 are necessary to protect the interests of the State or third
13 parties.

14 (g) Following the seizure of property ordered forfeited
15 under this Article, the State's Attorney or his or her agent
16 shall direct the disposition of the property by sale or any
17 other commercially feasible means, making due provision for the
18 rights of any innocent persons. Any property right or interest
19 not exercisable by, or transferable for value to, the State
20 shall expire and shall not revert to the defendant, nor shall
21 the defendant or any person acting in concert with or on behalf
22 of the defendant be eligible to purchase forfeited property at
23 any sale held by the State's Attorney or his or her agent. Upon
24 application of a person, other than the defendant or a person
25 acting in concert with or on behalf of the defendant, the court
26 may restrain or stay the sale or disposition of the property

1 pending the conclusion of any appeal of the criminal case
2 giving rise to the forfeiture, if the applicant demonstrates
3 that proceeding with the sale or disposition of the property
4 will result in irreparable injury, harm, or loss to him or her.
5 At the direction of the court, the proceeds of any sale or
6 other disposition of property forfeited under this Article and
7 any moneys forfeited shall be used to pay all proper expenses
8 consisting of the costs of the investigation, the prosecution,
9 and any related remedial proceedings under this Article, and
10 for the forfeiture and sale, including any expenses of seizure,
11 maintenance, or custody of the property pending its
12 disposition, advertising and court costs. The State's Attorney
13 shall deposit in the treasury of the State 50% of any amounts
14 of the proceeds or moneys remaining after the payment of the
15 proper expenses, which money or proceeds shall thereafter be
16 disposed of as prescribed by law, and the State's Attorney
17 shall deposit 25% of the proceeds or moneys into the Drug
18 Treatment Fund, to be expended as provided in Section 411.2 of
19 the Illinois Controlled Substances Act, and the State's
20 Attorney shall retain directly the final 25% of the proceeds or
21 moneys for the general purposes of fulfilling the duties of his
22 or her office, or for equitable sharing, as directed by the
23 State's Attorney, among those law enforcement agencies
24 participating in the investigation, the prosecution, and any
25 related remedial proceedings under this Article.

26 (h) With respect to property ordered forfeited under this

1 Article, the court is authorized to:

2 (1) grant petitions for mitigation or remission of
3 forfeiture, restore forfeited property to victims of a
4 violation of this Article, or take any other action to
5 protect the rights of innocent persons that is in the
6 interest of justice and that is not inconsistent with the
7 provisions of this Article;

8 (2) compromise claims arising under this Article;

9 (3) award compensation to persons providing
10 information resulting in a forfeiture under this Article;

11 (4) direct the disposition by public sale by the
12 State's Attorney or his or her agent of all property
13 ordered forfeited under this Article or direct any other
14 commercially feasible means, making due provision for the
15 rights of innocent persons; and

16 (5) take appropriate measures necessary to safeguard
17 and maintain property ordered forfeited under this Article
18 pending its disposition.

19 (i) Except as provided in this Section, no party claiming
20 an interest in property subject to forfeiture under this
21 Article may:

22 (1) intervene in any trial or appeal of a criminal case
23 involving the forfeiture of the property under this
24 Article; or

25 (2) commence an action at law or equity against the
26 State, or against any State's Attorney or law enforcement

1 agency, concerning the actions taken under this Article or
2 concerning the validity of an alleged interest in the
3 property subsequent to the filing of an indictment or
4 information alleging that the property is subject to
5 forfeiture under this Article.

6 (j) In order to facilitate the identification or location
7 of property declared forfeited and to facilitate the
8 disposition of petitions for remission or mitigation of
9 forfeiture, and the entry of an order declaring property
10 forfeited to the State, the court may, upon application of the
11 State's Attorney, order that the testimony of any witness
12 relating to the property forfeited be taken by deposition and
13 that any designated book, paper, document, record, recording,
14 or other material not privileged be produced at the same time
15 and place, in the same manner as provided for the taking of
16 depositions in civil proceedings under the laws of this State.

17 ~~(b) Any violation of this Article is subject to the~~
18 ~~remedies, procedures, and forfeiture as set forth in~~
19 ~~subsections (f) through (s) of Section 29B-1 of this Code.~~

23 Sec. 33G-9. Repeal. This Article is repealed on June 11,
24 2022 5 years after it becomes law.

25 (Source: P.A. 97-686, eff. 6-11-12.)

