11 and dental hygienists in any one licensing cycle to verify
12 compliance with continuing education requirements. If the
13 Department, however, receives a complaint that a licensee has
14 not completed the required continuing education or if the
15 Department is investigating another alleged violation of this
16 Act by a licensee, the Department may demand and shall be
17 entitled to receive evidence from any licensee of completion of
18 required continuing education courses for the most recently
19 completed 3-year licensing period. Evidence of continuing
20 education may include, but is not limited to, canceled checks,
21 official verification forms of attendance, and continuing
22 education recording forms, that demonstrate a reasonable

24 with rules adopted by the Department, whether a licensee or
25 applicant has met the continuing education requirements. Any
26 dentist who holds more than one license under this Act shall be

1 required to complete only the minimum number of hours of
2 continuing education required for renewal of a single license.
3 The Department may provide exemptions from continuing

22 of dental or oral tissues by dental hygienists or dental
23 assistants; or

24 (g) The performance of any dental service by a dental

10 the hard or soft tissues of the oral cavity, except for
11 the placing, carving, and finishing of amalgam

13 polishing under the following circumstances: (i) the
14 coronal polishing shall be limited to polishing the
15 clinical crown of the tooth and existing restorations,
16 supragingivally; (ii) the dental assistant performing

22 of coronal polishing or pit and fissure sealants.

23 In addition to coronal polishing and pit and
24 fissure sealants as described in this item (7), a
25 dental assistant who has successfully completed a
26 training program approved by rule by the Department may

1 perform intracoronal temporization of a tooth. A
2 dental assistant performing this function shall be
3 limited to the use of hand instruments only.

4 The limitations on the number of dental assistants a

1 limitations.

2 (a) A person practices dental hygiene within the meaning of
3 this Act when he or she performs the following acts under the
4 supervision of a dentist:

5 (i) the operative procedure of dental hygiene,
6 consisting of oral prophylactic procedures;

7 (ii) the exposure and processing of X-Ray films of
8 the teeth and surrounding structures;

9 (iii) the application to the surfaces of the teeth
10 or gums of chemical compounds designed to be
11 desensitizing agents or effective agents in the
12 prevention of dental caries or periodontal disease;

13 (iv) all services which may be performed by a
14 dental assistant as specified by rule pursuant to
15 Section 17, and a dental hygienist may engage in the
16 placing, carving, and finishing of amalgam
17 restorations only after obtaining formal education and
18 certification as determined by the Department;

19 (v) administration and monitoring of nitrous oxide
20 upon successful completion of a training program
21 approved by the Department;

22 (vi) administration of local anesthetics upon
23 successful completion of a training program approved
24 by the Department; and

25 (vii) such other procedures and acts as shall be
26 prescribed by rule or regulation of the Department.

1 (b) A dental hygienist may be employed or engaged only:

2 (1) by a dentist;

3 (2) by a federal, State, county, or municipal agency or
4 institution;

5 (3) by a public or private school; or

6 (4) by a public clinic operating under the direction of
7 a hospital or federal, State, county, municipal, or other
8 public agency or institution.

9 (c) When employed or engaged in the office of a dentist, a
10 dental hygienist may perform, under general supervision, those
11 procedures found in items (i) through (iv) of subsection (a) of
12 this Section, provided the patient has been examined by the
13 dentist within one year of the provision of dental hygiene
14 services, the dentist has approved the dental hygiene services
15 by a notation in the patient's record and the patient has been
16 notified that the dentist may be out of the office during the
17 provision of dental hygiene services.

18 (d) If a patient of record is unable to travel to a dental
19 office because of illness, infirmity, or imprisonment, a dental
20 hygienist may perform, under the general supervision of a
21 dentist, those procedures found in items (i) through (iv) of
22 subsection (a) of this Section, provided the patient is located
23 in a long-term care facility licensed by the State of Illinois,
24 a mental health or developmental disability facility, or a
25 State or federal prison. The dentist shall personally examine
26 and diagnose the patient and determine which services are

1 necessary to be performed, which shall be contained in an order
2 to the hygienist and a notation in the patient's record. Such
3 order must be implemented within 120 days of its issuance, and
4 an updated medical history and observation of oral conditions
5 must be performed by the hygienist immediately prior to
6 beginning the procedures to ensure that the patient's health
7 has not changed in any manner to warrant a reexamination by the
8 dentist.

