1 AMENDMENT TO SENATE BILL 730

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 730 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Public Aid Code is amended by  
5 changing Section 9A-11 as follows:

6 (305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

7 Sec. 9A-11. Child Care.

8 (a) The General Assembly recognizes that families with  
9 children need child care in order to work. Child care is  
10 expensive and families with low incomes, including those who  
11 are transitioning from welfare to work, often struggle to pay  
12 the costs of day care. The General Assembly understands the  
13 importance of helping low income working families become and  
14 remain self-sufficient. The General Assembly also believes  
15 that it is the responsibility of families to share in the costs  
16 of child care. It is also the preference of the General

1 Assembly that all working poor families should be treated  
2 equally, regardless of their welfare status.

3 (b) The ~~To the extent resources permit, the~~ Illinois  
4 Department shall provide child care services to parents or  
5 other relatives as defined by rule who are working or  
6 participating in employment or Department approved education  
7 or training programs. At a minimum, the Illinois Department  
8 shall cover the following categories of families and children:

9 (1) recipients of TANF under Article IV participating  
10 in work and training activities as specified in the  
11 personal plan for employment and self-sufficiency;

12 (2) families transitioning from TANF to work;

13 (3) families at risk of becoming recipients of TANF;

14 (4) families with special needs as defined by rule; ~~and~~

15 (5) working families with very low incomes as defined  
16 by rule; ~~and~~

17 (6) families that are not recipients of TANF and that  
18 need child care assistance to participate in education and  
19 training activities;

20 (7) children engaged in the State's child welfare  
21 system; and

22 (8) homeless children.

23 The Department shall specify by rule the conditions of  
24 eligibility, the application process, and the types, amounts,  
25 and duration of services. Eligibility for child care benefits  
26 and the amount of child care provided may vary based on family

1 size, income, and other factors as specified by rule.

2 In determining income eligibility for child care benefits,  
3 the Department annually, at the beginning of each fiscal year,  
4 shall establish, by rule, one income threshold for each family  
5 size, in relation to percentage of State median income for a  
6 family of that size, that makes families with incomes below the  
7 specified threshold eligible for assistance and families with  
8 incomes above the specified threshold ineligible for  
9 assistance. Beginning in State fiscal year 2017, the specified  
10 threshold must be no less than 300% of the then current federal  
11 poverty level for each family size. ~~Through and including~~  
12 ~~fiscal year 2007, the specified threshold must be no less than~~  
13 ~~50% of the then current State median income for each family~~  
14 ~~size. Beginning in fiscal year 2008, the specified threshold~~  
15 ~~must be no less than 185% of the then current federal poverty~~  
16 ~~level for each family size.~~

17 The Department shall provide child care services to all  
18 children who are eligible for assistance and are under age 13  
19 or who are under age 19 and under court supervision or have  
20 physical or mental incapacities as documented by a statement  
21 from a local health provider or other health professional.

22 In determining eligibility for assistance, the Department  
23 shall not give preference to any category of recipients or give  
24 preference to individuals based on their receipt of benefits  
25 under this Code.

26 The Department shall allocate \$7,500,000 annually for a

1 test program for families who are income-eligible for child  
2 care assistance, who are not recipients of TANF under Article  
3 IV, and who need child care assistance to participate in  
4 education and training activities. The Department shall  
5 specify by rule the conditions of eligibility for this test  
6 program.

7 Nothing in this Section shall be construed as conferring  
8 entitlement status to eligible families.

9 The Illinois Department is authorized to lower income  
10 eligibility ceilings, raise parent co-payments, create waiting  
11 lists, or take such other actions during a fiscal year as are  
12 necessary to ensure that child care benefits paid under this  
13 Article do not exceed the amounts appropriated for those child  
14 care benefits. These changes may be accomplished by emergency  
15 rule under Section 5-45 of the Illinois Administrative  
16 Procedure Act, except that the limitation on the number of  
17 emergency rules that may be adopted in a 24-month period shall  
18 not apply.

19 The Illinois Department may contract with other State  
20 agencies or child care organizations for the administration of  
21 child care services.