1 Section 95. The Cannabis Control Act is amended by changing
2 Section 10 as follows:

3 (720 ILCS 550/10) (from Ch. 56 1/2, par. 710)

4 Sec. 10. (a) Whenever any person who has not previously
5 been convicted of, or placed on probation or court supervision
6 for, any offense under this Act or any law of the United States
7 or of any State relating to cannabis, or controlled substances
8 as defined in the Illinois Controlled Substances Act, pleads
9 guilty to or is found guilty of violating Sections 4(a), 4(b),
10 4(c), 5(a), 5(b), 5(c) or 8 of this Act, the court may, without
11 entering a judgment and with the consent of such person,
12 sentence him to probation.

13 (b) When a person is placed on probation, the court shall
14 enter an order specifying a period of probation of 24 months,
15 and shall defer further proceedings in the case until the
16 conclusion of the period or until the filing of a petition
17 alleging violation of a term or condition of probation.

18 (c) The conditions of probation shall be that the person:
19 (1) not violate any criminal statute of any jurisdiction; (2)
20 refrain from possession of a firearm or other dangerous weapon;
21 (3) submit to periodic drug testing at a time and in a manner
22 as ordered by the court, but no less than 3 times during the
23 period of the probation, with the cost of the testing to be
24 paid by the probationer; and (4) perform no less than 30 hours

1 of community service, provided community service is available
2 in the jurisdiction and is funded and approved by the county
3 board.

4 (d) The court may, in addition to other conditions, require
5 that the person:

6 (1) make a report to and appear in person before or
7 participate with the court or such courts, person, or
8 social service agency as directed by the court in the order
9 of probation;

10 (2) pay a fine and costs;

11 (3) work or pursue a course of study or vocational
12 training;

13 (4) undergo medical or psychiatric treatment; or
14 treatment for drug addiction or alcoholism;

15 (5) attend or reside in a facility established for the
16 instruction or residence of defendants on probation;

17 (6) support his dependents;

18 (7) refrain from possessing a firearm or other
19 dangerous weapon;

20 (7-5) refrain from having in his or her body the
21 presence of any illicit drug prohibited by the Cannabis
22 Control Act, the Illinois Controlled Substances Act, or the
23 Methamphetamine Control and Community Protection Act,
24 unless prescribed by a physician, and submit samples of his
25 or her blood or urine or both for tests to determine the
26 presence of any illicit drug;

1 (8) and in addition, if a minor:

2 (i) reside with his parents or in a foster home;

3 (ii) attend school;

4 (iii) attend a non-residential program for youth;

5 (iv) contribute to his own support at home or in a
6 foster home.

7 (e) Upon violation of a term or condition of probation, the
8 court may enter a judgment on its original finding of guilt and
9 proceed as otherwise provided.

10 (f) Upon fulfillment of the terms and conditions of
11 probation, the court shall discharge such person and dismiss
12 the proceedings against him.

13 (g) A disposition of probation is considered to be a
14 conviction for the purposes of imposing the conditions of
15 probation and for appeal, however, discharge and dismissal
16 under this Section is not a conviction for purposes of
17 disqualification or disabilities imposed by law upon
18 conviction of a crime (including the additional penalty imposed
19 for subsequent offenses under Section 4(c), 4(d), 5(c) or 5(d)
20 of this Act).

21 (h) Discharge and dismissal under this Section, Section 410
22 of the Illinois Controlled Substances Act, Section 70 of the
23 Methamphetamine Control and Community Protection Act, Section
24 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, or
25 subsection (c) of Section 11-14 of the Criminal Code of 1961 or
26 the Criminal Code of 2012 may occur only once with respect to

1 any person.

2 (i) If a person is convicted of an offense under this Act,
3 the Illinois Controlled Substances Act, or the Methamphetamine
4 Control and Community Protection Act within 5 years subsequent
5 to a discharge and dismissal under this Section, the discharge
6 and dismissal under this Section shall be admissible in the
7 sentencing proceeding for that conviction as a factor in
8 aggravation.

