HB2812 Enrolled

1 AN ACT concerning public aid.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

4 Section 5. The Illinois Public Aid Code is amended by 5 changing Section 5-30 as follows:

6 (305 ILCS 5/5-30)

7

Sec. 5-30. Care coordination.

(a) At least 50% of recipients eligible for comprehensive 8 9 medical benefits in all medical assistance programs or other health benefit programs administered by the Department, 10 11 including the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act, shall be enrolled in a 12 13 care coordination program by no later than January 1, 2015. For 14 this Section, "coordinated care" or "care purposes of coordination" means delivery systems where recipients will 15 16 receive their care from providers who participate under contract in integrated delivery systems that are responsible 17 for providing or arranging the majority of care, including 18 19 primary care physician services, referrals from primary care 20 physicians, diagnostic and treatment services, behavioral 21 health services, in-patient and outpatient hospital services, 22 dental services, and rehabilitation and long-term care services. The Department shall designate or contract for such 23

integrated delivery systems (i) to ensure enrollees have a choice of systems and of primary care providers within such systems; (ii) to ensure that enrollees receive quality care in a culturally and linguistically appropriate manner; and (iii) to ensure that coordinated care programs meet the diverse needs of enrollees with developmental, mental health, physical, and age-related disabilities.

(b) Payment for such coordinated care shall be based on 8 9 arrangements where the State pays for performance related to 10 health care outcomes, the use of evidence-based practices, the 11 use of primary care delivered through comprehensive medical 12 the use of electronic medical records, homes, and the 13 appropriate exchange of health information electronically made either on a capitated basis in which a fixed monthly premium 14 15 per recipient is paid and full financial risk is assumed for 16 the delivery of services, or through other risk-based payment 17 arrangements.

(c) To qualify for compliance with this Section, the 50% 18 goal shall be achieved by enrolling medical assistance 19 20 enrollees from each medical assistance enrollment category, 21 including parents, children, seniors, and people with 22 disabilities to the extent that current State Medicaid payment 23 laws would not limit federal matching funds for recipients in care coordination programs. In addition, services must be more 24 25 comprehensively defined and more risk shall be assumed than in 26 the Department's primary care case management program as of the HB2812 Enrolled - 3 - LRB099 10944 KTG 31288 b

effective date of this amendatory Act of the 96th General
 Assembly.

(d) The Department shall report to the General Assembly in 3 a separate part of its annual medical assistance program 4 report, beginning April, 2012 until April, 2016, on the 5 6 progress and implementation of the care coordination program initiatives established by the provisions of this amendatory 7 8 Act of the 96th General Assembly. The Department shall include 9 in its April 2011 report a full analysis of federal laws or 10 regulations regarding upper payment limitations to providers 11 and the necessary revisions or adjustments in rate 12 methodologies and payments to providers under this Code that would be necessary to implement coordinated care with full 13 14 financial risk by a party other than the Department.

(e) Integrated Care Program for individuals with chronicmental health conditions.

17 Integrated Care Program shall (1)The encompass services administered to recipients of medical assistance 18 19 under this Article prevent exacerbations to and 20 complications using cost-effective, evidence-based 21 practice quidelines and mental health management 22 strategies.

(2) The Department may utilize and expand upon existing
 contractual arrangements with integrated care plans under
 the Integrated Care Program for providing the coordinated
 care provisions of this Section.

1 (3) Payment for such coordinated care shall be based on 2 arrangements where the State pays for performance related 3 to mental health outcomes on a capitated basis in which a 4 fixed monthly premium per recipient is paid and full 5 financial risk is assumed for the delivery of services, or 6 through other risk-based payment arrangements such as 7 provider-based care coordination.

8 (4) The Department shall examine whether chronic 9 mental health management programs and services for 10 recipients with specific chronic mental health conditions 11 do any or all of the following:

12 (A) Improve the patient's overall mental health in13 a more expeditious and cost-effective manner.

14 (B) Lower costs in other aspects of the medical 15 assistance program, such as hospital admissions, 16 emergency room visits, or more frequent and 17 inappropriate psychotropic drug use.