9 (e) School-based oral health care, consisting of and
10 limited to oral prophylactic procedures, sealants, and
11 fluoride treatments, may be provided by a dental hygienist
12 under the general supervision of a dentist. A dental hygienist
13 may not provide other dental hygiene treatment in a
14 school-based setting, including but not limited to
15 administration or monitoring of nitrous oxide or
16 administration of local anesthetics. The school-based
17 procedures may be performed provided the patient is located at
18 a public or private school and the program is being conducted
19 by a State, county or local public health department initiative
20 or in conjunction with a dental school or dental hygiene
21 program. The dentist shall personally examine and diagnose the
22 patient and determine which services are necessary to be
23 performed, which shall be contained in an order to the
24 hygienist and a notation in the patient's record. Any such
25 order for sealants must be implemented within 120 days after
26 its issuance. Any such order for oral prophylactic procedures

1 or fluoride treatments must be implemented within 180 days
2 after its issuance. An updated medical history and observation

9 record case histories and oral conditions observed.

10 (g) The number of dental hygienists practicing in a dental

18 oral assessments, perform screenings, and provide educational
19 and preventative services as provided in subsection (b) of
20 Section 18.1 of this Act. The public health dental hygienist
21 may not administer local anesthesia or nitrous oxide, or place,
22 carve, or finish amalgam restorations or provide periodontal
23 therapy under this exception. Each patient must sign a consent
24 form that acknowledges that the care received does not take the
25 place of a regular dental examination. The public health dental
26 hygienist must provide the patient or guardian a written

1 referral to a dentist for assessment of the need for further
2 dental care at the time of treatment. Any indication or
3 observation of a condition that could warrant the need for
4 urgent attention must be reported immediately to the
5 supervising dentist for appropriate assessment and treatment.

6 This subsection (h) is inoperative on and after January 1,
7 2021.

10 Sec. 18.1. Public health dental supervision
11 responsibilities.

12 (a) When working together in a public health supervision
13 relationship, dentists and public health dental hygienists
14 shall enter into a public health supervision agreement. The
15 dentist providing public health supervision must:

16 (1) be available to provide an appropriate level of
17 contact, communication, collaboration, and consultation
18 with the public health dental hygienist and must meet
19 in-person with the public health dental hygienist at least
20 quarterly for review and consultation;

21 (2) have specific standing orders or policy guidelines
22 for procedures that are to be carried out for each location
23 or program, although the dentist need not be present when
24 the procedures are being performed;

25 (3) provide for the patient's additional necessary

1 care in consultation with the public health dental
2 hygienist;

3 (4) file agreements and notifications as required; and

4 (5) include procedures for creating and maintaining
5 dental records, including protocols for transmission of
6 all records between the public health dental hygienist and
7 the dentist following each treatment, which shall include a
8 notation regarding procedures authorized by the dentist
9 and performed by the public health dental hygienist and the
10 location where those records are to be kept.

11 Each dentist and hygienist who enters into a public health
12 supervision agreement must document and maintain a copy of any
13 change or termination of that agreement.

14 Dental records shall be owned and maintained by the
15 supervising dentist for all patients treated under public
16 health supervision, unless the supervising dentist is an
17 employee of a public health clinic or federally qualified
18 health center, in which case the public health clinic or
19 federally qualified health center shall maintain the records.

20 If a dentist ceases to be employed or contracted by the
21 facility, the dentist shall notify the facility administrator
22 that the public health supervision agreement is no longer in
23 effect. A new public health supervision agreement is required
24 for the public health dental hygienist to continue treating
25 patients under public health supervision.

26 A dentist entering into an agreement under this Section may

1 supervise and enter into agreements for public health
2 supervision with 2 public health dental hygienists. This shall
3 be in addition to the limit of 4 dental hygienists per dentist
4 set forth in subsection (g) of Section 18 of this Act.

5 (b) A public health dental hygienist providing services
6 under public health supervision may perform only those duties
7 within the accepted scope of practice of dental hygiene, as
8 follows:

9 (1) the operative procedures of dental hygiene,
10 consisting of oral prophylactic procedures, including
11 prophylactic cleanings, application of fluoride, and
12 placement of sealants;

13 (2) the exposure and processing of x-ray films of the
14 teeth and surrounding structures; and

15 (3) such other procedures and acts as shall be
16 prescribed by rule of the Department.