9 (j) Notwithstanding subsection (a), before a person may be
10 sentenced to probation under this Section, the court shall

15 Section and shall report the results of its evaluation to the
16 court. If the drug court team finds that the person suffers
17 from a severe substance abuse problem that makes him or her
18 substantially unlikely to successfully complete a sentence of
19 probation under this Section, then the drug court shall set
20 forth its findings in the form of a written order, and the
21 person shall not be sentenced to probation under this Section.

22 (k) If a person is sentenced to probation under this
23 Section, then the drug court program established in that
24 judicial circuit pursuant to Section 15 of the Drug Court
25 Treatment Act shall administer the sentence and supervise the
26 person's compliance with the terms and conditions of probation.

1 A person sentenced to probation shall pay a monthly fee of \$25
2 to the clerk of the circuit court. The clerk of the circuit
3 court shall collect the fee established in this subsection and

5 retained as fee income to the office of the clerk of the
6 circuit court, and shall deposit the fee into an account
7 specifically for the operation and administration of the drug
8 court, including the supervision of defendants sentenced to
9 probation under this Section, as provided in subsection (f) of
10 Section 5-1101 of the Counties Code.

17 Sec. 312. Requirements for dispensing controlled
18 substances.

19 (a) A practitioner, in good faith, may dispense a Schedule
20 II controlled substance, which is a narcotic drug listed in
21 Section 206 of this Act; or which contains any quantity of
22 amphetamine or methamphetamine, their salts, optical isomers
23 or salts of optical isomers; phenmetrazine and its salts; or
24 pentazocine; and Schedule III, IV, or V controlled substances
25 to any person upon a written or electronic prescription of any

1 prescriber, dated and signed by the person prescribing (or
2 electronically validated in compliance with Section 311.5) on
3 the day when issued and bearing the name and address of the
4 patient for whom, or the owner of the animal for which the
5 controlled substance is dispensed, and the full name, address
6 and registry number under the laws of the United States
7 relating to controlled substances of the prescriber, if he or
8 she is required by those laws to be registered. If the
9 prescription is for an animal it shall state the species of
10 animal for which it is ordered. The practitioner filling the
11 prescription shall, unless otherwise permitted, write the date
12 of filling and his or her own signature on the face of the
13 written prescription or, alternatively, shall indicate such
14 filling using a unique identifier as defined in paragraph (v)
15 of Section 3 of the Pharmacy Practice Act. The written
16 prescription shall be retained on file by the practitioner who
17 filled it or pharmacy in which the prescription was filled for
18 a period of 2 years, so as to be readily accessible for
19 inspection or removal by any officer or employee engaged in the
20 enforcement of this Act. Whenever the practitioner's or
21 pharmacy's copy of any prescription is removed by an officer or
22 employee engaged in the enforcement of this Act, for the
23 purpose of investigation or as evidence, such officer or
24 employee shall give to the practitioner or pharmacy a receipt
25 in lieu thereof. If the specific prescription is machine or
26 computer generated and printed at the prescriber's office, the

1 date does not need to be handwritten. A prescription for a
2 Schedule II controlled substance shall not be issued for more
3 than a 30 day supply, except as provided in subsection (a-5),
4 and shall be valid for up to 90 days after the date of
5 issuance. A written prescription for Schedule III, IV or V
6 controlled substances shall not be filled or refilled more than
7 6 months after the date thereof or refilled more than 5 times
8 unless renewed, in writing, by the prescriber. A pharmacy shall
9 maintain a policy regarding the type of identification
10 necessary or the type of information required, if any, to
11 receive a prescription in accordance with State and federal
12 law. The pharmacy must post such information where
13 prescriptions are filled.

14 (a-5) Physicians may issue multiple prescriptions (3
15 sequential 30-day supplies) for the same Schedule II controlled
16 substance, authorizing up to a 90-day supply. Before
17 authorizing a 90-day supply of a Schedule II controlled
18 substance, the physician must meet both of the following
19 conditions:

20 (1) Each separate prescription must be issued for a
21 legitimate medical purpose by an individual physician
22 acting in the usual course of professional practice.