(5) The Department shall work with the facilities and 18 any integrated care plan participating in the program to 19 20 identify and correct barriers to the successful 21 implementation of this subsection (e) prior to and during 22 implementation to best facilitate the goals and the 23 objectives of this subsection (e).

(f) A hospital that is located in a county of the State in
which the Department mandates some or all of the beneficiaries
of the Medical Assistance Program residing in the county to

enroll in a Care Coordination Program, as set forth in Section 1 2 5-30 of this Code, shall not be eligible for any non-claims 3 based payments not mandated by Article V-A of this Code for which it would otherwise be qualified to receive, unless the 4 5 hospital is a Coordinated Care Participating Hospital no later than 60 days after the effective date of this amendatory Act of 6 7 the 97th General Assembly or 60 days after the first mandatory 8 enrollment of a beneficiary in a Coordinated Care program. For 9 purposes of this subsection, "Coordinated Care Participating 10 Hospital" means a hospital that meets one of the following 11 criteria:

12

13

14

(1) The hospital has entered into a contract to provide hospital services with one or more MCOs to enrollees of the care coordination program.

15 (2) The hospital has not been offered a contract by a 16 care coordination plan that the Department has determined 17 to be a good faith offer and that pays at least as much as the Department would pay, on a fee-for-service basis, not 18 19 including disproportionate share hospital adjustment 20 payments or any other supplemental adjustment or add-on 21 payment to the base fee-for-service rate, except to the 22 adjustments extent such or add-on payments are 23 incorporated into the development of the applicable MCO 24 capitated rates.

As used in this subsection (f), "MCO" means any entity which contracts with the Department to provide services where HB2812 Enrolled - 6 - LRB099 10944 KTG 31288 b

1 payment for medical services is made on a capitated basis.

2 (g) No later than August 1, 2013, the Department shall 3 issue a purchase of care solicitation for Accountable Care Entities (ACE) to serve any children and parents or caretaker 4 5 relatives of children eligible for medical assistance under this Article. An ACE may be a single corporate structure or a 6 7 of providers organized through network contractual 8 relationships with a single corporate entity. The solicitation 9 shall require that:

10 (1) An ACE operating in Cook County be capable of 11 serving at least 40,000 eligible individuals in that 12 county; an ACE operating in Lake, Kane, DuPage, or Will 13 Counties be capable of serving at least 20,000 eligible 14 individuals in those counties and an ACE operating in other 15 regions of the State be capable of serving at least 10,000 16 eligible individuals in the region in which it operates. 17 During initial periods of mandatory enrollment, the 18 Department shall require its enrollment services 19 contractor to use a default assignment algorithm that 20 ensures if possible an ACE reaches the minimum enrollment 21 levels set forth in this paragraph.

(2) An ACE must include at a minimum the following
types of providers: primary care, specialty care,
hospitals, and behavioral healthcare.

(3) An ACE shall have a governance structure thatincludes the major components of the health care delivery

HB2812 Enrolled - 7 - LRB099 10944 KTG 31288 b

system, including one representative from each of the
 groups listed in paragraph (2).

(4) An ACE must be an integrated delivery system,
including a network able to provide the full range of
services needed by Medicaid beneficiaries and system
capacity to securely pass clinical information across
participating entities and to aggregate and analyze that
data in order to coordinate care.

9 (5) An ACE must be capable of providing both care 10 coordination and complex case management, as necessary, to 11 beneficiaries. To be responsive to the solicitation, a 12 potential ACE must outline its care coordination and 13 complex case management model and plan to reduce the cost 14 of care.

15 (6) In the first 18 months of operation, unless the ACE 16 selects a shorter period, an ACE shall be paid care 17 coordination fees on a per member per month basis that are 18 projected to be cost neutral to the State during the term 19 of their payment and, subject to federal approval, be 20 eligible to share in additional savings generated by their 21 care coordination.