22 (c) Payment shall be made for child care that otherwise  
23 meets the requirements of this Section and applicable standards  
24 of State and local law and regulation, including any  
25 requirements the Illinois Department promulgates by rule in  
26 addition to the licensure requirements promulgated by the

1 Department of Children and Family Services and Fire Prevention  
2 and Safety requirements promulgated by the Office of the State  
3 Fire Marshal and is provided in any of the following:

4 (1) a child care center which is licensed or exempt  
5 from licensure pursuant to Section 2.09 of the Child Care  
6 Act of 1969;

7 (2) a licensed child care home or home exempt from  
8 licensing;

9 (3) a licensed group child care home;

10 (4) other types of child care, including child care  
11 provided by relatives or persons living in the same home as  
12 the child, as determined by the Illinois Department by  
13 rule.

14 (c-5) Solely for the purposes of coverage under the  
15 Illinois Public Labor Relations Act, child and day care home  
16 providers, including licensed and license exempt,  
17 participating in the Department's child care assistance  
18 program shall be considered to be public employees and the  
19 State of Illinois shall be considered to be their employer as  
20 of the effective date of this amendatory Act of the 94th  
21 General Assembly, but not before. The State shall engage in  
22 collective bargaining with an exclusive representative of  
23 child and day care home providers participating in the child  
24 care assistance program concerning their terms and conditions  
25 of employment that are within the State's control. Nothing in  
26 this subsection shall be understood to limit the right of

1 families receiving services defined in this Section to select  
2 child and day care home providers or supervise them within the  
3 limits of this Section. The State shall not be considered to be  
4 the employer of child and day care home providers for any  
5 purposes not specifically provided in this amendatory Act of  
6 the 94th General Assembly, including but not limited to,  
7 purposes of vicarious liability in tort and purposes of  
8 statutory retirement or health insurance benefits. Child and  
9 day care home providers shall not be covered by the State  
10 Employees Group Insurance Act of 1971.

11 In according child and day care home providers and their  
12 selected representative rights under the Illinois Public Labor  
13 Relations Act, the State intends that the State action  
14 exemption to application of federal and State antitrust laws be  
15 fully available to the extent that their activities are  
16 authorized by this amendatory Act of the 94th General Assembly.

17 (d) The Illinois Department shall establish, by rule, a  
18 co-payment scale that provides for cost sharing by families  
19 that receive child care services, including parents whose only  
20 income is from assistance under this Code. The co-payment shall  
21 be based on family income and family size and may be based on  
22 other factors as appropriate. Co-payments may be waived for  
23 families whose incomes are at or below the federal poverty  
24 level.

25 (d-5) The Illinois Department, in consultation with its  
26 Child Care and Development Advisory Council, shall develop a

1 plan to revise the child care assistance program's co-payment  
2 scale. The plan shall be completed no later than February 1,  
3 2008, and shall include:

4 (1) findings as to the percentage of income that the  
5 average American family spends on child care and the  
6 relative amounts that low-income families and the average  
7 American family spend on other necessities of life;

8 (2) recommendations for revising the child care  
9 co-payment scale to assure that families receiving child  
10 care services from the Department are paying no more than  
11 they can reasonably afford;

12 (3) recommendations for revising the child care  
13 co-payment scale to provide at-risk children with complete  
14 access to Preschool for All and Head Start; and

15 (4) recommendations for changes in child care program  
16 policies that affect the affordability of child care.

17 (e) (Blank).

18 (f) The Illinois Department shall, by rule, set rates to be  
19 paid for the various types of child care. Child care may be  
20 provided through one of the following methods:

21 (1) arranging the child care through eligible  
22 providers by use of purchase of service contracts or  
23 vouchers;

24 (2) arranging with other agencies and community  
25 volunteer groups for non-reimbursed child care;

26 (3) (blank); or

1           (4) adopting such other arrangements as the Department  
2 determines appropriate.

3           (f-5) (Blank).

4           (g) Families eligible for assistance under this Section  
5 shall be given the following options:

6           (1) receiving a child care certificate issued by the  
7 Department or a subcontractor of the Department that may be  
8 used by the parents as payment for child care and  
9 development services only; or

10           (2) if space is available, enrolling the child with a  
11 child care provider that has a purchase of service contract  
12 with the Department or a subcontractor of the Department  
13 for the provision of child care and development services.  
14 The Department may identify particular priority  
15 populations for whom they may request special  
16 consideration by a provider with purchase of service  
17 contracts, provided that the providers shall be permitted  
18 to maintain a balance of clients in terms of household  
19 incomes and families and children with special needs, as  
20 defined by rule.