23 (2) The individual physician must provide written
24 instructions on each prescription (other than the first
25 prescription, if the prescribing physician intends for the
26 prescription to be filled immediately) indicating the

1 earliest date on which a pharmacy may fill that
2 prescription.

3 (a-10) A pharmacy may only fill a 10-day supply of a
4 Schedule II controlled substance at one time and must receive
5 authorization from the prescriber before filling any
6 subsequent 10-day supply. However, a prescriber may authorize
7 the pharmacy to fill up to 3 sequential 10-day supplies, up to
8 one 30-day supply, or as provided under subsection (a-5) of
9 this Section up to 3 sequential 30-day supplies, if the
10 prescriber describes on the prescription form or indicates via
11 telephone, fax, or electronic communication to the pharmacy to
12 be entered on or attached to the prescription the medical
13 reason for the larger supply and, if applicable, the written
14 instructions required under paragraph (2) of subsection (a-5).

15 (a-15) Before issuing the first prescription in a single
16 course of treatment for a Schedule II controlled substance, a
17 prescriber shall conduct an assessment of the patient regarding
18 possible addiction tendencies and predisposition for substance
19 abuse. This shall include an assessment of whether the patient
20 has ever suffered, or is currently suffering, from a mental
21 health or substance abuse disorder and whether the patient has
22 taken or is currently taking prescription drugs for treatment
23 of any of those disorders. This requirement is fulfilled if the
24 patient has undergone a physical examination with that
25 prescriber within the past year. Completion of this assessment
26 must be indicated on the prescription.

1 (b) In lieu of a written prescription required by this
2 Section, a pharmacist, in good faith, may dispense Schedule
3 III, IV, or V substances to any person either upon receiving a
4 facsimile of a written, signed prescription transmitted by the
5 prescriber or the prescriber's agent or upon a lawful oral
6 prescription of a prescriber which oral prescription shall be
7 reduced promptly to writing by the pharmacist and such written
8 memorandum thereof shall be dated on the day when such oral
9 prescription is received by the pharmacist and shall bear the
10 full name and address of the ultimate user for whom, or of the
11 owner of the animal for which the controlled substance is
12 dispensed, and the full name, address, and registry number
13 under the law of the United States relating to controlled
14 substances of the prescriber prescribing if he or she is
15 required by those laws to be so registered, and the pharmacist
16 filling such oral prescription shall write the date of filling
17 and his or her own signature on the face of such written
18 memorandum thereof. The facsimile copy of the prescription or
19 written memorandum of the oral prescription shall be retained
20 on file by the proprietor of the pharmacy in which it is filled
21 for a period of not less than two years, so as to be readily
22 accessible for inspection by any officer or employee engaged in
23 the enforcement of this Act in the same manner as a written
24 prescription. The facsimile copy of the prescription or oral
25 prescription and the written memorandum thereof shall not be
26 filled or refilled more than 6 months after the date thereof or

1 be refilled more than 5 times, unless renewed, in writing, by
2 the prescriber.

3 (c) Except for any non-prescription targeted
4 methamphetamine precursor regulated by the Methamphetamine
5 Precursor Control Act, a controlled substance included in
6 Schedule V shall not be distributed or dispensed other than for
7 a medical purpose and not for the purpose of evading this Act,
8 and then:

9 (1) only personally by a person registered to dispense
10 a Schedule V controlled substance and then only to his or
11 her patients, or

12 (2) only personally by a pharmacist, and then only to a
13 person over 21 years of age who has identified himself or
14 herself to the pharmacist by means of 2 positive documents
15 of identification.

17 the purchaser, the name and quantity of the product, the
18 date and time of the sale, and the dispenser's signature.

19 (4) no person shall purchase or be dispensed more than
20 120 milliliters or more than 120 grams of any Schedule V
21 substance which contains codeine, dihydrocodeine, or any
22 salts thereof, or ethylmorphine, or any salts thereof, in
23 any 96 hour period. The purchaser shall sign a form,
24 approved by the Department of Financial and Professional
25 Regulation, attesting that he or she has not purchased any
26 Schedule V controlled substances within the immediately

1 preceding 96 hours.

2 (5) (Blank).

4 maintained for not less than 2 years.