(7) In months 19 through 36 of operation, unless the
ACE selects a shorter period, an ACE shall be paid on a
pre-paid capitation basis for all medical assistance
covered services, under contract terms similar to Managed
Care Organizations (MCO), with the Department sharing the

risk through either stop-loss insurance for extremely high cost individuals or corridors of shared risk based on the overall cost of the total enrollment in the ACE. The ACE shall be responsible for claims processing, encounter data submission, utilization control, and quality assurance.

6 (8) In the fourth and subsequent years of operation, an 7 ACE shall convert to a Managed Care Community Network 8 (MCCN), as defined in this Article, or Health Maintenance 9 Organization pursuant to the Illinois Insurance Code, 10 accepting full-risk capitation payments.

11 The Department shall allow potential ACE entities 5 months 12 from the date of the posting of the solicitation to submit proposals. After the solicitation is released, in addition to 13 14 the MCO rate development data available on the Department's 15 website, subject to federal and State confidentiality and 16 privacy laws and regulations, the Department shall provide 2 17 years of de-identified summary service data on the targeted population, split between children and adults, showing the 18 19 historical type and volume of services received and the cost of 20 those services to those potential bidders that sign a data use agreement. The Department may add up to 2 non-state government 21 22 employees with expertise in creating integrated delivery 23 its review for the purchase systems to team of care this 24 solicitation described in subsection. Anv such 25 individuals must sign no-conflict disclosure а and 26 confidentiality agreement and agree to act in accordance with HB2812 Enrolled - 9 - LRB099 10944 KTG 31288 b

1 all applicable State laws.

2 During the first 2 years of an ACE's operation, the 3 Department shall provide claims data to the ACE on its 4 enrollees on a periodic basis no less frequently than monthly.

5 Nothing in this subsection shall be construed to limit the 6 Department's mandate to enroll 50% of its beneficiaries into 7 care coordination systems by January 1, 2015, using all 8 available care coordination delivery systems, including Care 9 Coordination Entities (CCE), MCCNs, or MCOs, nor be construed 10 to affect the current CCEs, MCCNs, and MCOs selected to serve 11 seniors and persons with disabilities prior to that date.

Nothing in this subsection precludes the Department from considering future proposals for new ACEs or expansion of existing ACEs at the discretion of the Department.

15 (h) Department contracts with MCOs and other entities 16 reimbursed by risk based capitation shall have a minimum 17 medical loss ratio of 85%, shall require the entity to establish an appeals and grievances process for consumers and 18 providers, and shall require the entity to provide a quality 19 20 assurance and utilization review program. Entities contracted with the Department to coordinate healthcare regardless of risk 21 22 shall be measured utilizing the same quality metrics. The 23 quality metrics may be population specific. Any contracted least 5,000 seniors or people with 24 entity serving at 25 disabilities or 15,000 individuals in other populations 26 covered by the Medical Assistance Program that has been

receiving full-risk capitation for a year shall be accredited by a national accreditation organization authorized by the Department within 2 years after the date it is eligible to become accredited. The requirements of this subsection shall apply to contracts with MCOs entered into or renewed or extended after June 1, 2013.

7 (h-5) The Department shall monitor and enforce compliance 8 by MCOs with agreements they have entered into with providers 9 on issues that include, but are not limited to, timeliness of 10 payment, payment rates, and processes for obtaining prior 11 approval. The Department may impose sanctions on MCOs for 12 violating provisions of those agreements that include, but are not limited to, financial penalties, suspension of enrollment 13 14 of new enrollees, and termination of the MCO's contract with the Department. As used in this subsection (h-5), "MCO" has the 15 16 meaning ascribed to that term in Section 5-30.1 of this Code.

17 (i) Unless otherwise required by federal law, Medicaid Managed Care Entities shall not divulge, directly or 18 19 indirectly, including by sending a bill or explanation of 20 benefits, information concerning the sensitive health services received by enrollees of the Medicaid Managed Care Entity to 21 22 any person other than providers and care coordinators caring 23 for the enrollee and employees of the entity in the course of 24 the entity's internal operations. The Medicaid Managed Care 25 Entity may divulge information concerning the sensitive health services if the enrollee who received the sensitive health 26
