12 "applicant" does not include a corporation, partnership,
13 limited liability company, or a natural person who has a direct
14 or indirect ownership interest of at least 51% in the profits,
15 capital, or value of the investment or a related member.

16 "Claimant" means an applicant certified by the Department
17 who files a claim for a credit under this Section.

18 "Department" means the Department of Commerce and Economic
19 Opportunity.

20 "Qualified new business venture" means a business that is

22 "Related member" means a person that, with respect to the
23 investment, is any one of the following:

1 (1) An individual, if the individual and the members of
2 the individual's family (as defined in Section 318 of the
3 Internal Revenue Code) own directly, indirectly,
4 beneficially, or constructively, in the aggregate, at
5 least 50% of the value of the outstanding profits, capital,
6 stock, or other ownership interest in the applicant.

7 (2) A partnership, estate, or trust and any partner or
8 beneficiary, if the partnership, estate, or trust and its
9 partners or beneficiaries own directly, indirectly,

10 (b) For taxable years beginning after December 31, 2010,
11 and ending on or before December 31, 2016, subject to the
12 limitations provided in this Section, a claimant may claim, as
13 a credit against the tax imposed under subsections (a) and (b)
14 of Section 201 of this Act, an amount equal to 25% of the
15 claimant's investment made directly in a qualified new business
16 venture. In order for an investment in a qualified new business
17 venture to be eligible for tax credits, the business must have
18 applied for and received certification under subsection (e) for
19 the taxable year in which the investment was made prior to the
20 date on which the investment was made. The credit under this

22 liability for the taxable year. If the amount of the credit

24 carried forward and applied to the tax liability of the 5
25 taxable years following the excess credit year. The credit
26 shall be applied to the earliest year for which there is a tax

1 liability. If there are credits from more than one tax year
2 that are available to offset a liability, the earlier credit
3 shall be applied first. In the case of a partnership or
4 Subchapter S Corporation, the credit is allowed to the partners
5 or shareholders in accordance with the determination of income
6 and distributive share of income under Sections 702 and 704 and
7 Subchapter S of the Internal Revenue Code.

10 \$2,000,000 for each investment made directly in a qualified new
11 business venture.

12 (d) The Department shall implement a program to certify an
13 applicant for an angel investment credit. Upon satisfactory
14 review, the Department shall issue a tax credit certificate
15 stating the amount of the tax credit to which the applicant is
16 entitled. The Department shall annually certify that the
17 claimant's investment has been made and remains in the
18 qualified new business venture for no less than 3 years.

19 If an investment for which a claimant is allowed a credit
20 under subsection (b) is held by the claimant for less than 3
21 years, or, if within that period of time the qualified new
22 business venture is moved from the State of Illinois, the
23 claimant shall pay to the Department of Revenue, in the manner
24 prescribed by the Department of Revenue, the amount of the
25 credit that the claimant received related to the investment.

26 (e) The Department shall implement a program to register

1 qualified new business ventures for purposes of this Section. A
2 business desiring registration shall submit an application to