6 any consecutive 96 hour period any Schedule V substances of
7 more than 120 milliliters or more than 120 grams containing
8 codeine, dihydrocodeine or any of its salts, or
9 ethylmorphine or any of its salts. Any person obtaining any
10 such preparations or combination of preparations in excess
11 of this limitation shall be in unlawful possession of such
12 controlled substance.

13 (8) a person qualified to dispense controlled
14 substances under this Act and registered thereunder shall
15 at no time maintain or keep in stock a quantity of Schedule
16 V controlled substances in excess of 4.5 liters for each
17 substance; a pharmacy shall at no time maintain or keep in
18 stock a quantity of Schedule V controlled substances as
19 defined in excess of 4.5 liters for each substance, plus
20 the additional quantity of controlled substances necessary
21 to fill the largest number of prescription orders filled by
22 that pharmacy for such controlled substances in any one
23 week in the previous year. These limitations shall not
24 apply to Schedule V controlled substances which Federal law
25 prohibits from being dispensed without a prescription.

26 (9) no person shall distribute or dispense butyl

1 nitrite for inhalation or other introduction into the human
2 body for euphoric or physical effect.

3 (d) Every practitioner shall keep a record or log of
4 controlled substances received by him or her and a record of
5 all such controlled substances administered, dispensed or
6 professionally used by him or her otherwise than by
7 prescription. It shall, however, be sufficient compliance with
8 this paragraph if any practitioner utilizing controlled
9 substances listed in Schedules III, IV and V shall keep a
10 record of all those substances dispensed and distributed by him
11 or her other than those controlled substances which are
12 administered by the direct application of a controlled
13 substance, whether by injection, inhalation, ingestion, or any
14 other means to the body of a patient or research subject. A
15 practitioner who dispenses, other than by administering, a
16 controlled substance in Schedule II, which is a narcotic drug
17 listed in Section 206 of this Act, or which contains any
18 quantity of amphetamine or methamphetamine, their salts,
19 optical isomers or salts of optical isomers, pentazocine, or
20 methaqualone shall do so only upon the issuance of a written
21 prescription blank or electronic prescription issued by a
22 prescriber.

23 (e) Whenever a manufacturer distributes a controlled
24 substance in a package prepared by him or her, and whenever a
25 wholesale distributor distributes a controlled substance in a
26 package prepared by him or her or the manufacturer, he or she

1 shall securely affix to each package in which that substance is
2 contained a label showing in legible English the name and
3 address of the manufacturer, the distributor and the quantity,
4 kind and form of controlled substance contained therein. No
5 person except a pharmacist and only for the purposes of filling
6 a prescription under this Act, shall alter, deface or remove
7 any label so affixed.

8 (f) Whenever a practitioner dispenses any controlled
9 substance except a non-prescription Schedule V product or a

11 by the Methamphetamine Precursor Control Act, he or she shall
12 affix to the container in which such substance is sold or

3 (h) An investigator or a law enforcement officer receiving
4 confidential information under subsection (c), (d), or (f) may
5 disclose the information to a law enforcement officer or an

26 initiated in good faith, the prescriber or dispenser shall

1 be held harmless from any civil liability.

2 (k) The Department shall establish, by rule, the process by
3 which to evaluate possible erroneous association of
4 prescriptions to any licensed prescriber or end user of the
5 Illinois Prescription Information Library (PIL).

16 administrative rule established by the Department.

17 (o) Hospital emergency departments and freestanding
18 healthcare facilities providing healthcare to walk-in patients
19 may obtain, for the purpose of improving patient care, a unique

22 (720 ILCS 570/410) (from Ch. 56 1/2, par. 1410)

23 Sec. 410. (a) Whenever any person who has not previously
24 been convicted of, or placed on probation or court supervision
25 for any offense under this Act or any law of the United States

1 or of any State relating to cannabis or controlled substances,
2 pleads guilty to or is found guilty of possession of a
3 controlled or counterfeit substance under subsection (c) of
4 Section 402 or of unauthorized possession of prescription form
5 under Section 406.2, the court, without entering a judgment and
6 with the consent of such person, may sentence him or her to
7 probation.

8 (b) When a person is placed on probation, the court shall
9 enter an order specifying a period of probation of 24 months
10 and shall defer further proceedings in the case until the
11 conclusion of the period or until the filing of a petition
12 alleging violation of a term or condition of probation.

