

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Township Code is amended by adding Section
5 200-14c as follows:

6 (60 ILCS 1/200-14c new)

7 Sec. 200-14c. Notification of sale of or changes to private
8 or semi-private water systems.

9 (a) For purposes of this Section, "private water system"
10 and "semi-private water system" shall have the meanings
11 ascribed to them in subsection (a) of Section 9 of the Illinois
12 Groundwater Protection Act.

13 (b) A township that provides fire protection services shall
14 receive notice of the sale of a private water system or
15 semi-private water system from the individuals or entities
16 selling and purchasing the water system. The notice to the
17 township shall include the status and capacity of the water
18 system and the ability of the water system to be used for fire
19 protection.

20 (c) A township that provides fire protection services shall
21 also receive notice from the owner of a private water system or
22 semi-private water system if there are any changes to the water
23 system that would affect fire protection services to areas

1 served by the water system.

2 Section 10. The Illinois Municipal Code is amended by
3 adding Section 11-6-8 as follows:

4 (65 ILCS 5/11-6-8 new)

5 Sec. 11-6-8. Notification of sale of or changes to private
6 or semi-private water systems.

7 (a) For purposes of this Section, "private water system"
8 and "semi-private water system" shall have the meanings
9 ascribed to them in subsection (a) of Section 9 of the Illinois
10 Groundwater Protection Act.

11 (b) A municipality that provides and operates fire stations
12 or otherwise provides firefighting services shall receive
13 notice of the sale of a private water system or semi-private
14 water system from the individuals or entities selling and
15 purchasing the water system. The notice to the municipality
16 shall include the status and capacity of the water system and
17 the ability of the water system to be used for fire protection.

18 (c) A municipality that provides and operates fire stations
19 or otherwise provides firefighting services shall also receive
20 notice from the owner of a private water system or semi-private
21 water system if there are any changes to the water system that
22 would affect fire protection services to areas served by the
23 water system.

1 Section 15. The Fire Protection District Act is amended by
2 adding Section 27 as follows:

3 (70 ILCS 705/27 new)

4 Sec. 27. Notification of sale of or changes to private or
5 semi-private water systems.

6 (a) For purposes of this Section, "private water system"
7 and "semi-private water system" shall have the meanings
8 ascribed to them in subsection (a) of Section 9 of the Illinois
9 Groundwater Protection Act.

10 (b) A fire protection district shall receive notice of the
11 sale of a private water system or semi-private water system
12 from the individuals or entities selling and purchasing the
13 water system. The notice to the fire protection district shall
14 include the status and capacity of the water system and the
15 ability of the water system to be used for fire protection.

16 (c) A fire protection district shall also receive notice
17 from the owner of a private water system or semi-private water
18 system if there are any changes to the water system that would
19 affect fire protection services to areas served by the water
20 system.

21 Section 99. Effective date. This Act takes effect upon
22 becoming law.
