SB0232 Enrolled

1 AN ACT concerning education.

## Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Public Community College Act is amended by
changing Section 2-16.02 as follows:

6 (110 ILCS 805/2-16.02) (from Ch. 122, par. 102-16.02)

7 Sec. 2-16.02. Grants. Any community college district that maintains a community college recognized by the State Board 8 9 shall receive, when eligible, grants enumerated in this Section. Funded semester credit hours or other measures or both 10 as specified by the State Board shall be used to distribute 11 12 grants to community colleges. Funded semester credit hours 13 shall be defined, for purposes of this Section, as the greater 14 of (1) the number of semester credit hours, or equivalent, in all funded instructional categories of students who have been 15 16 certified as being in attendance at midterm during the 17 respective terms of the base fiscal year or (2) the average of semester credit hours, or equivalent, 18 in all funded 19 instructional categories of students who have been certified as 20 being in attendance at midterm during the respective terms of 21 the base fiscal year and the 2 prior fiscal years. For purposes of this Section, "base fiscal year" means the fiscal year 2 22 years prior to the fiscal year for which the grants are 23

appropriated. Such students shall have been residents of 1 2 Illinois and shall have been enrolled in courses that are part 3 of instructional program categories approved by the State Board and that are applicable toward an associate degree or 4 5 certificate. Courses that are eligible for reimbursement are those courses for which the district pays 50% or more of the 6 7 program costs from unrestricted revenue sources, with the 8 exception of courses offered by contract with the Department of 9 Corrections in correctional institutions. For the purposes of 10 this Section, "unrestricted revenue sources" means those 11 revenues in which the provider of the revenue imposes no 12 financial limitations upon the district as it relates to the 13 expenditure of the funds. Except for Fiscal Year 2012, base 14 operating grants shall be paid based on rates per funded 15 semester credit hour or equivalent calculated by the State 16 Board for funded instructional categories using cost of 17 instruction, enrollment, inflation, and other relevant factors. For Fiscal Year 2012, the allocations for base 18 operating grants to community college districts shall be the 19 same as they were in Fiscal Year 2011, reduced or increased 20 proportionately according to the appropriation for base 21 22 operating grants for Fiscal Year 2012.

Equalization grants shall be calculated by the State Board by determining a local revenue factor for each district by: (A) adding (1) each district's Corporate Personal Property Replacement Fund allocations from the base fiscal year or the

average of the base fiscal year and prior year, whichever is 1 2 less, divided by the applicable statewide average tax rate to 3 (2) the district's most recently audited year's equalized assessed valuation or the average of the most recently audited 4 5 year and prior year, whichever is less, (B) then dividing by the district's audited full-time equivalent resident students 6 7 for the base fiscal year or the average for the base fiscal 8 year and the 2 prior fiscal years, whichever is greater, and 9 (C) then multiplying by the applicable statewide average tax 10 rate. The State Board shall calculate a statewide weighted 11 average threshold by applying the same methodology to the 12 totals of all districts' Corporate Personal Property Tax Replacement Fund allocations, equalized assessed valuations, 13 and audited full-time equivalent district resident students 14 15 and multiplying by the applicable statewide average tax rate. 16 The difference between the statewide weighted average 17 threshold and the local revenue factor, multiplied by the number of full-time equivalent resident students, shall 18 19 determine the amount of equalization funding that each district 20 is eligible to receive. A percentage factor, as determined by the State Board, may be applied to the statewide threshold as a 21 22 method for allocating equalization funding. A minimum 23 equalization grant of an amount per district as determined by 24 the State Board shall be established for any community college 25 district which qualifies for an equalization grant based upon 26 the preceding criteria, but becomes ineligible for

equalization funding, or would have received a grant of less 1 minimum equalization grant, 2 due to threshold than the 3 prorations applied to reduce equalization funding. As of July 1, 2013, a community college district eligible to receive an 4 5 equalization grant based upon the preceding criteria must 6 maintain a minimum required combined in-district tuition and universal fee rate per semester credit hour equal to 70% of the 7 8 State-average combined rate, as determined by the State Board, 9 or the total revenue received by the community college district 10 from combined in-district tuition and universal fees must be at 11 least 30% of the total revenue received by the community 12 college district, as determined by the State Board, for 13 equalization funding. As of July 1, 2004, a community college 14 district must maintain a minimum required operating tax rate 15 equal to at least 95% of its maximum authorized tax rate to 16 qualify for equalization funding. This 95% minimum tax rate 17 requirement shall be based upon the maximum operating tax rate as limited by the Property Tax Extension Limitation Law. 18

19 The State Board shall distribute such other grants as may 20 be authorized or appropriated by the General Assembly.

Each community college district entitled to State grants under this Section must submit a report of its enrollment to the State Board not later than 30 days following the end of each semester, quarter, or term in a format prescribed by the State Board. These semester credit hours, or equivalent, shall be certified by each district on forms provided by the State SB0232 Enrolled - 5 - LRB099 03157 NHT 23165 b

Board. Each district's certified semester credit hours, or
 equivalent, are subject to audit pursuant to Section 3-22.1.

3 The State Board shall certify, prepare, and submit monthly vouchers to the State Comptroller setting forth an amount equal 4 5 to one-twelfth of the grants approved by the State Board for base operating grants and equalization grants. The State Board 6 7 shall prepare and submit to the State Comptroller vouchers for 8 payments of other grants as appropriated by the General 9 Assembly. If the amount appropriated for grants is different 10 from the amount provided for such grants under this Act, the 11 grants shall be proportionately reduced or increased 12 accordingly.

13 For the purposes of this Section, "resident student" means a student in a community college district who maintains 14 15 residency in that district or meets other residency definitions 16 established by the State Board, and who was enrolled either in 17 one of the approved instructional program categories in that district, or in another community college district to which the 18 resident's district is paying tuition under Section 6-2 or with 19 20 which the resident's district has entered into a cooperative 21 agreement in lieu of such tuition. Students shall be classified 22 as residents of the community college district without meeting 23 the 30-day residency requirement of the district if they are 24 currently residing in the district and are youth (i) who are 25 currently under the legal guardianship of the Illinois 26 Department of Children and Family Services or have recently SB0232 Enrolled - 6 - LRB099 03157 NHT 23165 b

been emancipated from the Department and (ii) who had previously met the 30-day residency requirement of the district but who had a placement change into a new community college district. The student, a caseworker or other personnel of the Department, or the student's attorney or guardian ad litem appointed under the Juvenile Court Act of 1987 shall provide the district with proof of current in-district residency.

8 For the purposes of this Section, a "full-time equivalent" 9 student is equal to 30 semester credit hours.

10 The Illinois Community College Board Contracts and Grants 11 Fund is hereby created in the State Treasury. Items of income 12 to this fund shall include any grants, awards, endowments, or 13 like proceeds, and where appropriate, other funds made 14 available through contracts with governmental, public, and 15 private agencies or persons. The General Assembly shall from 16 time to time make appropriations payable from such fund for the 17 support, improvement, and expenses of the State Board and Illinois community college districts. 18