13 (c) The conditions of probation shall be that the person:
14 (1) not violate any criminal statute of any jurisdiction; (2)
15 refrain from possessing a firearm or other dangerous weapon;
16 (3) submit to periodic drug testing at a time and in a manner
17 as ordered by the court, but no less than 3 times during the
18 period of the probation, with the cost of the testing to be
19 paid by the probationer; and (4) perform no less than 30 hours
20 of community service, provided community service is available
21 in the jurisdiction and is funded and approved by the county
22 board.

23 (d) The court may, in addition to other conditions, require
24 that the person:

25 (1) make a report to and appear in person before or
26 participate with the court or such courts, person, or

1 social service agency as directed by the court in the order
2 of probation;

3 (2) pay a fine and costs;

4 (3) work or pursue a course of study or vocational
5 training;

6 (4) undergo medical or psychiatric treatment; or
7 treatment or rehabilitation approved by the Illinois
8 Department of Human Services;

9 (5) attend or reside in a facility established for the
10 instruction or residence of defendants on probation;

11 (6) support his or her dependents;

12 (6-5) refrain from having in his or her body the
13 presence of any illicit drug prohibited by the Cannabis
14 Control Act, the Illinois Controlled Substances Act, or the
15 Methamphetamine Control and Community Protection Act,
16 unless prescribed by a physician, and submit samples of his
17 or her blood or urine or both for tests to determine the
18 presence of any illicit drug;

19 (7) and in addition, if a minor:

20 (i) reside with his or her parents or in a foster
21 home;

22 (ii) attend school;

23 (iii) attend a non-residential program for youth;

26 (e) Upon violation of a term or condition of probation, the

1 court may enter a judgment on its original finding of guilt and
2 proceed as otherwise provided.

3 (f) Upon fulfillment of the terms and conditions of
4 probation, the court shall discharge the person and dismiss the
5 proceedings against him or her.

6 (g) A disposition of probation is considered to be a
7 conviction for the purposes of imposing the conditions of
8 probation and for appeal, however, discharge and dismissal
9 under this Section is not a conviction for purposes of this Act
10 or for purposes of disqualifications or disabilities imposed by
11 law upon conviction of a crime.

12 (h) There may be only one discharge and dismissal under
13 this Section, Section 10 of the Cannabis Control Act, Section
14 70 of the Methamphetamine Control and Community Protection Act,
15 Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections,
16 or subsection (c) of Section 11-14 of the Criminal Code of 1961
17 or the Criminal Code of 2012 with respect to any person.

18 (i) If a person is convicted of an offense under this Act,
19 the Cannabis Control Act, or the Methamphetamine Control and
20 Community Protection Act within 5 years subsequent to a
21 discharge and dismissal under this Section, the discharge and
22 dismissal under this Section shall be admissible in the
23 sentencing proceeding for that conviction as evidence in
24 aggravation.

25 (j) Notwithstanding subsection (a), before a person may be
26 sentenced to probation under this Section, the court shall

1 refer the person to the drug court established in that judicial
2 circuit pursuant to Section 15 of the Drug Court Treatment Act.
3 The drug court team shall evaluate the person's likelihood of
4 successfully completing a sentence of probation under this
5 Section and shall report the results of its evaluation to the
6 court. If the drug court team finds that the person suffers
7 from a severe substance abuse problem that makes him or her
8 substantially unlikely to successfully complete a sentence of
9 probation under this Section, then the drug court shall set
10 forth its findings in the form of a written order, and the
11 person shall not be sentenced to probation under this Section.

12 (k) If a person is sentenced to probation under this
13 Section, then the drug court program established in that
14 judicial circuit pursuant to Section 15 of the Drug Court
15 Treatment Act shall administer the sentence and supervise the
16 person's compliance with the terms and conditions of probation.
17 A person sentenced to probation shall pay a monthly fee of \$25
18 to the clerk of the circuit court. The clerk of the circuit
19 court shall collect the fee established in this subsection and
20 must remit the fee to the drug court, less 5%, which is to be
21 retained as fee income to the office of the clerk of the
22 circuit court, and shall deposit the fee into an account
23 specifically for the operation and administration of the drug
24 court, including the supervision of defendants sentenced to
25 probation under this Section, as provided in subsection (f) of
26 Section 5-1101 of the Counties Code.

