1 AMENDMENT TO HOUSE BILL 5025

2 AMENDMENT NO. _____. Amend House Bill 5025 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by changing Section
5 3-2.5 as follows:

6 (105 ILCS 5/3-2.5)
7 Sec. 3-2.5. Salaries.

8 (a) Except as otherwise provided in this Section, the
9 regional superintendents of schools shall receive for their
10 services an annual salary according to the population, as
11 determined by the last preceding federal census, of the region
12 they serve, as set out in the following schedule:

13 SALARIES OF REGIONAL SUPERINTENDENTS OF
14 SCHOOLS

| 2 | 1,000,000 and over | \$83,500 |

3 The changes made by Public Act 86-98 in the annual salary
4 that the regional superintendents of schools shall receive for
5 their services shall apply to the annual salary received by the
6 regional superintendents of schools during each of their
7 elected terms of office that commence after July 26, 1989 and
8 before the first Monday of August, 1995.

9 The changes made by Public Act 89-225 in the annual salary
10 that regional superintendents of schools shall receive for
11 their services shall apply to the annual salary received by the
12 regional superintendents of schools during their elected terms
13 of office that commence after August 4, 1995 and end on August
14 1, 1999.

15 The changes made by this amendatory Act of the 91st General
16 Assembly in the annual salary that the regional superintendents
17 of schools shall receive for their services shall apply to the
18 annual salary received by the regional superintendents of
19 schools during each of their elected terms of office that
20 commence on or after August 2, 1999.

21 Beginning July 1, 2000, the salary that the regional
22 superintendent of schools receives for his or her services
23 shall be adjusted annually to reflect the percentage increase,
24 if any, in the most recent Consumer Price Index, as defined and
25 officially reported by the United States Department of Labor,
26 Bureau of Labor Statistics, except that no annual increment may

1 exceed 2.9%. If the percentage of change in the Consumer Price
 2 Index is a percentage decrease, the salary that the regional
 3 superintendent of schools receives shall not be adjusted for
 4 that year.

5 When regional superintendents are authorized by the School
 6 Code to appoint assistant regional superintendents, the
 7 assistant regional superintendent shall receive an annual
 8 salary based on his or her qualifications and computed as a
 9 percentage of the salary of the regional superintendent to whom
 10 he or she is assistant, as set out in the following schedule:

22 However, in any region in which the appointment of more
 23 than one assistant regional superintendent is authorized,
 24 whether by Section 3-15.10 of this Code or otherwise, not more
 25 than one assistant may be compensated at the 90% rate and any
 26 other assistant shall be paid at not exceeding the 75% rate, in

1 each case depending on the qualifications of the assistant.

2 The salaries provided in this Section plus an amount for
3 other employment-related compensation or benefits for regional
4 superintendents and assistant regional superintendents are
5 payable monthly by the State Board of Education out of the
6 Personal Property Tax Replacement Fund through a specific
7 appropriation to that effect in the State Board of Education
8 budget. The State Comptroller in making his or her warrant to
9 any county for the amount due it from the Personal Property Tax
10 Replacement Fund shall deduct from it the several amounts for
11 which warrants have been issued to the regional superintendent,
12 and any assistant regional superintendent, of the educational
13 service region encompassing the county since the preceding
14 apportionment from the Personal Property Tax Replacement Fund.

15 County boards may provide for additional compensation for

3 contributions required under Section 16-152 of the Illinois
4 Pension Code for employees of the State Board of Education, it
5 shall also, subject to appropriation in the State Board of
6 Education budget for such payments to Regional Superintendents
7 and Assistant Regional Superintendents, pay the employee
8 contributions required of regional superintendents of schools
9 and assistant regional superintendents of schools on the same
10 basis, but excluding any contributions based on compensation
11 that is paid by the county rather than the State.

12 This subsection (c) applies to contributions based on
13 payments of salary earned after the effective date of this
14 amendatory Act of the 91st General Assembly, except that in the
15 case of an elected regional superintendent of schools, this
16 subsection does not apply to contributions based on payments of
17 salary earned during a term of office that commenced before the
18 effective date of this amendatory Act.

4 more inhabitants. For the purposes of calculating regional
5 superintendent and assistant regional superintendent salaries
6 for educational service centers established under Section
7 2-3.62 of this Code, populations shall be established by
8 subtracting from the total county population the population of
9 a city with 500,000 or more inhabitants, divided by the number
10 of educational service centers in the county.