17 Any patient treated under this subsection (b) must be
18 examined by a dentist before additional services can be
19 provided by a public health dental hygienist.

20 (c) A public health dental hygienist providing services
21 under public health supervision must:

22 (1) provide to the patient, parent, or guardian a
23 written plan for referral or an agreement for follow-up
24 that records all conditions observed that should be called
25 to the attention of a dentist for proper diagnosis;

26 (2) have each patient sign a permission slip or consent

1 form that informs them that the service to be received does
2 not take the place of regular dental checkups at a dental
3 office and is meant for people who otherwise would not have
4 access to the service;

5 (3) inform each patient who may require further dental
6 services of that need;

7 (4) maintain an appropriate level of contact and
8 communication with the dentist providing public health
9 supervision; and

10 (5) complete an additional 4 hours of continuing
11 education in areas specific to public health dentistry
12 yearly.

13 (d) Each public health dental hygienist who has rendered
14 services under subsections (c), (d), and (e) of this Section
15 must complete a summary report at the completion of a program
16 or, in the case of an ongoing program, at least annually. The
17 report must be completed in the manner specified by the
18 Division of Oral Health in the Department of Public Health
19 including information about each location where the public
20 health dental hygienist has rendered these services. The public
21 health dental hygienist must submit the form to the dentist
22 providing supervision for his or her signature before sending
23 it to the Division.

24 (e) Public health dental hygienists providing services
25 under public health supervision may be compensated for their
26 work by salary, honoraria, and other mechanisms by the

1 employing or sponsoring entity. Nothing in this Act shall
2 preclude the entity that employs or sponsors a public health
3 dental hygienist from seeking payment, reimbursement, or other
4 source of funding for the services provided.

5 (f) This Section is repealed on January 1, 2021.

14 provisions for compensation, health insurance, pension, or
15 other employment benefits for the provision of services

18 employment arrangement to receive professional fees for
19 services rendered.

20 6. Employing, procuring, inducing, aiding or abetting
21 a person not licensed or registered as a dentist or dental
22 hygienist to engage in the practice of dentistry or dental

13 may deem proper with regard to a license on any of the grounds
14 contained in this Section, must be commenced within 5 years
15 after receipt by the Department of a complaint alleging the
16 commission of or notice of the conviction order for any of the
17 acts described in this Section. Except for fraud in procuring a
18 license, no action shall be commenced more than 7 years after
19 the date of the incident or act alleged to have violated this

8 (225 ILCS 25/25) (from Ch. 111, par. 2325)

9 (Section scheduled to be repealed on January 1, 2016)

10 Sec. 25. Notice of hearing; investigations and informal
11 conferences.

12 (a) Upon the motion of either the Department or the Board
13 or upon the verified complaint in writing of any person setting
14 forth facts which if proven would constitute grounds for
15 refusal, suspension or revocation of license under this Act,
16 the Board shall investigate the actions of any person,
17 hereinafter called the respondent, who holds or represents that
18 he or she holds a license. All such motions or complaints shall
19 be brought to the Board.

20 (b) Prior to taking an in-person statement from a dentist
21 or dental hygienist who is the subject of a complaint, the
22 investigator shall inform the dentist or the dental hygienist
23 in writing:

24 (1) that the dentist or dental hygienist is the subject
25 of a complaint;

1 (2) that the dentist or dental hygienist need not
2 immediately proceed with the interview and may seek
3 appropriate consultation prior to consenting to the
4 interview; and

5 (3) that failure of the dentist or dental hygienist to
6 proceed with the interview shall not prohibit the
7 Department from conducting a visual inspection of the
8 facility.

9 A Department investigator's failure to comply with this
10 subsection may not be the sole ground for dismissal of any
11 order of the Department filed upon a finding of a violation or
12 for dismissal of a pending investigation.