3 Section 105. The Methamphetamine Control and Community
4 Protection Act is amended by changing Section 70 as follows:

5 (720 ILCS 646/70)

6 Sec. 70. Probation.

7 (a) Whenever any person who has not previously been
8 convicted of, or placed on probation or court supervision for
9 any offense under this Act, the Illinois Controlled Substances
10 Act, the Cannabis Control Act, or any law of the United States
11 or of any state relating to cannabis or controlled substances,
12 pleads guilty to or is found guilty of possession of less than
13 15 grams of methamphetamine under paragraph (1) or (2) of
14 subsection (b) of Section 60 of this Act, the court, without
15 entering a judgment and with the consent of the person, may
16 sentence him or her to probation.

17 (b) When a person is placed on probation, the court shall
18 enter an order specifying a period of probation of 24 months
19 and shall defer further proceedings in the case until the
20 conclusion of the period or until the filing of a petition
21 alleging violation of a term or condition of probation.

22 (c) The conditions of probation shall be that the person:

23 (1) not violate any criminal statute of any
24 jurisdiction;

1 (2) refrain from possessing a firearm or other
2 dangerous weapon;

3 (3) submit to periodic drug testing at a time and in a
4 manner as ordered by the court, but no less than 3 times
5 during the period of the probation, with the cost of the
6 testing to be paid by the probationer; and

7 (4) perform no less than 30 hours of community service,
8 if community service is available in the jurisdiction and
9 is funded and approved by the county board.

10 (d) The court may, in addition to other conditions, require
11 that the person take one or more of the following actions:

15 proceed as otherwise provided.

16 (f) Upon fulfillment of the terms and conditions of
17 probation, the court shall discharge the person and dismiss the
18 proceedings against the person.

19 (g) A disposition of probation is considered to be a
20 conviction for the purposes of imposing the conditions of
21 probation and for appeal, however, discharge and dismissal
22 under this Section is not a conviction for purposes of this Act
23 or for purposes of disqualifications or disabilities imposed by
24 law upon conviction of a crime.

25 (h) There may be only one discharge and dismissal under
26 this Section, Section 410 of the Illinois Controlled Substances

1 Act, Section 10 of the Cannabis Control Act, Section 5-6-3.3 or

3 of Section 11-14 of the Criminal Code of 1961 or the Criminal
4 Code of 2012 with respect to any person.

5 (i) If a person is convicted of an offense under this Act,
6 the Cannabis Control Act, or the Illinois Controlled Substances
7 Act within 5 years subsequent to a discharge and dismissal
8 under this Section, the discharge and dismissal under this
9 Section are admissible in the sentencing proceeding for that
10 conviction as evidence in aggravation.

11 (j) Notwithstanding subsection (a), before a person may be
12 sentenced to probation under this Section, the court shall
13 refer the person to the drug court established in that judicial
14 circuit pursuant to Section 15 of the Drug Court Treatment Act.
15 The drug court team shall evaluate the person's likelihood of
16 successfully completing a sentence of probation under this
17 Section and shall report the results of its evaluation to the
18 court. If the drug court team finds that the person suffers
19 from a severe substance abuse problem that makes him or her
20 substantially unlikely to successfully complete a sentence of
21 probation under this Section, then the drug court shall set
22 forth its findings in the form of a written order, and the
23 person shall not be sentenced to probation under this Section.

24 (k) If a person is sentenced to probation under this
25 Section, then the drug court program established in that
26 judicial circuit pursuant to Section 15 of the Drug Court

1 Treatment Act shall administer the sentence and supervise the
2 person's compliance with the terms and conditions of probation.
3 A person sentenced to probation shall pay a monthly fee of \$25
4 to the clerk of the circuit court. The clerk of the circuit
5 court shall collect the fee established in this subsection and
6 must remit the fee to the drug court, less 5%, which is to be
7 retained as fee income to the office of the clerk of the
8 circuit court, and shall deposit the fee into an account
9 specifically for the operation and administration of the drug
10 court, including the supervision of defendants sentenced to
11 probation under this Section, as provided in subsection (f) of
12 Section 5-1101 of the Counties Code.