13 (b-5) The duly authorized dental investigators of the
14 Department shall have the right to enter and inspect, during
15 business hours, the business premises of a dentist licensed
16 under this Act or of a person who holds himself or herself out
17 as practicing dentistry, with due consideration for patient
18 care of the subject of the investigation, so as to inspect the
19 physical premises and equipment and furnishings therein. This
20 right of inspection shall not include inspection of business,
21 medical, or personnel records located on the premises without a
22 Department subpoena issued in accordance with Section 25.1 of
23 this Act or Section 2105-105 of the Department of Professional
24 Regulation Law of the Civil Administrative Code of Illinois.
25 For the purposes of this Section, "business premises" means the
26 office or offices where the dentist conducts the practice of

1 dentistry.

2 (c) If the Department concludes on the basis of a complaint
3 or its initial investigation that there is a possible violation
4 of the Act, the Department may:

5 (1) schedule a hearing pursuant to this Act; or

6 (2) request in writing that the dentist or dental
7 hygienist being investigated attend an informal conference
8 with representatives of the Department.

9 The request for an informal conference shall contain the
10 nature of the alleged actions or inactions that constitute the
11 possible violations.

12 A dentist or dental hygienist shall be allowed to have
13 legal counsel at the informal conference. If the informal
14 conference results in a consent order between the accused
15 dentist or dental hygienist and the Department, the consent
16 order must be approved by the Secretary. However, if the
17 consent order would result in a fine exceeding \$10,000 or the
18 suspension or revocation of the dentist or dental hygienist
19 license, the consent order must be approved by the Board and
20 the Secretary. Participation in the informal conference by a
21 dentist, a dental hygienist, or the Department and any
22 admissions or stipulations made by a dentist, a dental
23 hygienist, or the Department at the informal conference,
24 including any agreements in a consent order that is
25 subsequently disapproved by either the Board or the Secretary,
26 shall not be used against the dentist, dental hygienist, or

1 Department at any subsequent hearing and shall not become a
2 part of the record of the hearing.

3 (d) The Secretary shall, before suspending, revoking,
4 placing on probationary status, or taking any other
5 disciplinary action as the Secretary may deem proper with
6 regard to any license, at least 30 days prior to the date set
7 for the hearing, notify the respondent in writing of any
8 charges made and the time and place for a hearing of the
9 charges before the Board, direct him or her to file his or her
10 written answer thereto to the Board under oath within 20 days
11 after the service on him or her of such notice and inform him
12 or her that if he or she fails to file such answer default will
13 be taken against him or her and his or her license may be
14 suspended, revoked, placed on probationary status, or other
15 disciplinary action may be taken with regard thereto, including
16 limiting the scope, nature or extent of his or her practice, as
17 the Secretary may deem proper.

18 (e) Such written notice and any notice in such proceedings
19 thereafter may be served by delivery personally to the
20 respondent, or by registered or certified mail to the address
21 last theretofore specified by the respondent in his or her last
22 notification to the Secretary.

24 (225 ILCS 25/26) (from Ch. 111, par. 2326)

25 (Section scheduled to be repealed on January 1, 2016)

1 Sec. 26. Disciplinary actions.

2 (a) In case the respondent, after receiving notice, fails
3 to file an answer, his or her license may, in the discretion of
4 the Secretary, having first received the recommendation of the
5 Board, be suspended, revoked, placed on probationary status, or
6 the Secretary may take whatever disciplinary or
7 non-disciplinary action he or she may deem proper, including
8 limiting the scope, nature, or extent of the person's practice
9 or the imposition of a fine, without a hearing, if the act or
10 acts charged constitute sufficient grounds for such action
11 under this Act.

12 (b) The Secretary may temporarily suspend the license of a
13 dentist or dental hygienist without a hearing, simultaneous to
14 the institution of proceedings for a hearing under this Act, if
15 the Secretary finds that evidence in his or her possession
16 indicates that a dentist's or dental hygienist's continuation
17 in practice would constitute an immediate danger to the public.
18 In the event that the Secretary temporarily suspends the
19 license of a dentist or a dental hygienist without a hearing, a
20 hearing by the Board must be held within 15 days after such
21 suspension has occurred.

22 (c) The entry of a judgment by any circuit court
23 establishing that any person holding a license under this Act
24 is a person subject to involuntary admission under the Mental
25 Health and Developmental Disabilities Code shall operate as a
26 suspension of that license. That person may resume his or her

1 practice only upon a finding by the Board that he or she has
2 been determined to be no longer subject to involuntary
3 admission by the court and upon the Board's recommendation to
4 the Secretary that he or she be permitted to resume his or her
5 practice.