17 (730 ILCS 5/5-6-3.3)

18 Sec. 5-6-3.3. Offender Initiative Program.

19 (a) Statement of purpose. The General Assembly seeks to
20 continue other successful programs that promote public safety,
21 conserve valuable resources, and reduce recidivism by
22 defendants who can lead productive lives by creating the
23 Offender Initiative Program.

24 (a-1) Whenever any person who has not previously been

1 convicted of, or placed on probation or conditional discharge
2 for, any felony offense under the laws of this State, the laws
3 of any other state, or the laws of the United States, is
4 arrested for and charged with a probationable felony offense of
5 theft, retail theft, forgery, possession of a stolen motor
6 vehicle, burglary, possession of burglary tools, possession of
7 cannabis, possession of a controlled substance, or possession
8 of methamphetamine, the court, with the consent of the
9 defendant and the State's Attorney, may continue this matter to
10 allow a defendant to participate and complete the Offender
11 Initiative Program.

12 (a-2) Exemptions. A defendant shall not be eligible for
13 this Program if the offense he or she has been arrested for and
14 charged with is a violent offense. For purposes of this
15 Program, a "violent offense" is any offense where bodily harm
16 was inflicted or where force was used against any person or

19 offense of domestic violence, domestic battery, violation of an
20 order of protection, stalking, hate crime, driving under the
21 influence of drugs or alcohol, and any offense involving the

23 not be eligible for this Program if he or she has previously
24 been adjudicated a delinquent minor for the commission of a
25 violent offense as defined in this subsection.

26 (b) When a defendant is placed in the Program, after both

1 the defendant and State's Attorney waive preliminary hearing
2 pursuant to Section 109-3 of the Code of Criminal Procedure of
3 1963, the court shall enter an order specifying that the
4 proceedings shall be suspended while the defendant is
5 participating in a Program of not less 12 months.

6 (c) The conditions of the Program shall be that the
7 defendant:

8 (1) not violate any criminal statute of this State or
9 any other jurisdiction;

11 dangerous weapon;

12 (3) make full restitution to the victim or property
13 owner pursuant to Section 5-5-6 of this Code;

19 defendant for obtaining a high school diploma or to work
20 toward passing high school equivalency testing or to work

6 blood or urine or both for tests to determine the presence
7 of any illicit drug;

8 (3) submit to periodic drug testing at a time, manner,
9 and frequency as ordered by the court;

10 (4) pay fines, fees and costs; and

11 (5) in addition, if a minor:

12 (i) reside with his or her parents or in a foster
13 home;

14 (ii) attend school;

15 (iii) attend a non-residential program for youth;

16 or

17 (iv) contribute to his or her own support at home
18 or in a foster home.

19 (e) When the State's Attorney makes a factually specific
20 offer of proof that the defendant has failed to successfully
21 complete the Program or has violated any of the conditions of
22 the Program, the court shall enter an order that the defendant
23 has not successfully completed the Program and continue the
24 case for arraignment pursuant to Section 113-1 of the Code of
25 Criminal Procedure of 1963 for further proceedings as if the
26 defendant had not participated in the Program.

1 (f) Upon fulfillment of the terms and conditions of the
2 Program, the State's Attorney shall dismiss the case or the
3 court shall discharge the person and dismiss the proceedings
4 against the person.

5 (g) There may be only one discharge and dismissal under
6 this Section with respect to any person.

7 (h) Notwithstanding subsection (a-1), if the court finds
8 that the defendant suffers from a serious substance abuse
9 problem, then before the person may participate in the Program
10 under this Section, the court shall refer the person to the
11 drug court established in that judicial circuit pursuant to
12 Section 15 of the Drug Court Treatment Act. The drug court team
13 shall evaluate the person's likelihood of successfully
14 fulfilling the terms and conditions of the Program under this
15 Section and shall report the results of its evaluation to the
16 court. If the drug court team finds that the person suffers
17 from a severe substance abuse problem that makes him or her
18 substantially unlikely to successfully fulfill the terms and
19 conditions of the Program, then the drug court shall set forth
20 its findings in the form of a written order, and the person
21 shall be ineligible to participate in the Program under this