7 (225 ILCS 25/29) (from Ch. 111, par. 2329)

8 (Section scheduled to be repealed on January 1, 2016)

9 Sec. 29. Recommendations for disciplinary action - Action
10 by Secretary. The Board may advise the Secretary that probation
11 be granted or that other disciplinary action, including the
12 limitation of the scope, nature or extent of a person's
13 practice, be taken, as it deems proper. If disciplinary action
14 other than suspension or revocation is taken, the Board may
15 advise that the Secretary impose reasonable limitations and
16 requirements upon the respondent to insure compliance with the
17 terms of the probation or other disciplinary action, including,
18 but not limited to, regular reporting by the respondent to the
19 Secretary of his or her actions, or the respondent's placing
20 himself or herself under the care of a qualified physician for
21 treatment or limiting his or her practice in such manner as the
22 Secretary may require.

23 The Board shall present to the Secretary a written report
24 of its findings and recommendations. A copy of such report
25 shall be served upon the respondent, either personally or by

1 registered or certified mail. Within 20 days after such
2 service, the respondent may present to the Department his or
3 her motion in writing for a rehearing, specifying the
4 particular ground therefor. If the respondent orders from the
5 reporting service and pays for a transcript of the record, the
6 time elapsing thereafter and before such transcript is ready
7 for delivery to him or her shall not be counted as part of such
8 20 days.

9 At the expiration of the time allowed for filing a motion
10 for rehearing the Secretary may take the action recommended by
11 the Board. Upon suspension, revocation, placement on
12 probationary status, or the taking of any other disciplinary
13 action, including the limiting of the scope, nature, or extent
14 of one's practice, deemed proper by the Secretary, with regard
15 to the license, the respondent shall surrender his or her
16 license to the Department, if ordered to do so by the
17 Department, and upon his or her failure or refusal to do so,
18 the Department may seize the same.

19 In all instances under this Act in which the Board has
20 rendered a recommendation to the Secretary with respect to a
21 particular person, the Secretary shall, to the extent that he
22 or she disagrees with or takes action contrary to the
23 recommendation of the Board, file with the Board his or her
24 specific written reasons of disagreement. Such reasons shall be
25 filed within 30 days after the Secretary has taken the contrary
26 position.

1 Each order of revocation, suspension, or other
2 disciplinary action shall contain a brief, concise statement of
3 the ground or grounds upon which the Department's action is
4 based, as well as the specific terms and conditions of such
5 action. The original of this document shall be retained as a
6 permanent record by the Board and the Department. In those
7 instances where an order of revocation, suspension, or other
8 disciplinary action has been rendered by virtue of a dentist's
9 or dental hygienist's physical illness, including, but not
10 limited to, deterioration through the aging process, or loss of
11 motor skill which results in an inability to practice with
12 reasonable judgment, skill, or safety, the Department shall
13 permit only this document and the record of the hearing
14 incident thereto to be observed, inspected, viewed, or copied
15 pursuant to court order.

20 shall have the authority to appoint any attorney duly licensed
21 to practice law in the State of Illinois to serve as the
22 hearing officer if any action for refusal to issue, renew or
23 discipline of a license. The hearing officer shall have full
24 authority to conduct the hearing. The hearing officer shall
25 report his or her findings and recommendations to the Board and

1 the Secretary. The Board shall have 60 days from receipt of the
2 report to review the report of the hearing officer and present
3 its findings of fact, conclusions of law and recommendations to
4 the Secretary. If the Board fails to present its report within
5 the 60 day period, the Secretary shall issue an order based on
6 the report of the hearing officer. ~~If the Secretary determines~~
7 ~~that the Board's report is contrary to the manifest weight of~~
8 ~~the evidence, he or she may issue an order in contravention of~~
9 ~~the Board's report.~~

10 Whenever the Secretary is satisfied that substantial
11 justice has not been done in a formal disciplinary action or
12 refusal to restore a license, he or she may order a
13 reexamination or rehearing by the same or other hearing
14 officer.

7 on either a full or part-time basis, as the Department deems
8 necessary for the proper performance of its duties. The
9 Department shall retain and use such hearing officers as it
10 deems necessary. All employees of the Department shall be
11 directed by, and answerable to, the Department, with respect to
12 their duties and functions.
